UNIQUE PUNISHMENT FOR FRUIT PURLOINERS

An unique sentence was imposed this week on five school boys by the County Magistrate at Hamilton. They spent their evenings recently stripping the pear trees of an Ancaster farmer. They were not contended as the boys of the old brigade "to help themselves to the luscious fruit to the extent of their personal appetites" but they basketed the pears and sold them to customers for the paltry price of 15 cents a basket The buyers ought to have been prosecuted too, for they ought to have knows that no fruit grower would sell his crop for such a pittance. The farmer usually harvested 175 baskets, but the boys robbed him of all but seven baskets, so their offence could not be overlooked. But as the boys appeared very contrite, they were not sent to jail or spenked, as perhaps would have been the more effective punishment. They were, however, sentenced to appear this week, for three days at the farm of their victim, and assist him each day till dark in harvesting his potato crop. Those tempted to purloin apples in this district should take warning, or they may not get off so easily.

PORTLAW

Mrs. Harry Fisher underwent an operation on Saturday last for an internal abscess. Dr. McFall of Collingwood and Dr. Gauld of Maxwell performed the operation, and a trained nurse is in attendance. The patient, who is being cared for at the home of her parents, Mr. and Mrs. Thompson, is reported to be progressing favorably. We hope for her early recovery.

Our sympathy is extended to Mr. and Mrs. D. Jamieson of Toronto in the loss of their youngest little boy.

We are sorry to hear of the serious illness of Mrs. Harry Patton of the Fourth Line.

Miss Lillian Morton, nurse at the Sick Children's Hospital and Mr. and Mrs. Morton Orr of Toronto were week end visitors at the home of the former's parents, Mr. and Mrs. W. A. Morton.

Rev. Mr. Rumble, wife and child of Woodbridge visited last week with a number of Mr. Rumble's former parishioners.

Mr. Robt. Poutney of Niagara visited with a number of old friends of the centre line. It is something over twenty years since he left this part, but he has not forgotten his friends of earlier days.

On Thursday evening of last week the home of Mr. and Mrs. W. J. Love was invaded by a large gathering of their many friends. During the evening the worthy couple were presented with a beautiful couch, accompanied with a complimentry address expressing the esteem in which the recipients are held by their neighbors and other friends. The address was read by Mr. W. A. Morton. Mr. Love replied in fitting words, thanking the doners on behalf of himself and Mrs. Love for all their kindness during their long residence in the community. Mr. and Mrs. Love will remove shortly to Berkley. The good wishes of a host of friends go with them to their new home.

IN MEMORIAM

MACMILLAN—In loving memory of Annie C. Macmillan, who departed this life, October 10th, 1921.

Sleep soft, beloved! We sometimes say,
Who have no time to charm away
Sad dreams that fill the eyelids creep;
But never doleful dream again
Shall break the happy slumber when,
He giveth His beloved sleep.

—Sadly missed by father, mother and Kate.
