OVER-EXERTION, either of body or mind, promotes debility and disease. The usual remedy is to take some stimulant, the effect of which is the same as giving a tired horse the whip instead of oats. The true way is to fortify the system with a permanent tonic like the Peruvian Syrup (a protoxide of iron), which gives strength and vigor to the whole system.

"Queen's Birthday was kept in the usual royal style last month, and next month the citizens of the Dominion of Canada will celebrate the birth of their new and rising existence; but recovered invalids still feel that a public holiday would be too short to celebrate all the virtues of that celebrated Indian Medicine, the great SHOSHONEE RESTORER, now on sale by the respectable druggists in your locality.

The Alabama claims were allowed to disturb too long the estimate of the two great Anglo-Saxon communities. The carelessness of one set of statesmen, the indifference of another set, and the cupidity of another class, have combined to keep this *quasi casus* rankling in the great political system, like consumption in the human frame, which spreads so rapidly until checked and expelled by the great SHOSHONEE RESTORER. For sale by all druggists.

SUNSTROKE.—This accidental infliction, called by the French *coup de soleil*, is happened to occur more frequently as the country is cleared, but such indeed is not the case. In the same manner many suppose that crime is on the increase as the country becomes older, but this is also a deep error. The truth is both illustrations prove from the increased facilities for communication, which, like the great SHOSHONEE RESTORER for consumption, foretold in the wake of civilization.

TOM THUMB SCULPSED.—We read there has been a race between the New York showmen to obtain possession of one George Washington Nutt, who is said to be several inches shorter than General Tom Thumb, and that P. T. Barnum has succeeded in getting him for three years for $30,000, board and expenses. Is it not a great thing to be a small man! and is it notequally as great to have a medicine that can be depended upon for curing colds, rheumatism, burns, bruises, summer complaints, cholic, &c.; if so get at once a supply of the "Canadian Pain Destroyer," at the nearest medicine dealer's for 25 cents.

The Supreme Court of the State of New York have issued a perpetual injunction against Eaton and Jenkins for counterfeiting Ayer's Cathartic Pills, holding them responsible for the cruel imposition in want they have done and restraining them from further like injury to the public. If any class of our people more than another needs the interposition of law to shield them from imposture, it is the sick and suffering who are unable to protect themselves. A remedy so universally employed as Ayer's Pills by all classes, both to cure and prevent disease, should as it does, have every security the law can afford it, from counterfeit and imitation.—*Cabinet, Schenectady.*

Coughs and Colds.—Sudden changes of climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. Few are aware of the importance of checking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, having a direct influence on the affected parts. As there are imitations, be sure to obtain the *genuine*. Sold by all dealers in medicines, at 25 cents a box.

EVERYBODY SAYS SO.—That is all who have either used the article themselves or witnessed it effects when used by others; all such, and they are only fit to judge, are unanimous in the opinion that "Darley's Condition Powders and Arabian Heave Remedy" is superior to anything of the kind heretofore or at present in use for coughs, colds, thick wind, and all diseases which affect the wind of horses. As a conditioner alone it has no equal; there is nothing in it which can injure a horse whether sick or well—nor need the horse be kept from working while using it; it is just the article which all who own horses require, and which they should have constantly on hand. Remember the name, and see that the signature of Hurd and Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada.

INFALLIBLE REMEDY

FOR

CHOLERA,

DIARRHŒA, and

BOWEL COMPLAINTS.

The following extract, which Mr. Mortimer is kindly permitted to publish, is from the letter of a relative of Dr. Wolfe, of this city, now residing in the United States:

"Find out if the Express charges are too high, and if not, arrange with Mortimer to let you have a box of the bottles of CHOLERA MIXTURE, I could make a good little fortune with them. The bottle I brought with me here brought two ladies round from decided cholera; one on board the boat, and the other in Berlin, United States. Both commenced with diarrhœa, then with dysentery, and then vomiting. The one at Berlin was very bad. I gave her three doses of the Cholera Mixture, the third of which stopped the vomiting. The next day she was all right, or nearly so. She was very grateful. I have now only a little left."
