Send the news to The Advance. If your society has held an interesting meeting or election of officers, have your secretary send in a report to The Advance. Every item of news helps to keep up the interest in your society and the home news makes your paper reflect a live community.

The C.P.R. authorities are spraying the lands along the sides of the track with poisonous liquid in order to kill the weeds. Parents are warned to keep their children from eating berries picked along the track as such ar likely to be covered with the poison. Signs have been erected calling attention to the fact so that all may know the danger.

Big Crowd Attended Twelfth Celebration

Thursday afternoon last, July 12th, was an ideal day for the Orange walk celebrating the Battle of the Boyne, and fully four thousand people took advantage of the opportunity of the fine weather and attended. The village was nicely decorated with evergreens, bunting and flags that gave a pleasing appearance to the streets.

The crowd was fully as large as was expected twenty-two lodges taking part in the parade, with about 500 Orangemen of the County of East Grey in the walk. Promptly at 1.30 p.m. the parade got away from Memorial Park where it was formed and was headed by County Master Arthur Jamieson of Hatherton 887, Jack Stewart, County Marshall, and G. B. Welton, Marshall of Flesherton No. 2855, and were followed by the Harriston Kilty Band, which rendered music throughout the day that was enjoyed by all who heard the rousing strains. The parade was formed as follows: Harriston Kilty Band; No. 244, Proton; No. 353, Corbetton; No. 438, Duncan; No. 509, Orange Valley; No. 666, Maxwell, Maxwell L.O.B.A.; No. 737 Inistioge; Dundalk L.O.BA.; No. 797, Dundalk; No. 883, Ceylon; No. 887, Hatherton; No. 1045, Markdale; Feversham L.O.B.A.; No. 1085, Feversham; No. 1118, Eugenia; 1132, No. Fourth Line; the Swinton Park Pipe Band; No. 1136, Swinton Park; No. 1340, Kimberley; No. 1383, Vandeleur; No. 1202, 12th Con., Proton; No. 1745, 4th Con., Proton; Flesherton L.O.B.A.; No. 2855, Flesherton. The parade was one of the best ever held in Flesherton, and the crowd one of the most orderly.

Prizes were awarded as follows: Lodge coming farthest distance, Duncan; Best Dressed Lodge, Corbetton; Bet Ladies' Lodge, Dundalk; Best Fife and drum band, Dundalk.

The speaking took place at the pavilion in Memorial Park and was of a very high order, but some of the speakers expected were unable to be present. Rev. Bro. Jos. Harrower of Flesherton welcomed the brethren in a few well chosen words and Rev. Bro. McDonald of Corbetton also gave a short address. Bro .Dr. Campbell of Markdale was the main speaker on the program and his remarks were closely followed. Sister H. Down of Flesherton L.O.B.A. gave the best address during the afternoon dealing with the aims of the Orders and the work accomplished in the past. Sister Viva Scilley, W.M. of Dundalk L.O.B.A. also spoke a few words. The supeaking was interspered with selections by the Harriston Band.

Other celebrations were held close to Flesherton, but they did not make any appreciable difference in the attendance of the crowd or Lodges. The crowd was well taken care of with the hotels, L.O.B.A. and others serving meals and a number of refreshment booths were in operation on the streets.

The softball game in Agricultural Park between Rock Mills and Onward resulted in favor of the former by the lead of one run in the score. The main event was a League Baseball game that resulted in Flesherton losing to Markdale by the close score of 12-10. The game was later protested on two decisions of the umpire which were considered to be wrong but at a League meeting on Monday night was thrown out. It was a tough break for the local team as they were leading most of the way through the game. Beard of Markdale hit a home run with two men on the paths. The crowd was so dense that several plays were made that the umpires were hard put to decide and a number of disputes occurred.

GOOD SHOT AT CAMP

Mr. Peter Dow of town was a very successful marksman at the ranges in Collingwood at the Militia Camp held there the past two weeks. Pete won second in "D" Co. of the Grey Bat., while Corp. Graham of Hanover won first. This was Pete's first year in camp and much credit is due to him on his successful shooting.

Shot 159 Ground Hogs

Ground hogs have been having a hard time of it recently around this district, as Master George Sled has been following their lairs closely and has disposed of 159 by way of the gun route. These he has retailed to fox dealers at ten cents each and has made quite a bit of pocket money thereby.

EVERY TWO MINUTES
OF EVERY BUSINESS DAY · · · SOMEONE IN CANADA BUYS A NEW GENERAL MOTORS CAR

SINCE the days of Confederation, General Motors of Canada Limited has been supplying Canada with transportation. Each year as requirements have multiplied, the scope of General Motors service has widened . . the quality of General Motors cars has steadily improved. Each year more Canadians have looked to General Motors for better automobiles, until now, every two minutes of every business day, someone in Canada buys a new General Motors car.

These cars are bought by people you know . . by people like yourself . . for the very reasons which would guide you in the choice of a car.

They are bought because they are the product of the most progressive organization in the world's most progressive industry . . because they reflect the General Motors policy of constant advancement . . because they are *better* cars. . .

They represent the latest developments of the world's leading automotive research laboratory, offering these developments to the public as soon as they become available. They are proved in advance, at the expense of General Motors, not the public. They are better cars because they are Canadian cars.

And they embody greater value because of General Motors money-saving methods of quantity buying and volume production.

This popularity of General Motors cars holds more than a passing interest for the Canadian car buyer . . for General Motors utilizes increased demand to reduce production costs and to offer still more outstanding automobile value.
