DARLEY'S Arabian Healing Remedy

AND CONDITION MEDICINE.

IS POSITIVELY SUPERIOR TO ANY or all other preparations for the cure of *Horses, Coughs, Thick and Broken Wind*, and all diseases which affect the *Wind of Horses*; also, as a *Condition Medicine*, surpassing everything of the kind. It is easy to give, sure to cure, and safe in all cases and at all times, and does not prevent the horse from being worked while using it.

It cleanses the breathing apparatus, by removing from the air-cells the coagulable lymph, or that secretion which in heaves clogs them, causing a difficulty in breathing, and by its action on the diseased part, causing the mucous membrane to resume its natural dimensions, thus equalizing the circulation of the blood, and restoring the distended vessels to their natural size; by its use the horse's appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance.

Royal Italian Bitters!

—OR—

TONICO REALE

DEL DOTTORE F. P. VERRI,

Professor of Chemistry in the University of PADUA

ITALY.

THIS celebrated preparation for which a certificate of merit was awarded to the distinguished original preparer at the National Exposition at Torino, Italy, by whose favor Mr. Gianelli obtained the recipe, and was also awarded a diploma at the Provincial Exhibition of Canada held at Montreal in September, 1865, is, without exception, the most genuine, salubrious and agreeable Tonic ever introduced to public notice either in Europe or America.

For seventeen years it has, in Italy, been a universal favorite among the elite of society, being generally served in the drawing room before dinner, in preference to Vermouth.

The ingredients of its composition have been imparted to the leading Physicians of Canada and the United States, and have received their unqualified approval on every account.

The proprietor refers with the greatest confidence and satisfaction to the subjoined testimonials from eminent medical men, which he could add to, were it desirable.

Kept by the principal Druggists and Grocers in the Dominion of Canada and in the United States.

Sold by the Proprietor.

Dear Sir: You request my opinion of the "Royal Italian Bitters," prepared from a receipt of Dr Verri, of Padua. I beg to state that I consider it a most agreeable cordial tonic, in every way superior in flavour and composition to the ordinary bitter tonics in general use. I have recommended it to several patients, who have derived marked benefit from its use.

I am, dear Sir, yours faithfully,

G. E. FENWICK, M.D.

A. M. F. GIANELLI, Esq., Montreal.
