Banking and Prosperity

Prosperity on the farm is largely dependent on the factors beyond the realm of the farmer's control. There must be a good market demand for farm products and the production costs must be kept in proper relation with market returns Our Branch Manager is thoroughly familiar with the business of farming and is ready to assist in carrying your farm program to successful conclusion.

Unique School Record

The Weston Times and Record of last week contains the following interesting statement regarding the work of Mr. Harvey Griffin, son-in-law of Mrs. Wm. Wilcock of this place. May The Advance add congratulations on behalf of many friends in this district, where Mr. Griffin and his amiable wife annually spend a substantial portion of the vacation :-

"A record worthy of the highest commendation it is possible to give is held by Humbercrest Public School, York County, and one that extends back for several years. It is a record that has called for a most congratulatory remark on the part of the District Public School Inspector, Mr. A. A. Jordon, who recently speaking of the standing of its pupils, said, "It is an outanding record for any school."

"Congratulations are certainly due to Principal Griffin and his splendid staff, in the honor they have attained, in building up a reputation that carries the record, that for the past seven years no one pupil from the school who has tried their entrance examinations, has failed

"This year there were some 72 pupils who tried their exams and every one of them passed, with the added honour of having two of them, Barbara Watts and Eleanor Law, standing with the highest honours obtained in the Township."

Lawyer Loses Case

Bert Johnston of the village of Belwood, succeeds in the action which he brought against Max Aiken, a city lawyer whom he engaged to trade an apartment house at 277 Balsam avenue, Toronto, for a farm near Delhi. Plaintiff claimed $8,000 damages because, he alleged, as a result of defendant not being expeditious, plaintiff lost his equity of $10,000 in the apartment house and also the farm. This occurred, plaintiff alleged, because defendant failed to carry out an agreement with one Irwing, to whom the apartment house was conveyed.

Justice Wright finds that defendant failed to exercise that degree of care and skill which he, as solicitor for plaintiff, was bound to exercise and in that respect was negligent.

His Lordship refers the matter to the master to assess the damages.

Wedding in New Foundland

A wedding of much interest to the people of this district took place at Fogo, New Foundland, on Tuesday, July 10th, when Mr. George B. Richardson was united in marriage to Miss May Payne of that place. The happy couple spent a few days the latter part of last week visiting Mr. C. N. Richardson in town and also in Owen Sound, where a sister of Mrs. Richardson resides. Congratulations are extended to Mr. and Mrs. Richardson by their many friends here. They will reside at Botwood, New Foundland, upon their return, where George has a position.

Has Returned Home

Mrs. C. N. Richardson returned home on Sunday evening after spending several months in Toronto where she underwent an operation in the Western Hospital for a tumor. Mrs. Richardson's many friends are pleased to have her home again, and wish her a speedy recovery to perfect health.

Canada Adds to Its Industries; Has Its Own Circus Now

In connection with the visit of the Barnett Brothers Circus and trained animal shows, which will visit Flesherton on Friday, August 17th, it is interesting to note that it is the first Motorized Circus, ever provided by a Canadian showman, and Canadian Capital. There are several Motorized Circuses in the States, but owing to the high custom duties these aggregations do not cross the International Borders The Motorized shows are as big, and many are even better than the railroad shows, but through using motor vehicles cut down their overhead expense considerable, besides being able to move more freely and exhibit at towns where a railroad could not handle them without charging them a prohibitive rate. The Barnett Brothers Big City of Tents will be erected on the Exhibition Grounds. Two performances daily, rain or shine, at 2 and 8 p.m.

Nothing in The Paper

Frequently you pick up a paper and after glancing at the headlines, wearily thrust it aside, remarking, "Nothin the paper to-day." Did you ever stop to think what the phrase, "Nothing in the paper to-day" means? It means that in the day or week just passed, that no misfortune has befallen anyone in our town; that no fire has wiped out you neighbor's wordly goods; that the grim angel of death has crossed no threshold of a friend, that no man driven by liquor, hatred, fear or desire for unearned gain, has taken the life of a fellowman; that no poor devil haunted by the past, or the misdeeds of some other, has crossed the great divide by taking his own life; that no careless or drunken auto driver has run into or injured or killed an innocent family; that earthquake, tornado or flood has not wiped out a whole community. So the next time you are promoted to protest "Nothing in the paper to-day," just return thanks instead of grumbling because there is no news.

New Telephone Man

The Bell Telephone Company announced this week that Mr. Harry Gorrell of Owen Sound would be placed at this centre to look after the interests of the subscribers on his exchange and also Markdale. Mr. Gorrell was in town on Tuesday and secured the residence owned by Miss Mary Paton and will move his family down about September first. We welcome Mr. and Mrs. Gorrell and family to our village.
