ROD AND GUN

In view of the increasing interest in the farming of muskrats an article in the December issue of Rod and Gun and Canadian Silver Fox News on a new muskrat venture on a large scale is of special note. In addition to this, the largest issue of national sporting magazine carries its customary acceptable collection of hunting, fishing and outdoor yarns by well known authors.

Among the contents are a narrative of moose hunting by N. H. Roberts, a prominent shooting expert and one on fish hatchery work by Jack Doyle, and many other timely articles on deer and duck hunting, trapping, angling, guns and amunition, dogs, and the silver fox industry by thoroughly capable writers.

Rod and Gun and Canadian Silver Fox News is pubished by W. J. Taylor Limited, Woodstock, Ont.

CLEAN THE PLATES

Highway Traffic Officer J. S. Culp states that there are many motorists using the highway just now who are not taking the precaution before they start out for a trip to see that their license plates are clean. He realizes that with so much rain of late it is difficult to keep them clean, but they can at least make an effort. His instructions are to see that the law is obeyed in this regard, as these markers are the only means of identification of a car in case of an accident. Summonses will be issued without warning in all cases where Highway Traffic Officer thinks there has been neglect. Officer Culp also states that there are a great many horse-drawn vehicles on the roads after night-fall which do not carry lights. There is positively no excuse for this, says the officer, and prosecutions will be made in every case detected.

IN MEMORIAM

In loving memory of our dear husband and father, Andrew Wilson, who passed away, November 12, 1925.

Peacefully let Thy rest, dear husband,
It is sweet to breathe thy name;
In life we loved you dearly,
In death we do the same.

LIGHTS FOR PEDESTRIANS

The inquest into the death of Jas. Carson, who was struck by a motor car driven by V. G. H. Phillips, on Provincial Highway No. 10, near Melancthon, took place at Shelburne on Thursday night. The jury was unanimous in bringing in the following verdict: After considering all the evidence we are unanimous in saying that we cannot find any evidence of carelessness on the part of Mr. Phillips and that the accident was unavoidable under the circumstances. The jury made a recommendation that pedestrians on the highway be compelled to carry lights for their own protection.

NO REDUCTION IN AUTO LICENSES

Premier Ferguson stated definitely Tuesday night that there would be no general reduction this year in the price of motor licenses. During the next fiscal year, the government will, he said spend $18,000,000 on roads, and the most it can expect from all sources of revenue pertaining to highways, including the 2-cent increase in gas tax, is $16,00-000.

"An apple a day" will no likely prove to be very cheap medicine this year.
