ADDITIONAL

Canal Regulations.

NOTICE is hereby given, that in accordance with the 28th Chap. Con. Stats. of Canada, His Excellency the Governor-General in Council has been pleased to approve of the following additional regulations to ensure the proper using, management and protection of the Canals of the Dominion of Canada.

By Command,

WM. H. LEE,
C.P.C.

Privy Council Office,
Ottawa, 14th October, 1867.

Regulations in pursuance of the 28th Chap. Con. Stats. of Canada, for landing firewood on the line of the Rideau Canal, in the City of Ottawa, and in addition to the regulations for the management and protection of the Provincial Canals, which were authorized by the Governor in Council 9th May, 1857, Sections 14 and following, and were made applicable to the Rideau Canal, under the Order of His Excellency in Council of the 2nd of June, 1860.

1st. No firewood to be landed on the easterly side of the Basin from Sappers' Bridge to the line of Little Sussex-street.

2nd. Firewood may be landed between the line of Little Sussex-street and the By-wash or waste weir, but must be removed within twenty-four hours after having been placed there; a fine of three cents per cord will be charged for every day the wood remains on the wharf after such notice has been given.

3rd. Firewood may be landed and piled around the Basin on Government Land within forty feet of the water, leaving a roadway of at least fifteen feet between every four piles of firewood, which roadway must be as near as practicable at right angles to the margin of the Canal. This wood must also be removed within twenty-four hours after the owner or person in charge has been notified to that effect and in default a fine of three cents per cord will be levied upon it for every day it remains thereafter.

4th. Two cents per cord will be charged as wharfage or ground rent upon firewood placed on any part of the Government Canal Reserve.

5th. No firewood may be landed without a permit having been first obtained from the Lock Master or Collector, and the let-pass must be given up to this Officer before the wood is unloaded, under a penalty of forty dollars. 568-tf
