Young People's Rally

The annual Rally of the Young People's Union of Grey Presbytery, which was held in Markdale, Friday, August 24th, afternoon and evening, was a decided success in every particular. Despite the somewhat unfavorable weather in the afternoon, a fair crowd gathered to witness the final game for the Ladies Softball Championship of the Presbytery, between Dundalk and Durham. The former won by a narrow margin, and they will hold the shield for the next twelve months. In the evening a very large audience was present in Annesley church, and a splendid programme was provided. Dr. Anderson, the missionary supported by the Young People's Union, who has been home on furlough, and who leaves for China next month, gave a short address at the close of which Mrs. Anderson was also called to the platform, and Mr. Chas. Waite of Owen Sound, Missionary Convener for Toronto Conference, read an address, and Miss E. Bumstead of Owen Sound, Missionary Convener for Grey Presbytery, on behalf of the Union, presented Dr. and Mrs. Anderson with two handsome steamer rugs.

In the Oratorical Contest, which followed, Miss Mary Jeffries of Owen Sound, winner in Group 3, won the championship for the Presbytery, with Miss Mary Lockhart, of Dundalk, the winner of Group 1, a very close second. Both these young ladies gave splendid addresses, and were highly commended by the judges, who were Rev. A. S. Mitchell, and Rev. W. Coutts of Markdale and Rev. Stotesbury of Kimberley. The former also acted as critic. Another feature of the programme was the final debate, on the subject, Resolved "that the intention of the franchise to women has resulted in the social moral and economic betterment of the country." The affirmative was supported by Messrs Aubry Foster and Milson Henry of Markdale, champions of the southern half of the Presbytery, and the negative, which was to have been taken by the Annan team, champions of the north, but who were unable to be present, was supported by six young ladies from Markdale, namely, Mrs. Milson Henry and Mrs. March and Misses M. McLaughry, H. Waldon, G. Armstrong and E. St. John. All the speakers did exceptionally well, and the debate was one of the most intersting and humorous of the series. A show of hands showed the audience to be about equally divided as to winner. Other numbers on the programme were solos by Miss Viola Doan of Owen Sound and Mr. Gordon Beaton of Markdale. Duet by J. H. Dundas and Miss Blanche Walker. Mr. Howard Graham, Convener for the Presbytery, occupied the chair.

Softball League

Only two teams are left in the running in the race to tie Rock Mills for second place. Onwards and Flesherton clash and this may be the only game left that will be played as it is the only game left that will have any bearing on the final results. Should Onwards win this game they will have to play off with Rock Mills the tie for second place and the privilege of playing the leaders of the league, Maxwell, for the final win from the Onwards. Then they have to play a disputed game played some time ago with Maxwell to see whether that game was a win or a loose for Flesherton. Should Maxwell win then second place goes to Rock Mills, but should Flesherton win, then Rock Mills and Flesherton would have to play off for second place for the privilege of playing off with Maxwell. It is not expected that any game will be played this Wednesday and perhaps not on Saturday, on account of the harvest, but it is expected that the first final game will be ready to be played at the Field Day, about the 12th of September, with final game or games on Fair Day, September 21.

Results of the games on Saturday night last are: Onwards won from Victoria Corners and on Monday of this week Flesherton won from Kimberley, thereby putting these two teams out of the running.

Young Lad Thrown From Motor Truck

Ellis Weber, 15 year old son of Mr. Dave Weber of Kimberley, met with a serious accident on Monday of this week, which might have resulted fatal. Ellis was sitting in the back of his father's truck, which was travelling at a low rate of speed along the County Road by Mr. D. Adams', west of town, and upon rising to his feet, was thrown by a jar clear off the truck. He lit on his feet and then fell backwards, striking the back of his head and neck upon the hard road. This happened at 7 o'clock in the morning and the boy did not regain consciousness until 5 o'clock that evening. It is hoped that no serious harm will arise from the unlucky mishap, and at present he is resting quite comfortably.

Fined $500 and Costs

At Durham in the afternoon, Angus McVicar, a hotel keeper from Priceville, was convicted of having liquor in his possesion other than his private room in the hotel which he conducted. His place was raided by inspector Ray and Sargeant Beamish of Hanover, and Provincial Constable Denton of Owen Sound, on Saturday night last, and a quantity of whiskey and a case and a half of beer were found on the ice in a small room at the rear of the bar. McVicar was fined $500 and costs which he paid.

EXPERT HERE

F. H. Seeley of Chicago and Phildelphia,nationally famous expert,will himself personally be at the Patterson House, and will remain in Owen Sound from 9 a.m. to 5 p.m. on Tuesday only, September 4th.

Mr. Seeley says:

"The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over all former effects immediately appreciable and withstanding any strain, or position no matter the size or location. Large or difficult cases or incisional ruptures (following operations) especially solicited. This instrument received the only reward in England and in Spain producing results without surgery injections, medical treatments or prescriptions, with distinguished personal patrons of all nations." "His method has always been most satisfactory."—Late Dr. Edward Shippen, former Medical Director, U. S. Navy.

This instrument is the same as supplied to Surg. Glens. Bureau, U. S. Naval Hospital.—Penn. R. R., etc. etc.

He will be glad to demonstrate without charge or fit them if desired. Business demands prevents stopping at any other place in this section.

N. B. — Every statement in this notice has been verified before Federal and State Courts.—F. H. SEELEY.

CAUTION — All cases should be cautioned against the use of any elastic or web truss with understraps, as same rest where the lump is and not where the opening is, often resulting in strangulation.
