Rev. Geo. Lowndes Passed Away Sunday

On Sunday morning, July 1, the Rev. George Lowndes passed quietly after two days' illness, although he has been in failing health for about a year and a half.

Born in 1851 near Alliston, he received his education there, and at Collingwood and St. Catharines, then becoming a school teacher. Very soon after, however, he felt the call to the Christian ministry and proceeded to prepare himself for that work, in which he was engaged for 38 years. After superannuating he bought a home in Newmarket where, with his wife, he lived until compelled about a year and a half ago, to come to Flesherton to reside with his daughter, Mrs. Murray. His entire active ministry was spent within the Hamilton conference of the former Methodist church. He was stationed, among other places, at Wiarton, Moorefield, Alma, Grand Valley, Holstein, and Burford. He was married 43 years ago to Mary Helen Fulton, who is left to mourn his passing. Three children are also left:— Fred od Brampton, Mrs. (Rev.) Raymer of Burford and Mrs. (Dr.) E. C. Murray of Flesherton. He is laid to rest beside the grave of one son, Harold, in the cemetery at Grand Valley.

The funeral services were conducted at the home of Dr. Murray on Tuesday at 1 p.m. The Rev. J. Harrower was in charge and with him were associated Rev. J. E. Peters of Meaford, Chairman of Presbytery, and Rev. H. E. Fiddes of Durham, both of whom were formerly members of the Hamilton conference. Rev. N. St. John of Markdale and Rev. Thos. Snowden of Meaford also assisted in the service. Interment was at Grand Valley, where Rev. Dr. Spence was assisted by Rev. R. S. E. Large of Fergus, who represented the ministers of the Hamilton conference.

Master Burton Conron, a son of Thomas Conron of Feversham was a lucky fellow, having caught 100 trout out of the Beaver River at the village of Feversham.

Mrs. James Genoe Passsed Away

On Tuesday, June 26, at her home on the Collingwood gravel road, Artemesia, there passed away to rest a beloved mother and esteemed resident in the person of Mrs. James Genoe.

The deceased, whose maiden name was Christena Collett, was born in Durham, Ont., in 1860. Later the family moved to Eugenia. There she was married to the late James Genoe, who predeceased her seven years ago, and had lived at her late residence two miles east of Flesherton for over forty years. She leaves to mourn her loss two sons and an adopted daughter—Harry on the homestead, Ellwood on the teaching staff of the Toronto Conservatory of Music, and Mrs. Archie McEachnie of Priceville; also a sister, Mrs. Andrew Fraser, of Toronto, who remained devotedly by her bedside to the last.

The funeral service was held on Thursday last at the Baptist church, Flesherton, where she had been one of the oldest of its members, and where many sympathizing friends were present. Rev. M. Saunders, who conducted the service, gave a comforting message and referred to the faithful christian life of the departed. Interment was made in Flesherton cemetery beside her husband.

The pallbearers were three of her nephews — Messrs. Francis Genoe, Lewis Genoe, David Genoe—and three of her nearest neighbors—Messrs. Lewis Pedlar, Levi Betts and Samuel Croft.

Mr. and Mrs. Roy Neilson and son, Bruce, of Toronto spent Dominion Day with Mrs. Neilson's parents, Mr. and Mrs. John Wright. Mrs. Wright returned with them to Toronto for a short visit.

A Farm Youth Rally will be held at Markdale on Friday, July 6th. Softball tournament in King Edward Park at 3 p.m. The final debate will be held in the Armouries at 8 p.m. between Yeovil and Bunessan, besides the winning address and winning play interspersed with musical numbers. —Wilfred Andrews, President.

Presentation to Doctor

One evening last week the home of Mr. Jas. and Miss Fanny Runstadtler, Linwood, was en fete, the occasion being that of a reception and presentation to Dr. Marguerite Runstadtler following her recent graduation. Many relatives and friends took this occasion of offering congratulations and best wishes to the young doctor, on her new undertaking and before the evening closed the following address was read and a well-filled purse and many other beautiful gifts were presented.

Linwood, Ont., June 23, 1928.

Dear Marguerite.—It is with great pleasure that we, assembled here today to congratulate you on the honours that have been bestowed upon you, in reaching the top rung of the ladder after many years of hard labour, in thought, research and application. In reaching your goal you have greatly merited the high esteem in which all your relatives and friends assembled here to-day hold you. Your proffession is one of respect, dignity, responsibility and importance, and with your kind disposition will be mingled throughout with love and charity, which will endear you all the more, not only to your friends, but also to your patients. Your presence among us always brought us joy, because of your loveable and cheerful disposition, and you always showed a kind thought for your dear friends of Kenwood in returning each summer to spend a little while among us. We also extend greetings to your dear parents in the success their daughter has achieved. They may well have a modest pride in you, because of your success, but chiefly because you accomplished it through the medium of that beautiful virtue fulfilled, obedience, directed by prayer an the grace of God. As a little token of our love and esteem we ask you to accept this little gift, and pray that God will direct you in your profession to have the same success as you have had in your studies.

Signed on behalf of your relatives and friends.

Rev. Father Morgan then extended congratulations and wishes for good health and longevity to her parents, Mr. and Mrs. John Runstadtler, of Flesherton.

New World's Record for Speed & Endurance

Setting a new world's speed and endurance record for cars under $1200, the new Whippet Six, in a continuous 24-hour run under official observation covered 1357½ miles and averaged 56.52 miles per hour for the entire 24 hours.

Brought to a dead stop from a speed of 35 miles per hour in 49 feet 7½ inches.

Accelerated from 5 to 25 miles an hour in 7.2 seconds.

Records that men unqualified leadership in speed and safety . . . Records made possible by the most advanced engineering of any light Six on the market.

The new Whippet Six upsets all previous standards of motor car value. It has an array of mechanical features, such as 7-bering Crankshaft, air-cleaner and thermostat, never found in a car of its price before.

Among the features of the bodies are unusual roominess, harmonious lacquers, smart cadet-type visors, remote door controls, attractive window reveals, extended dash panels affording greater leg room, and quick-acting cowl ventilator.

The new Whippet Six is unusually smooth and silent, due to its 7-bearing Crankshaft (instead of the usual 3 or 4) and its silent timing chain (a feature of the highest-priced cars). It is exceptionally powerful on hills; it has flexibility never before obtainable in any car of this size or price.
