THE REWARD
OF YEARS OF TOIL

If you contemplate an auction sale the closing out of your years of effort in building up a complete farm equipment, the Standard Bank is splendidly equipped to cater to your financial needs. Our local manager and his staff will gladly make all arrangements for the collection and discounting of all sale notes and for furnishing an extension of credit where necessary. A successful sale is entirely dependent upon sound financial arrangements.

Local and Persoanl

Mr. and Mrs. Burt Field spent Sunday with relatives here.

Mr. and Mrs. W. J. Russell of Dundalk were visitors with Mr. and Mrs. H. Freeman on Wednesday last.

A large number attended the Free Show held in the town hall on Monday and Tuesday night of this week

Mr. Chas. Thompson has returned home, after spending the past two months in the harvest fields of the west.

A very successful shooting match was held at Mr. Cecil Meldrum's on the Fourth Line, on Monday of this week.

Mr. and Mrs. A. Owens, daughter, and two nieces, and Miss Bessie Goff of Chatsworth, spent Sunday with Mr. and Mrs. F. H. W. Hickling.

Mr. G. A. McTavish, W. H. Thurston and F. J. Thurston enjoyed a fishing trip to Lions Head, on the Bruce Peninsula, on Saturday.

Mr. C. J. Crossley has rented his new residence to Mr. Fred Pinder and expects to leave wihth his family for Toronto in a couple of weeks.

The new Markdale skating rink is expected to be finished this week and ready for ice surface when the cold weather arrives.

The L. O. B. A. will hold their regular meeting on Friday evening of this week in Clayton's Hall at 8 p.m. All members are requested to be present as election of officers will take place.

The Family Herald and Weekly Star of Montreal with its wonderful improvements is recognized as the greatest money maker for farmers in Canada, while its magazine section is a gem unmarveled.

The supposed wolf, which attracted and destroyed two calves in the O. D. R. district, is now thought to have been a German Police Dog, which has been seen loitering in the vicinity.

On Saturday, Mr. H. Freeman, dairyman, presented each of his customers with a couple of turnips, we presume as a thanksgiving gift appropiate to this season. They were certainly appreciated by the recipients.

More reading matter in a week than any other Canadian farm paper in a month—the Family Herald and Weekly Star, Montreal. Only a dollar a year, or three years' for $2, now making wonderful improvdments.

Mr. and Mrs. W. A. Stewart of Fort William are spending the week with relatives here. Mr. Stewart is a conductor on the C. P. R., from Fort William to Ignace, an old Flesherton boy and one of its finest graduates. It was good to meet him once more.

Last week we were very pleased to have a call from Mr. W. A .MacLaren of Montreal editor of "The Blue Bell," which is the official organ of the Bell Telephone Co. The Blue Bell is a very newsy magazine and gives the Bell Telephone news from coast to coast.

DeputyReeve Herb Corbett attended an executive meeting of the O.E.A. in Guelph last week, and was also present by invitation at the reception to Lord Willingdon, at which Premier Ferguson and Hon. John S. Martin were present. Mr. Corbett is President of the rural section of the O. E. A.

The Night of Fun

The young people of town had some real fun Hallowe'en night by parading the streets in disguise, visiting the stores and houses and requesting them to "shell out." After the first part of the evening program the older boys took their tun in the festivities and the usual "morning after" sight was soon put in their places to block the streets. The next day we heard "kids of other days give their recollections of other days when they were young. It was apparent that they enjoyed the litter on the corner as much as the youngsters who put them there.

The anniversary services of St. Columba United Church, Priceville, will be held on November 11th at 11 a.m. and 7.30 p.m. Rev. J. L. McInnis of Division Street United Church, Owen Sound will occupy the pulpit at both servies. On Monday evening following a fowl supper will be held in the basement, followed by a mixed program.

Council Authorizes More Light on Corner

The Village Council met on Monday night and passed a large number of accounts for work done on the streets, etc., and general business transacted. The accounts passed were as follows: H. Howard, work on streets and in gravel pit, $35; Mr. Alder for Dept. of Highways, for calcium chloride, $74.70; Edward Ottewell, work in gravel pit $11.10; C. Merriot do., $11.10; J. Colgan, do. $11.10; Wilfred Lever, do., $9.60; Mark Wilson, team work, $36.80; B. Welton, team work, $20.30; H. Freeman, team work, $5.50; Chas. Stewart, team work $19.25; R. Fisher, cleaning out town hall $2; W. Inkster, for gravel $10; Heintzman & Co., cover for piano, $5; Geo. Myers work in park $1.

Moved by G. B. Welton, seconded by O. W. Phillips, that a grant of $25 be given to the East Grey Agricultural Society. —Carr.

Moved by G. B. Welton, seconded by H. Freeman, that a swinging lamp as recommended by T. C. James be purchased and erected over the centre of the street at the highway conjunction corner. —Carr.

Hydro Towns May Be Asked To Conserve Power

Secretaries of the local Hydro Commissions have received a letter from headquarters in Toronto, stating that a curtailment in the part of municipalities in the Georgian Bay system may be necessary during the last few months of the current year. This is due to the demand for electrical energy beyond the capacity of the generating plants on the Georgian Bay system and also to the fact that the additional generating plant now under construction cannot be replaced in operation before the summer of 1929.

To relieve the situation, and improve conditions as much as possible, the Commission has made arrangements to secure temporarily from the existing steam plants in the district approximately 2,000 horsepower, sufficient to meet all the demands for power this fall.

The actual period of greatest demand on the generating occurs between about 10.30 to 11.30 a.m. and from 4.30 to 6.30 p.m., and where other sources of power, such as steam for gas auxiliaries, are available, to cease using electric power during the above hours if requested to do so.

All municipalities will also be expected to discontinue the use of street lighting completely from 4.30 to 6.30 when notified accordingly.

Fowl Supper

The third annual fowl supper of the O.B.A. and L.O.L. of Flesherton was held in the new town hall on Monday evening, and a large number enjoyed the excellent supper prepared by the ladies. Quite a number of speeches were given in proposing and in reply to the various toast, while Rev. Sullivan and Rev. Cory of Priceville also gave fine addresses. Mrs. J. Perkins and Mr. J. Bloedow gave fine solos, while Mr. Jack Perkins rendered an excellent cornet solo. Mrs. H. Down gave a reading and a real enjoyable evening was brought to a close.

CORBETTON WON THE DR. SPROULE TROPHY

At the annual Orange Degree Competition held in the Town Hall, here, on Friday night of last week, the Corbetton Lodge was successful in taking possession of the Dr. Sproule Memorial Cup from Orange Valley, the holders of the cup for the last two years.

Great enthusiasm was evidenced this year over the annual event, there being about 80 members of the Order present, the largest number that has witnessed this event for some time.

There were only the two teams entered and both did wonderfully well, the judges giving their decision by a small margin of points to the winners. After the competition was over and general business dispensed with, all members adjourned to the basement, where a bountiful supper was given. Toasts were given to the King and to the Order and after several principal speakers were heard the successful night closed with the National Anthem.

Another way to improve your mileage is to watch the indicator while the man is filling your tank.

VISITOR AT A.F.&A.M.

Mr. W. E Hopkings, principal of the John Fisher school, Toronto, was the guest of Mr. W. E. Morgan of Eugenia one day last week. Mr. Hopkins is a Past D.D.G.M. and attended the last meeting of Prince Arthur Lodge, A.F.&A.M., and gave an splendid address.

The presence of adenoids usually causes what is apparently a chronic cold in the head, with a great deal of discharge from the nose. These symptons, with snuffles, occur during the winter season. Cough is frequently associated with the condition.
