WHAT WE HAVE TO OFFER

No one chartered bank in Canada has anything greater to offer the business community than its contemporaries unless it be in the character of the service it renders. During the half-century of its life, the Standard Bank has developed a distinct individuality through the kind of service maintained in its daily transactions. The commercial aspect of this individuality is found in the many unique services for which the Standard Bank is peculiarly equipped.

Local and Personal

Miss Aleda Mitchell is in Toronto for a time.

Messrs John and Robt. Osborne of Batteau were visitors last week with their sister, Mrs. W. J. Bellamy.

Rally Day was observed in the United Church on Sabbath last, and will be latter in the Baptist Church.

Quite a number from here attended the Dundalk Fair on Friday, and several were exhibitors.

Mr. and Mrs. Clarence White of Waubaushene spent the week end with the latter's father, Mr. W. J. Henderson.

Mr.Andrew Wickens has returned to Flesherton, after spending a few months at Detroit, Mich., and Warren Ohio.

Mr. Ken Boyd left this Wednesday morning by motor for North Battleford, Sask., where he will enter into business with his uncle, Mr. Jno. Boyd.

Mrs. F. Pinder underwent a serious operation on her ear for a tumor on Saturday morning last, at Grace Hospital. We are pleased to know that she is improving nicely.

Mr. and Mrs. F. W. Duncan and family, Mr. and Mrs. D. Adams and family motored to Paisley on Sunday and visited with the former's uncle, Mr. J. H. Turner.

At Mount Zion Hall, on October 19th, a four act play will be given by the Corbetton Dramatic Club, "The Village Lawyer." Admission 35 and 20 cents.

Mrs. E. C. Murray, accompanied by Miss Kate Bellamy, motored to Burford on Wednesday of last, and are visiting relatives there . Mrs. C. J. Crossley accompanied them as far as Hamilton, for a holiday.

Rev. and Mrs. Robt. Paton were in town for a couple of hours on Friday last. They were on their way to their new home at Arden, where Mr. Paton has charge of the United Church circuit.

The regular meeting of the W. I. which was to have been held on Wednesday, October 3rd, at the home of Mrs. F. H. W. Hickling, has been postponed until Wednesday, October 10th.

Quite a number of farmers in this part have not finished harvesting as yet, on account of the rains and backward weather of the past month, and a change would be greatly appreciated.

Mr. and Mrs. Otto Clipperton of Toronto spent the week end in town. Master Billie returned home with them after spending the past month with his grandparents, Mr. and Mrs. Geo. Mitchell.

Mr. Geo. Hargrave underwent an operation for appendicitis in a Toronto hospital on Saturday and is improving. His father, Mr. Ben Hargrave was with him and returned that evening, accompanied by Mr. and Mrs. J. E. Montgomery.

Mr. and Mrs. Harry Gorrell and family of Owen Sound moved to town on Thursday last and are occupying the residence owned by Miss Mary Paton. Mr. Gorrell is employed by the Bell Telephone Co., as lineman for the Flesherton and Markdale centrals. We welcome Mr. and Mrs. Gorrell to town.

Two Uuique Exents of Local Interest

An unique occurence was the initiation on Friday evening last of two ministers of the Gospel, at the regular meeting of Prince Arthur Lodge, No. 333, A. F. & A .M. We believe that the event has no equal in this district, and for that matter, in very few other lodges.

Another coincidence that is a record, no doubt, is that of the teaching staff at Kimberley Public School. Mr. Carl Carruthers is the principal and his mother is teacher in the other room, and both are capable teachers. We believe that there is not another case in Ontario of a mother and son being on the same staff of a public school.

Priceville Fair on Friday of This Week

Harriston's famous Kiltie Band will be one of the main attractions at the Priceville Fair on Friday of this week. This band has an excellent reputation among the leading bands of Ontario and the excellence of their music should attract large numbers who delight in good band music. The Harriston Band attended the celebration at Flesherton on July Twelfth, and their work on that lay was of a high order. The band will also provide the concert in the hall in the evening, commencing at 8 p.m., which should be the treat of the season. The entries are coming in very satisfactorily for the main show and should eclipse those of former years, if the weather is fine.

A Strange Fatality

Mrs. Robt. Alexander of town received the sad news last week of the death of her brother-in-law, Mr. Jas. Lang, of Rosetown, Sask. Mr. Lang was returning home from work and as his car was not working right he was driving with one hand and trying to fix something with the other hand, and failed to notice a team and wagon approaching. The horses separated, going one on each side of the car, and the wagon tongue went through the windshield, piercing Mr. Lang's body. He died the next day. His wife was formerly Edna Beattie, who used to reside in Flesherton.

Mr. and Mrs. eBn Wilson and family of St. Catharines spent the week end with the former's mother here.

Briggs—"I've lost my new car."
Griggs—"Why don't you report it to the sheriff?"
Briggs—"He's the one that took it."

Fill About Completed on New Boyne Bridge

The fill leading to the new Boyne Bridge, just north of town, is nearly completed by the local Highway Supervisor, Mr. W. J. Moore. In spite of the very adverse weather conditions and the various difficulties of the job, especially the saucering of the turn leading to the bridge, it is decidedly well done, and would certainly be a credit to men with more experience in this line of work than Mr. Moore.

This is only one of the similiar jobs which Mr. Moore has to his credit, in fact his work has been most efficient since he has been appointed to his present position. His beat of eight miles on the Provincial Highway is second to none in the Province of the improved gravel roads and he has been commended many times for his good work in this regard. Therefore we take this opportunity to congratulate him and we hope that he may be spared to continue the good work throughout many future years.

Revival Services

Special Evangelistic Services are being conducted in the Rock Mills Baptist Church, by Evangelist Alexander Torrie, B. A. The interest at first was not the best, but from night to night interest has increased, and on Sunday night the church was packed. Evangelist Torrie is a sane preacher of the Gospel, a firm believer in its powers to lift humanity from the depths to lift humanity from the depths of sin to newness of life in Christ. He has spent 22 years in Evangelistic work, and has been used of God in many denominations in pointing htousands of souls to the Lamb of God.

We have never listened to a more fluent and forceful speaker. His messages have gripped the congregations who listened attentively, many weeping as the love of God for sinful humanity is revealed to them. He shows pictures each week night on the Life of Christ, which are quite interesting and a bigger educational nature. He will speak each night this week in the church at 7.45 concluding on Sunday, October 7th, with services at 11 a.m. and 7 p.m. in Rock Mills and 2.30 p.m. at Flesherton Baptist church, after which he leaves to conduct missions in several large city churches in Western Canada, beginning in Regina.

Those who fail to hear him will miss a real spirtual treat.

Organized W.C.T.U.

Miss C. R. Duff, Provincial Field Worker for the W. C. T. U., spoke to the pupils of the public school on Wednesday last, and for almost an hour held their attention; their interest never flagged. Miss Duff spoke along the lines of Mr. Ferguson's schoolbook on Temperance. One fact was brought to light, viz., that small boys are learning to smoke cigarettes, though the law states that they may not be sold to boys under eighteen.

Miss Duff spoke in the United Church on Sabbath last on Temperance, an address that was well worth listening to, and full information. Two things struck us as being rather unique, was the fact that she did not mention politics, nor any member of parliament, the other was she did not ask nor receive a collection. After the service a Woman's Christian Temperance Union was formed, with Mrs. H. Down as President, and Miss Macmillan as Vice.
