EVERYBODY SAYS SO.—That is all who have either used the article themselves or witnessed its effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Heave Remedy" is superior to anything of the kind heretofore or at present in use for coughs, colds, thick wind, and all diseases which affect the wind of horses. As a condition medicine it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd & Co. is on each package. Northrop & Lyman Newcastle, Ont., proprietors for Canada.

"Queen's Birthday was kept in the usual loyal style last month, and next month the citizens of the Dominion of Canada will celebrate the birth of their new and rising existence; but recovered invalids still feel that a public holiday would be too short to celebrate all the virtues of that celebrated Indian Medicine, the great SHOSHONEE REMEDY, now on sale by the respectable druggists in your locality.

The Alabama claims were allowed to disturb too long the citizens of the two great Anglo-Saxon communities. The carelessness of one statesman, the indifference of another and the cupidity of another class, have combined to keep this *quasi* vexed rankling in the great political system, like consumption in the human frame, which spreads so rapidly until checked and expelled by the great SHOSHONEE REMEDY. For sale by all druggists.

A WONDER FOR THE WORKSHOP.—Every mechanic should have ready at hand a box of *Grace's Celebrated Salve*, as it is a ready remedy for accidents, such as cuts, bruises, contused wound burns, scalds, poisoned skin and eruptions, caused by operations in the factory, dye-house or printing office. Only 25 cents a box.

TOM THUMB REDIVIVUS.—We read there has been a race between the New York showman to obtain possession of one George Washington Nutt, who is said to be several inches shorter than General Tom Thumb, and that P. T. Barnum has succeeded in getting him for three years for $30,000, board and expenses. Is it not a great thing to be a small man! and is it not equally as great to have a medicine that can be depended upon for curing colds, rheumatism, burns, bruises, summer complaints, cholic, &c.; if so get at once a supply of the "Canadian Pain Destroyer," at the nearest medicine dealer's for 25 cents.

Coughs and Colds.—Sudden changes of climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a DIRECT influence on the affected parts. As there are imitations, be sure to OBTAIN the genuine. Sold by all dealers in medicines, at 25 cents a box.

BEAUDRY'S NEW SERIES OF SAWS

This important improvement in saw mills, patented in Canada and in the United States, consist especially in a new method of hanging and operating gang saws for manufacturing lumber, without the use of the ordinary gate. The gang of saws are attached at each end to cross heads, supported by a bifurcated pitman, and are the only weight to be supported. The saws and cross-heads being very light, the speed of the saws is considerably increased. The new system operates well, and wood can never be more properly sawn, and in larger quantities. With the use of this improvement, mill proprietors and lumber dealers can realize profits much larger than with the use of any other operating system.

Lumber merchants, saw mill proprietors, founders and business men in general, desirous to obtain the rights and royalty of the patented improvement, should promptly address to Messrs TALBOT & TOUSIGNANT, 29 St Anne street, city of Quebec, advocates, from whom any information can be had, and where an operating model can be seen.

Royalty can be obtained for Canada and the United States, or for districts only.

MORTIMER'S

INFALLIBLE REMEDY

FOR

CHOLERA,

DIARRHŒA, and

BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE, I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."

☞This excellent mixture, which should be in every family, is only
