Crown Land Timber Limits

FOR SALE.

THE undersigned is authorized to sell on most favorable terms, FIVE LIMITS, containing Two Hundred and Eighty Square Miles, on the River Bumoine, (one of the tributaries to the Ottawa), which, from recent Surveys, is found to contain an immense growth of White and Red Pine, and which, in point of quantity and quality, cannot be surpassed in all the Pine Territories on the Upper Ottawa.

Upon a careful estimation, by competent Surveyors, they give the following amount of Standard Logs upon each square mile, that is, an average of seventeen thousand logs to the square mile, making, at a moderate estimate, four-million two hundred thousand logs, with ample allowance for any part of the limits that may be covered by water or swamps.

Maps of the property and any further particulars may be had of the agent.

Terms of payment very liberal.
