OTTAWA MARKETS.

[Compiled expressly for the OTTAWA TIMES.]

Times Office, Ottawa, June 30, 1868.

There has been on some days during the past week a slight change for the better in the markets, and yesterday there was more produce brought in than we have seen for some time. In green stuff there was no scarcity, and the supply of strawberries is considerably on the increase. Of green peas there is a very good supply, and the price has come down to 15 cents per gallon. In the hay market we observed a pretty liberal supply of new hay, but we see no reasons for altering our quotations. The market prices for butchers' meat are for beef 9 to 15 cents. Mutton 10 cents. Veal 9 to 10 cents.

STOP and SEE!

THE following remarks on Testimonials of most extraordinary cures in Canada by the great Indian Remedy. They are stern unfeignable and incontestible facts, sufficient to the most skeptical that the great medicinal compound yearned after for ages is now accessible in the

Great Snoshonees Remedy.

For diseases of the throat, lungs, liver, digestive organs, kidneys, &c., as well as scrofula, the various skin diseases, humors, and all diseases arising from impurities of the blood, we boldly state that this great remedy has never been equalled. Where was there ever such a cure as that in the person of Wilson Storms, of Brighton, C W, of consumption; or that of Peter C V Miller, of Ernestown, C W, of consumption; or that of Ambrose Wood, of Consecon, C W, of dyspepsia and liver complaint; or that of John Rosey, of Napanee, C W, of rheumatism, who had actually been on crutches for years, in spite of all treatment heretofore, and is now well? Scores of such cases might be mentioned had we space.

Call at the drug store and get a circular of unquestionable certificates on the great Shoshonees remedy and pills and satisfy yourselves.

Another Wonderful Cure of Consumption in Canada.

MESSRS. YOUNG & CHAMBERLAIN,—Sirs, I feel it a duty I owe to you, as well as to the public, to inform you of the most wonderful cure of Consumption, accomplished in my person, by the use of the Great Shoshonees Remedy and Pills. I coughed a great deal day and night, expectorating large quantities of matter, and had a great pain about my left lung. I had cold chills every day, and severe night sweats every night, and between the racking cough and great sweating I was almost deprived of sleep; by these miseries, as well as the loss of appetite, I was so reduced that I could hardly stand alone. I was under the care of a physician for a length of time, but finding no relief, I tried different receipes, but all without any good effect. Squire Peterson of Bath, recommended me to use the Great Shoshonees Remedy; I procured three bottles at once, with the Pills; so soon as I commenced using it I began to get better, and when I had finished this complement, the Cough, expectoration of matter, pain about the lungs, chills, sweating, &c., left me, and by continuing its use I became strong and healthy. It is now over two months since I quit the remedy, and there have been no symptoms of the disease returning, and I have been, and am now, healthier and better than I have been for many years. I trust you will make this known to the public, that they may be aware of the peculiar virtues of this truly wonderful Indian Remedy.

To all to whom it may come.—This is to certify that I have been acquainted with the above mentioned gentleman, Peter C. V. Millar, Esq., for many years, and have known him always to be of the very highest respectability, and a very candid and creditable person; and I am confident that I can safely vouch for the truth of the above, or any other statement made, by him.

Like every other good thing, the Pain Killer has been extensively counterfeited; which, (while it is an acknowledgment on the part of the counterfeiters of its real worth,) is a serious hinderance to its usefulness, as the deceived purchaser estimates the value of the *Pain Killer* by the base compound he has purchased for the genuine article.

Purchasers should be careful and not allow the dealer to sell them worthless imitations, on which they realize a larger profit, but take only the *Pain Killer*, and see that it is the genuine, bearing the signature of Perry Davis & Son upon the label.

The Pain Killer is sold at wholesale by Druggists and Medicine Dealers, and Commission Merchants, in the principal cities, and retailed by Apothecaries, Grocers, and at Variety Shops generally throughout the world.

ANSWER TO MEDICAL INQUIRIES.

MEDICAL DEPARTMENT, R.R.R. OFFICE, No. 87, Maiden Lane, New York.

DEAR DOCTOR,

We are compelled to answer your inquiries relative to the curative properties of SARSAPARILLIAN and its associates as constituents in our RENOVATING RESOLVENT in lung affections, and its wonderful power in arresting waste and decay of the Lungs, healing Ulcers, loosening the phlegm, and enabling the patient to expectorate freely the thick, sloughing matter deposited in the air passages and cells of the Lungs and Bronchi, and at the same time keeping up the general strength of the patient, repairing the waste with good sound and healthy material, imparting nourishment as well as purification of the blood,—through the medium of the press:—that hundreds of others daily writing us for information may know that we have a remedy in the RESOLVENT that will arrest the progress of Consumption, either of the Lungs, Liver, Kidneys or Bowels.

The RESOLVENT is a compensating remedy; it communicates its curative powers through the blood, sweat and urine; it restores functional harmony and enables each secreting organ to secrete its proper constituents. Direct remedies, as Lung Balsams, Cough Syrups, Pectorals given to act directly on the Lungs, as a regular remedy, are hurtful, as they augment the functions of the Lungs at the expense of suspending or interrupting the functions of the Liver, Kidneys and Skin. It a patient suffering with a severe cough, with a sense of suffocation or weight in the chest, irritation or soreness in the throat, pain in the shoulders, difficulty of raising or expectorating phlegm, dryness of the skin, or if there is constipation of the bowels, unnatural appetite, great thirst, or if the water discharged, deposits substances like the white of an egg, or brick dust, or thread-like reains, or if there is pain in the small of the back, hips, stomach or bowels, chest, etc., from a dessert to a tablespoonful of RESOLVENT, half an hour after each meal, and if the cough istroublesome one teaspoonful at night, will afford immediate ease, and will soon remove all unpleasant symptoms.

As aids to the Resolvent, if pain is present, the spine should be rubbed with the Ready Relief, and one to four of Radway's Pills (coated) to insure *perfect* digestion and regular evacuations from the bowels. The nourishing properties of RADWAY'S RENOVATING RESOLVENT increase the strength and flesh of the patient. We do not claim that this remedy will make new lungs, new kidneys, or other wasted organs, but it will arrest decay, heal ulcers, and supply the waste that is daily passing off, with new, sound and healthy material. Dr. Radway can be consulted, free of charge, from 12 to 2 p.m., at No. 87, Maiden Lane.

The public have but a faint idea of the great importance of RADWAY'S RESOLVENT, in the treatment of chronic diseases and diseases of the Kidneys and urinary organs. Sarsaparillian and Pareira Brava, two of the ingredients as prepared by Dr. Radway's process, supply a want that has ever existed, in repairing the waste of the body with pure and healthy material out of new rich blood, of arresting dissolution and decay, of restoring functional harmony, of securing strength, of dissolving calculous concretions, of curing every form of Kidney, Bladder and Uterine diseases; of stopping all kinds of weakening, purulent, and irritating discharges; of restoring the vigor of life to all, whether induced by self-abuse, impure association, bad habit of system, exposure or accident.

As the Renovating Resolvent Sarsaparillian enters immediately into the circulation, it commences its work of *purification* and expulsion of acrimonious humors from the blood at once. Skin Eruptions, Blotches, Pustules, Tetters, Worms and Insects, Black Spots, etc., are removed by a few doses, and the skin changed to a clear and beautiful appearance.

This remedy is superior to all preparations of Buchu, Cubebs, Juniper, etc in Diabetes, Catarrh of the Bladder, Gravel, Brick Dusts, and other morbid state of the Urine. The RENOVATING RESOLVENT does not augment the functional secretions of one organ by suspending the secretions of others.

Ask always for Dr. RADWAY'S RESOLVENT, or SARSAPARILLIAN RESOLVENT.—Price, $1 per bottle; or 6 bottles for $5.

NOTICE.

THE Undersigned will either sell or let for a few years his well known farm, being lot Twenty-five in the Fourth Concession of Gloucester, Rideau Front, 215 acres all cleared, and well fenced and in a good state of cultivation. Also, the one-half of lot Twenty-seven in the Third Concession, being in its natural state, all wood and excellent land. It is just the cross of two hundred acres from the corner of the one lot to the other. The railroad line runs within ten feet of the front corner of the one hundred and in sight of the two hundred for two or three miles. The Station at Cunningham's is scarcely a mile and a half from the front of Lot Twenty-five. The above farm is capable of keeping thirty head of milch cows, two span of horses, and as many young cattle as it would be proper to raise. Eight or nine years ago I kept twenty-two milch cows, and ten or twelve horses, and raised five or six calves every year. The above farm is about ten miles from the door, to the limits of the City. The improvements cannot be surpassed for a farmer's purpose. The dwelling-house is stone, 30 by 40, a story and a half over ground; and a cellar nine feet high, the one half used for a kitchen and the other half capable of holding 1,000 bushels of anything you wish to put into it; there is three small windows in it, and when cleaned in the Spring, makes an excellent milk-house or dairy; there is a frame wood shed at the door, 68 by 24, with 14 feet taken off the one end for a coachhouse, and overhead for a storehouse; next to that is a stable 36 by 26, finished inside, complete with four large double stalls and two single ones, and good room for hanging up harness, and oat box; convenient to that is a barn 40 by 50, in which I have often put 1,000 bushels of grain in one year; connected with that is 206 and 20 feet of frame sheds, all 20 and 24 deep, under pinned will stone and lined from two to seven feet, according to level; on the north side of the house is another barn, 30 by 40, commonly filled with peas and oats. And if either tennant or purchaser has a desire for religious purposes you can lie in your bed and look at the bell telling on the Catholic Church every Holy Day, and go to the front door and you will see the Presbyterian Church, where the Rev. Mr. Lochead has preached for the last twenty-two years, and go to the back door and you will see both English Church and Methodist Church within two miles. The above farm would be a desirable situation for a young man wishing to give his attention to farming, as the Ottawa Market cannot be surpassed in the Dominion. I think that I can say that I have not sold one pound of butter under one shilling this eight years: if one went under two went over. Some reader may ask what am I selling for, it is neither for scant nor for want of anything, but I am in the seventieth year of my age, and has purchased off this lot seven hundred and fifty acres of land and all is paid for, and all my sons is settled on their own farms, so I would rather sit down and take my ease as be attending to marketing and farming any longer. Persons wishing to get any information on any point from me, can do so by addressing, post-paid, JAMES JOHNSTON, Senr., South Gloucester.

(Signed), ARTHUR HELPS.

DRAFT PROCLAMATION REFERRED TO IN THE FOREGOING ORDER IN COUNCIL.

BY THE QUEEN.

A PROCLAMATION

For declaring Gold Coins made at the Branch Mint at Sydney, New South Wales, a legal tender throughout such parts of Her Majesty's dominons as are specified in the schedule hereunto annexed.

Whereas, by an order in Council, bearing date the Nineteenth day of August, one thousand eight hundred and fifty-three, we have thought fit to order that a Branch of our Royal Mint, should be established at or near Sydney, in New South Wales.

And whereas in the eighteenth year of our reign, by an order in Council, dated the eighteenth day of October, one thousand eight hundred and fifty-four, we have thought fit to order that certain pieces of Gold Money should be coined at the said Branch of Our Royal Mint, to be called respectively Australian Sovereigns and Australian Half Sovereigns and to be of the same respective weights, fineness and value with the Sovereigns and Half Sovereigns now current within this our realm.

And whereas, pursuant to and in virtue of the powers given in our said Orders in Council, it is provided that a Coinage of the said Australian Sovereigns and Half Sovereigns shall be made, and that every such Australian Sovereign shall have for the obverse our effigy, with the inscription, "Victoria D. G., Britannia: Regina F. D," and the date of the year, and for the reverse the word "Australian" placed in the centre of piece encircled by a laurel wreath and surmounted by the Royal Crown with the inscription "Sydney Mint, One Sovereign," and with a graining on the edge, and that every such Australian Half Sovereign shall have the obverse in every respect similar to that of the Sovereign, and for the reverse the same word, "Australia," in the centre encircled and surmounted in like manner, but for the inscription the words "Sydney Mint, Half Sovereign," and a graining on the edge.

And whereas pieces of Gold Money have been and will be coined at our said Branch of the Royal Mint in pursuance of orders issued and to be issued;

And whereas, by an Act passed in the twenty ninth and thirtieth years of our reign, entitled "An Act to enable Her Majesty to declare Gold Coins to be issued from Her Majesty's Colonial Branch Mints a legal tender for payments, and for other purposes relating thereto," it is provided that it shall be lawful for Her Majesty, from time to time, by Proclamation issued with the advice of Her Privy Council, to declare that for such period, and subject to such conditions as may be specified in such Proclamation, Gold Coins made at such Colonial Branch Mint, of designs approved by Her Majesty, and being of the same weight and fineness as are required by law with respect to Gold Coins of the same denominations made at Her Majesty's Mint in London, are to be a legal tender for payments within any part of Her Majesty's Dominions to be specified in such Proclamations, in which Gold Coins issued from Her Majesty's Mint in London shall at the date of the issue of such Proclamation being issued Gold Coins made of such designs and being of such weight and fineness as aforesaid, shall be a legal tender for payments accordingly."

And whereas Gold Coins issued from our Royal Mint in London are at present a legal tender in such parts of our Dominions as are specified in the schedule hereunto annexed;

We therefore, by and with the advice of Our Privy Council, have thought fit to issue this Our Royal Proclamation, and we do ordain, declare and command, that from and after the date of the publication of this Our Proclamation by the Governor or other officer Administering the Government of such part or parts of Our Dominions as are specified in the schedule hereunto annexed, Coins made at the said Branch Mint, of designs approved by us at Sydney aforesaid, and being of the same weight and fineness as are respectively by law, with respect to Gold Coins of the same denominations made at Our Mint in London, shall be a legal tender for payments within such part or parts of Our Dominions, as are specified in the said schedule, until such period as this Our Proclamation shall be revoked, by and with the advice of Our Privy Council aforesaid.
