MARRIED WOMEN'S PROPERTY BILL.—Mr. Russell Gurney's "Married Women's Property Bill" has just been issued. Starting with the assertion that the law of property and contract with respect to married women is unjust in principle, and presses with peculiar severity upon the poorer classes of the community, the Bill provides that a married women shall be capable of holding, acquiring, and dealing with real and personal estate, of contracting, of suing and being sued, as if she were a single woman. Every woman who marries after the passing of the Act will have and hold all property whether real or personal, possessed or acquired before or after marriage, free from the debts and obligations of her husband, from his control and disposition as if she were a single woman. Every woman married before the adoption of the Act would be entitled to have and hold all property accruing to her after the passing of the Act, free from debts, obligations, and control of her husband, provided no existing settlement or covenant prevented such possession. The earnings of every married woman in any separate trade or occupation will be her personal property. Husbands will not be liable for the debts of their wives, either before or after marriage, nor liable in damages for any wrong committed by them. Upon the death of a wife intestate, the husband will only take the same distribution share in her personal estate as a wife would now take in the personal estate of an intestate husband. There is nothing in the proposed Act to hinder the practice of making settlements, which at present virtually secures to the wives of the richer portion of the community the separate possession of their property. But the Bill enacts that no settlement of a wife's property shall have greater force or validity against her creditors than a like settlement entered into by a man would have against his creditors. If this Bill can obtain it, the Emancipation of Women is to date from January 1, 1870.—*English paper.*

THE WONDERS OF THE MICROSCOPE.—We understand it is through the agency of this marvel viewing instrument that Dr. Ayer has at length succeeded in finding the *paludal miasm* and determining its character. Of its effects we in this section have abundant evidence in the fever and ague which it alone produces when absorbed through the lungs into the blood. It has long been held to be a vapour, or something in the vapour of water from decayed and decaying vegetation. Under a great magnifying power, the doctor has found this vapour to contain distinct organisms or living bodies, corresponding precisely with those found in the blood of ague subjects. They are 13,000 times less than visible to the naked eye, but have distinct character and form. He thinks they are reproductive in decaying matter or in the blood, and hence their long continued life or the remote effects of them in the system. He maintains that they resemble in character the other fermentative poisons, or such as the virus of rabies or of a dead body, &c., all of which are known to reproduce themselves with great rapidity like yeast in moistened flour, so that the slightest quantity impregnates the whole mass. Yeast through a powerful magnifier is seen to be a forest of vegetation which grows, blossoms, and goes to seed in a short time. Miasm is not so distinctly vegetable, but has more the appearance of animal life, although its motions cannot be perfectly distinguished. What the doctor claims to have settled is that it is an organic substance, and he has further found and embodied in his "ague cure" what will destroy it.—*Leader, St. Louis, Mo.*

EVERYBODY SAYS SO.—That is all who have either used the article themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Heave Remedy" is superior to anything of the kind heretofore or at present in use for coughs, colds, thick wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd and Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada.

TOM THUMB ECLIPSED.—We read there has been a race between the New York showmen to obtain possession of one George Washington Nutt, who is said to be several inches shorter than General Tom Thumb, and that P. T. Barnum has succeeded in getting him for three years for $30,000, board and expenses. Is it not a great thing to be a small man; and is it not equally so great to have a medicine that can be depended upon for curing colds, rheumatism, burns, bruises, summer complaints, cholic, &c.; if so get at once a supply of the "Canadian Pain Destroyer," at the nearest medicine dealer's for 25 cents.

—Twenty years experience in using Bryan's Pulmonic Wafers have proved them to be the most effectual remedy for coughs, and irritation of the throat, caused by cold, or unusual exertion of the vocal organs; public speakers and singers will find them most beneficial. The entire freedom from all deleterious ingredients renders Bryan's Pulmonic Wafers, or Cough and Voice Lozenges, a safe remedy for the most delicate person, and has caused them to be held in high esteem by all who have used them. Sold by all medicine dealers at 25 cts. per box.

OVER-EXERTION, either of body or mind, produces debility and disease. The usual remedy is to take some stimulant, the effect of which is the same as giving a tired horse the whip instead of oats. The true way is to fortify the system with a permanent tonic like the Peruvian Syrup (a protoxide of iron), which gives strength and vigor to the whole system.

A WONDER FOR THE WORKSHOP.—Every mechanic should have ready at hand a box of *Grace's Celebrated Salve*, as it is a ready remedy for accidents, such as cuts, bruises, contused wounds, burns, scalds, poisoned skin and eruptions, caused by operations in the factory, dye-house or printing office. Only 25 cents a box.

At this season, when coughs and colds are so prevalent, an effectual remedy, and one easily obtained, is *Perry Davis' Vegetable Pain Killer.* It is no new nostrum, vended by unknown agents, but has stood the test of over 20 years; and those who use the article, internally or externally, will connect with it grateful recollections of its worthy inventor.—*Hastings' Chronicle, C. W.*

PAIN KILLER.—The testimonials borne to the efficacy of this valuable medicine are sufficient to warrant its introduction into every house. Our own opinion is that no family should be without a bottle of it for a single hour. In flesh wounds, aches, pains, sores, &c., it is the most effectual remedy we know of. A bottle will last for a very long time, and its low price places it within the reach of all. Our readers will remember that the Messrs. Perry Davis & Son have opened out a house in Montreal, whence Canadian orders are supplied.—*News, St. Johns, C.E.*

☞We are glad to learn that the "Pain Killer" is having so large a sale in our city. We have every reason to believe it to be an almost never failing cure for pain, and is a medicine that no family should be without.—*Montreal Pilot.*

If an attack of Diarrhœa, Dysentery or Cramp Colic, don't delay the use of the Pain Killer.

Rev. H. L. Van Meter, Burmah, writes, "The Pain Killer has become an almost indispensable article in my family."

Hundreds of missionaries give similar testimony of its virtues.

Rev. J. G. Stearns writes, "I consider it the best remedy for Dyspepsia I ever knew."

Rev. Jabez S. Swan says, "I have used it for years in my family, and consider it an invaluable remedy."

We cheerfully add our testimony in favor of this medicine.—*Roman Citizen.*

We have tasted this medicine and assure our readers that it not only possesses all the virtues claimed for it, but in many instances surpasses any other remedy which we have ever known.—*Herald of Gospel Liberty.*

It is really a valuable medicine. It is used by many physicians.—*Boston Traveller.*

I have used Davis' Pain Killer, and consider it an indispensable article in the medicine box. It has effected cures in Diarrhœa, and for cuts and bruises it is invaluable.—*New York Examiner.*

Spoken of in terms of high commendation by both druggist and physician.—*Philadelphia Engle.*

The Pain Killer is sold at wholesale by druggists and medicine dealers, and commission merchants, in the principal cities, and retailed by Apothecaries, Grocers and at Variety Shops generally, throughout the world. Price, 15 cents, 25 cents and 50 cents per bottle.

INFALLIBLE REMEDY
FOR
CHOLERA,
DIARRHŒA, and
BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE. I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."

☞This excellent mixture, which should be in every family, is only
