Select Educational Classes.

Mrs. and Misses Cossar,

(Having lately arrived from England.)

BEG to acquaint the Ladies of Montreal and the surrounding country, that they will receive at their house, No. 1, Oxford Terrace, 45 McGill College Avenue, a limited number of Young Ladies as Boarders, who may be desirous of finishing their education, or who, from a residence in the country, have been unable to enjoy the advantages of the city seminaries

Mrs. Cossar is prepared to instruct these young ladies in all the branches of a thorough English Education, also French, Vocal and Instrumental Music, General Department, Calisthenics, and particularly to sing an English ballad.

Mrs Cossar has been induced to open these classes, having been informed that there are many young ladies to whom attendance at a school is both irksome and unpleasant, but who would make more favorable progress when surrounded by companions of their own age and acquirements, and living with Mrs. Cossar and her daughters in all the freedom of a happy home, and yet with that correct restraint so steadily carried out in England.

Mrs. and Miss Cossar also give private lessons in singing and on the piano-forte, and beg to return their sincere thanks for the kind encouragement they have already received.

Terms on application to

MRS. COSSAR,
No. 1, Oxford Terrace,

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, rear upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, opposed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR DR. AYER: I cannot answer you *what* complaints I have cured with your Pills better than to say *all that we other local with a purgative medicine.* I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.*

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to cleanse the *stomach and expel worms.* They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawks, of the Methodist Episc. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout*—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Arabian Heave Remedy

AND CONDITION MEDICINE

IS POSITIVELY SUPERIOR TO ANY or all other preparations for the cure of *Heaves, Coughs, Thick and Broken Wind*, and all diseases which affect the *Wind of Horses*; also, as a *Condition Medicine*, surpassing everything of the kind is easy to give, sure to cure, and safe in all cases and at all times, and does not prevent the horse from being worked while using it.

It cleanses the breathing apparatus, by removing from the air-cells the coagulable lymph, or that secretion which in heaves clogs them, causing a difficulty in breathing, and by its action on the diseased part, causing the mucous membrane to resume its natural dimensions, thus equalizing the circulation of the blood, and restoring the distended vessels to their natural size; by its use the horse's appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance.

Royal Italian Bitters!

OF—

TONICO REALE

DEL DOTTORE F. P. VERRI,

Professor of Chemistry in the University of PADUA

ITALY.

THIS celebrated preparation for which a certificate of merit was awarded to the distinguished original preparer at the National Exposition at Torino, Italy, by whose favor Mr. GIANELLI obtained the recipe, and was also awarded a diploma at the Provincial Exhibition of Canada held at Montreal in September, 1866, is, without exception, the most genuine, salubrious and agreeable Tonic ever introduced to public notice either in Europe or America.

For seventeen years it has, in Italy, been a universal favorite among the *elite* of society, being generally served in the drawing room before dinner, in preference to Vermouth.

The ingredients of its composition have been imparted to the leading Physicians of Canada and the United States, and have received their unqualified approval on every account.

The proprietor refers with the greatest confidence and satisfaction to the subjoined testimonials from eminent medical men, which he could add to, were it desirable.

Kept by the principal Druggists and Grocers in the Dominion of Canada and in the United States.

Sold by the Proprietor,

A. M. F. GIANELLI,
26, Hospital-street, Montreal.

Montreal, February, 1867.

MR. GIANELLI,—*Dear Sir:* Having received from you a sample of the Royal Italian Bitters of Dr. Verri as prepared by you, I have much pleasure in certifying to its very excellent qualities as an agreeable and exhilarating tonic Bitter; nothing equal to it has ever come under my notice. Having also been made acquainted with its composition and mode of preparation, I feel nothing better could have been devised for general use; from its effects which I have observed in several cases, I think very many who now suffer from indigestion and dyspepsia in their various forms will find in it a panacea for all their ills.

Very truly,
W. E. BESSEY, M.D., C.M.,
Beaver Hall Hill.

Letter from Drs. Picault.

Montreal, July 27, 1866.

TO MR. ANGELIA GIANELLI.

Dear Sir: We are pleased to acknowledge the reception of the prescription of your valuable tonic and bitters, entitled "The Royal." All the substances contained in its composition are perfectly combined to form a preparation fit for the purposes detailed in your directions.

We are, dear Sir, yours sincerely,
DRS. PICAULT & SON.

New York, May 14, 1867.

A. M. F. GIANELLI, Esq., Montreal.

Dear Sir: Just recovering from a long and severe illness, I have received a sample of your Tonico Reale and from its use have derived considerable benefit, as I find my appetite and digestion much improved, and hesitate not to recommend it as one of the best and most agreeable Tonics I have ever used.

WILLIAM ARNOLD,
A.B., Trinity College, Dublin; M. R. C. S. London; M. D., New York, Licenciate Royal College, Havana.

New York, June 1, 1867.

MR. GIANELLI,—*Dear Sir:* After a fair trial I take pleasure in recommending your Royal Bitters. It is a very excellent stimulating tonic, aiding digestion and giving tone to the digestive organs. In your note you informed me of the ingredients. I think it is a most admirable combination; a pleasant, useful, and reliable tonic.

Yours truly,
R. P. COOKE, M.D.,
New York City.

New York, April 25, 1867.

A. M. F. GIANELLI,—*Sir:* Your kind favour of 16th instant, together with a sample of your "Tonico Reale" Royal Bitters,—I am pleased not only with its composition, but also with the effect, and regard the preparation as a very elegant one, suited to many cases when a more powerful compound would not be used. After having had further opportunity, I shall be able to give a more intelligent opinion in regard to its efficacy.

Have you any agency in this city? Many of my patients are anxious to use the Tonic but know not where to procure it. Yours truly,

C. PRINCE, M.D.,

Dear Sir: The sample of your Royal Italian Bitters, through your politeness, was received some time since. I am happy to say respecting them, after giving them a fair trial, that they are a delicious tonic, stomachic and stimulant Bitters, which I think will be found very useful to the debilitated suffering from indigestion, constipation, or dyspepsia.

Letter from Dr. J. L. Leprohon, City Health Officer.

Montreal, March 29, 1867.

Dear Sir: My absence from Montreal has prevented me from acknowledging sooner the reception of your note and accompanying sample of the "Royal Italian Bitters."

I have no hesitation in stating that the ingredients entering into their composition are of a nature to render them decidedly useful in many cases of weakness of the digestive organs and of the general constitution. Their flavour is also very pleasant.

I remain, dear Sir, yours very sincerely,

Dear Sir: You request my opinion of the "Royal Italian Bitters," prepared from a receipt of Dr. Verri, of Padua. I beg to state that I consider it a most agreeable cordial tonic, in every way superior in flavour and composition to the ordinary bitter tonics in general use. I have recommended it to several patients, who have derived marked benefit from its use

Letter from Dr. Hingston, Physician Hotel Dieu Hospital.

Montreal, August 1, 1867.

The "Tonico Reale" of Dr Verri, prepared by Mr. Gianelli of this city, and introduced to the public as the "Royal Italian Bitters," is one of the most elegant preparations with which I am acquainted. Mr. Gianelli having made known to me its composition, I can, unhesitatingly, recommend it to those who require the combined use of an agreeable tonic and stimulant.

Sir: Having much practical experience of Bitters in the West Indies, in India, and other parts parts of the world where they are in request, I have no hesitation in giving it as my opinion that Dr. Verri's "Tonico Reale" is the *very best I have ever met with.*

W. M. MUIR, M D., Inspector-General.

Letter from Dr. Girdwood, late Surgeon H. M. Grenadier Guards.

Laboratory, 630 Lagauchetiere-street,
Montreal, August 4, 1866.

Sir: I have examined the sample of Bitters you left me, called Royal Italian Bitters, or Tonico Reale. I find that they are composed, as you say, of the best materials, and that they are an excellent Bitter Tonic.

The small quantity of iron they contain is of advantage to any persons who may require that Tonic in their system.

It is pleasant to the taste, and, so far as I can ascertain, not injurious.

I trust you may meet with success, and remain, yours, &c.,

G P GIRDWOOD, M D, M R C S E.

To Mr A M F Gianelli.

20, East 25th-street,
New York, May 9, 1867:

To A. M. F. GIANELLI, Esq.,

Dear Sir,—The "Tonico Reale" I have tried faithfully, and it gives me great pleasure to state to you that it is the best and most agreeable Tonic I have ever used in my practice. I find it particularly adapted to females and children debilitated by the various diseases and complaints peculiar to them. If you will favor me with a letter stating where I can procure your Bitters for my patients, I shall take particular pains to recommend them. As a general rule the Bitters sold are *too* bitter and have too much *Alcohol*, and are hence often injurious.

Your "Tonico Reale" seems to me to be the Tonic we have long wished for, but never found until Prof. Verri, D.M., of Padua, has given it to the Medical World.

Respectfully yours,
WM. FRED. HOLCOMB, M.D.,
Professor of Aural and Ophthalmic Surgery in New York Medical College, and Surgeon to New York Ophthalmic Hospital and Demilt Dispensary.

Letter from Dr. T. W. Campbell, Editor Medical Journal.

Montreal, August 20, 1867.

Dear Sir: I have to acknowledge the receipt of a sample of your "Tonic Reale," accompanied by a note informing me of its composition, and how prepared. While not believing in any universal Tonic, I am forced to admit that there are many cases where just such a preparation as yours would be invaluable. In cases of Chronic Dyspepsia, I have several times recommended its use and with much benefit. Yours, &c.,

A M F GIANELLI, Esq., Montreal.

Letter from Dr. Scott, Professor of Anatomy, McGill College.

Montreal, October 26, 1866.

A M F GIANELLI, Esq.,

Dear Sir: Having been furnished with a very *liberal* sample of your "Tonic Reale," Royal Bitters, I have delayed giving you my opinion of its merits until I had an opportunity of stating, from experience, some of the advantages which I have found derived from the employment of the Tonic.

I have noticed great benefit from the use of the "Royal Bitters" in indigestion, loss of appetite, general debility, and some nervous affections. The Tonic is most carefully prepared, and will be found a very agreeable Bitter and gentle stimulant; and from knowing its composition, I have pleasure in recommending it to the public; feeling satisfied that when more extensively known, the Tonic will be very generally used.

W. E SCOTT, MD,
Professor Anatomy McGill University; Physician General Hospital, &c., &c.

A. M. F. GIANELLI, Esq.,

My Dear Sir: I beg to acknowledge the receipt of a sample of your Royal Italian Bitters together with a note imparting to me the formula for their preparation. Having a large field where to try the effect of your Bitters, I have obtained flattering success in cases requiring the use of a mild, stimulating tonic, and I will recommend your Bitters with pleasure in dyspepsia, indigestion, loss of appetite, general debility, and constitutional inactivity of the liver.

I remain, my dear Mr. Gianelli, yours, very truly,

E. DE LA GRANJA, M.D.

Letter from Dr. Hall, Professor of Midwifery and Diseases of Women and Children, McGill College.

Montreal, March 15, 1866.

My Dear Sir: I have to acknowledge from you the reception of a sample of your "Royal Bitters," of your own manufacture, and have subsequently had the opportunity afforded me of becoming acquainted not only with their preparation, but also with the materials which enter into their composition. Nothing, I think, can excel the mode of filtration adopted, while the small amount of vinous ingredients must recommend them to general favour, even to those who usually disapprove of the use of such beverages, the proportion being only just sufficient to maintain their composition unimpaired in climates subject to considerable fluctuations of temperature.

From the nature or character of the materials employed in their composition, it is impossible to regard them otherwise than as the healthful, invigorating, yet mild tonic or stomachic, especially adapted to stomachs enfeebled by general sickness, and whose energy requires a gentle stimulus, preparatory to the indigestion of food.

I shall have pleasure in recommending their use in such suitable cases as may present themselves to me. I remain, dear Sir, yours very truly,

A. HALL, M.D.,
Professor Midwifery, McGill University,
