EUROPEAN NEWS BY MAIL.

NEW YORK, September 6.—The steamship *America* from Southampton, August 25, brings the following news in addition to cable despatches.

The storm which prevailed on the south-west coast of England on Saturday night, August 22, proved very destructive to the shipping. The beach at some points was literally strewn with wrecks of every description. Twenty-three lives were lost by the sinking of the ship *Tara*. Another vessel, name unknown, went down off Formly, and the light ship, with all on board, has also gone down. Many disasters to British shipping are reported from Welsh and Irish ports.

Steam communication with Ireland and the continent was generally suspended by the gale.

The editor of the Paris *Reveil* has been sentenced to three months' imprisonment and a fine of five thousand francs, for exciting hatred to the Government. The *Constitutionel* of the 22nd says the Emperor's language at Troyes was beginning to bear fruit at last, and the political question is becoming more settled, and the genius of peace has gained an upper hand. Prussia feels as little desire as France to go to war, and all the powers are interested in averting any disturbance of the peace, and their governments guarantee general security.

La France says the appointment of a new Minister to Brussels implies friendship between France and Belgium which nothing is capable of changing.

The subscription to the stock of the French Atlantic Cable has closed with complete success.

Several shocks of earthquake have been felt in Hungary, and were quite violent.

Despatches from the British scientific commission sent out to India indicate very remarkable and unexpected observations of great value during the eclipse of the sun on the 17th.

The betrothal of the King of Bavaria to Grand Duchess Marie, of Russia, was regarded as certain.

The proposed conference of South German States to form a military commission will not meet, and the scheme is regarded as entirely abandoned.

A Constantinople despatch of the 21st ult. reports that skirmishing continues off Crete.

For fine bog oak brooches and ear rings in sets, see Young & Radford's new lot, just received, and selling at the very low price of only 90 cts. per set.

MONTREAL TEA COMPANY,

GENTLEMEN,—The tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your tea I have been quite free from heartburn, which would always pain me after breakfast. I attribute this to the purity of your tea, and shall continue a customer. Yours respectfully, FRANCIS T. GREENE, 54 St. John Street, Montreal.

A large consignment of the Montreal Tea Company's pure teas have been received by the undersigned. There is no paint, dye, or black lead used in these teas to make them look well. Boxes, 12 lbs. and upwards. See advertisement for list of prices.

SPECIAL NOTICE.

ALBION HOTEL, MONTREAL, P. Q.

In 1857 MR. DECKER purchased the "Albion," which then contained fifty rooms. In 1859 he added a new wing of forty rooms. The steady and rapid increase in the business compelled him, in 1862, to build a second new wing of fifty sleeping-rooms, with large dining-room, capable of seating two hundred guests. Notwithstanding all this additional accommodation, hundreds of merchants and others, patrons of the "Albion," have been obliged to seek accommodation elsewhere during the spring and fall business seasons. Encouraged by the liberal patronage extended to the "Albion," the proprietor has built a third addition of ninety sleeping-rooms, large parlors, reading-room, office and bar—fronting on McGill-street. Fifty of the sleeping-rooms will be furnished and ready for the fall trade. In the spring of 1869 all the improvements will be completed, when the "Albion" will have an entrance on McGill-street instead of St. Paul-street. The charge will be $1.50 per day, as heretofore. 839d

The Montreal Tea Company

THE WHOLE DOMINION SHOULD BUY THEIR TEAS OF THE IMPORTERS,

THE MONTREAL TEA COMPANY,

6 Hospital-street, Montreal.

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure, and free from any artificial colouring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb. boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20, or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on receipt of the order by mail containing money, or the money can be collected on delivery by express-man, where there are express offices. In sending orders below the amount of $10, to save expense it will be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expence.

BLACK TEA.

English Breakfast, Broken Leaf, Strong Tea, 45c, 50c; Fine Flavoured New Season do, 55c, 60c and 65c; Very Best Full Flavored do, 75c; Sound Oolong, 45c; Rich Flavored do, 60c; Very Fine do, do, 75c; Japan, Good, 50c, 55c, Fine, do, 60c, Very Fine, 65c, Finest, 75c.

Teas not mentioned in this circular equally cheap. Tea only sold by this Company.

An excellent Mixed Tea could be sent for 60c and 70c; very good for common purposes, 50c. Out of over one thousand testimonials, we insert the following:—

A YEAR'S TRIAL:

The Montreal Tea Company: MONTREAL, 1868.

GENTS.—It is nearly a year since I purchased the first chest of Tea from your house. I have purchased many since, and I am pleased to inform you the Tea has in every case proved most satisfactory, as well as being exceedingly cheap. Yours, very truly,

F. DENNIE.

Montreal Tea Co.

GENTLEMEN,—The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heart-burn, which would always pain me after breakfast. I attribute this to the purity of your Tea, and shall continue a customer.

Yours respectfully,
FRANCIS T. GREENE,
54 St. John-street,
Montreal.

MONTREAL, April, 1868.—To the Montreal Tea Company, 6 Hospital-street, Montreal: We notice with pleasure the large amount of Tea that we have forwarded for you to different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your Teas are giving general satisfaction, as out of the large amount forwarded, we have only had occasion to return one box which, we understand, was sent out through a mistake.

G. CHENEY,
Manager Canadian Express Company.

WILLIAMS, 1868.—To the Montreal Tea Company: Gentlemen, I am in receipt of the five boxes of Tea sent me, and can assure you it gives me great satisfaction. To my taste, it is preferable than the Tea I used to purchase in this neighborhood for a third more of the price. I presume to be a judge, as I have been in the habit of drinking Tea over 30 years. Yours faithfully,

DONALD CAMERON.

Beware of pedlars and runners using our name, or offering our Teas in small packages. Nothing less than a cattle sold.

Note the Address—The Montreal Tea Company, 6 Hospital-st, MONTREAL.

THE SUBSCRIBER

Respectfully announces to the inhabitants of Ottawa and surrounding country that at the request of many friends he has decided on opening an extensive and well regulated Auction Mart in this city:

From arrangements made with some of the Furniture Manufactories of Western Ontario, a large and well selected stock of new furniture will be constantly on hand.

Public Sales will be held from time to time, of which due notice will be given, and at which parties requiring to furnish will have an opportunity of purchasing at unusually low rates. The Mart is now open with a large stock of new Furniture, as well as Pianos, Harmeniums, &c., &c., consigned for sale.

The subscriber would also intimate that he is the Sole Agent for Ottawa and territory for the sale of Rappe, Webber & Co.'s celebrated grand Pianos.

They are successors to the late John C. Fox, of Kingston, and the makers of his excellent Pianos.

From their long experience in Germany, Paris, and New York, they are universally admitted to be the best Piano Manufacturers on this continent.

The high reputation of the instruments made by them for the past ten years, and the increasing demand for them in the new Dominion, prove their very superior quality, and universally acknowledged merit.

The Pianos, as well as the Furniture in the establishment, will be sold either by private sale or auction.

He would also announce that he is prepared to receive instructions from persons having household furniture, horses, carriages, or real estate, to dispose of, and pledges himself that nothing will be left undone by him to give satisfaction in discharging the trust confided to him. He hopes that by strict attention to the sales entrusted to his care, as well as by prompt settlements immediately after, to merit a share of public patronage.

He will be in his office from 7 in the morning until 7 in the evening, when he can see parties who wish to arrange about their sales. Consignments from a distance will have immediate attention.

Cash advances, when required, will be made on consignments for immediate sale.

All kinds of furniture bought, sold or exchanged.
