Champ. School Fair

The Grey County Championship Fair, held at Durham on Saturday, is proclaimed the best Champsionship School Fair in Ontario. Fully 4,000 people witnessed the parade of the 20 schools which competed for the prizes, through their abilities in drills, songs and yells. U.S.S. No. 6, Sullivan, took first prize in the parade, but Springhill School, champion of the Artemsia School Fair, was not in the first six prize winners, although all the schools did exceptionally well and deserved placing.

Joe Gibson of the Flesherton Public School took second prize in the boys' public speaking contest and Merle Buckingham of Osprey received 4th place in the girls' public speaking.

Previous to the announcement of the parade winners Mrs. T. S. Cooper presented Miss Shirley Semple, U.S.S. No. 2, Holland and Euphrasia, the gold watch which Agri.-Representative is giving to the girl winning the greatest number of points at the Township School Fairs. Another watch was to have been given to the boy winning the greatest number of points, but owing to the insufficient time to figure these out the winning boy could not be decided. Miss Dorothy Halbert, S. S. No. 11, Artemesia, was winner in the girls' singing contest, nineteen being entered.

Walkerton will tax the gasoline pumps placed on the street. Wow! Here's a chance for Flesherton to make a little money. We never thought of the way we let money making opportunities pass us without recognizing them. Thirty pumps at $5 each would make enough to buy a lot of gravel at 15 cents per load.
