The supreme Court of the State of New York have issued a perpetual injunction against Eaton and Jenkins for counterfeiting Ayer's Cathartic Pills, holding them responsible for the cruel imposition in what they have done and restraining them from further this injury to the public. If any class of our people more than another needs the interposition of law to shield them from imposture, it is the sick and suffering who are unable to protect themselves. A remedy so universally employed as Ayer's Pills by all classes, both to cure and prevent disease, should at least have every security the law can afford it, from counterfeit and imitation.—*Cultivator, Albany.*

Coughs and Colds—Sudden changes of climate are sources of Pulmonary Bronchial and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should at once be had to "Brown's Bronchial Troches," or Lozenges. These are known by all the importunities of shocking a cough, or "common cold," in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the lungs. "Brown's Bronchial Troches," or Cough Lozenges, allay irritation which induces coughing, lend a sweet influence on the affected parts. As there are imitations, be sure to obtain the *genuine*. Sold by all dealers in medicines, at 25 cents a box.

"Queen's Birthday was kept in the usual loyal style last month, and next month the citizens of the Dominion of Canada will celebrate the birth of their new and rising existence. Not recovered invalids still feel that a public holiday would be too short to celebrate all the virtues of that celebrated Indian Medicine, the great SHOSHONEE REMEDY, now on sale by the respectable druggists in your locality.

I strongly recommend the use of Fellows' Compound Syrup of Hypophosphites to all who suffer in any way from disease or weakness of the Lungs, Bronchial Tubes, or general debility.

J. H. W. SCOTT, M.D.,
Gagetown, N.B.

EXTRACTS.—Fellows' Compound Syrup of Hypophosphites ranks foremost amongst the remedies used in incipient Phthisis, Chronic Bronchitis, and other affections of the Chest, and I have no hesitation in stating it.

S. T. BARLE, M.D.

St. John, N.B.

BUNIONS.—This accidental infliction, called by the French *coup de soleil*, is supposed to occur more frequently as the country is cleared but such indeed is not the case. In the same manner many suppose that crime is on the increase as the country becomes older, but this is also deception. The truth is both illusions spring from the increased facilities for communication, which, like the great SHOSHONEE REMEDY for consumption, unveil in the wake of civilization

The Poor Man's Friend.—Doctor's bills are too long for a poor man's pocket, but many of them may be avoided by keeping DRAKE'S SALVE in the cupboard. It is the "precious pot of ointment," curing burns, cuts, scalds, sprains, wounds, chilblains, chapped hands, &c. Prudent housewives will save their husbands' hard-earned money by purchasing a box of this salve.

ARE you a sufferer from Neuralgia, rheumatism or any of any description? Dr. J. Briggs' Alleviator will soothe away your Neuralgia, cure your Rheumatism, and banish your pain. Sold by druggists.

FELLOWS' COMPOUND SYRUP OF HYPOPHOSPHITES—I am happy to say I have not had a single cold or bronchitis, from which I suffered many years, since taking your Compound Syrup of Hypophosphites.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this *Sarsaparilla* is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of the *SARSAPARILLA*: *St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears*, and other eruptions or visible forms of *Scrofulous* disease. Also in the more concealed forms, as *Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia*, and the various *Uterine* affections of the muscular and nervous systems.

Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required for subduing those obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. *Leucorrhœa* or *Whites, Uterine Ulcerations*, and *Female Diseases*, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also *Liver Complaints, Torpidity, Congestion* or *Inflammation* of the *Liver*, and *Jaundice*, when arising, as they often do, from the presence of poison in the blood. This *SARSAPARILLA* is a great restorer for the strength and vigor of the system. Those who are *Languid* and *Listless, Dyspeptic, Sleepless*, and troubled with *Nervous Apprehensions* or *Fears*, or any of the affections symptomatic of *Weakness*, will find immediate relief and convincing evidence of its restorative power upon trial.

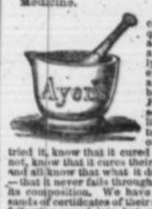
Ayer's Cathartic Pills,

For all the purposes of a LAXATIVE Medicine.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their mildness and agreeable properties render them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion, Listlessness, Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice** or **Green Sickness, Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect of the digestive apparatus.

Messrs. CHAMBERLAIN & SILLS, Conway P O County of Lennox, Ontario, Canada:

MADOC, County of Hastings, Province of Ontario, Feb. 9th, 1869.

This is to certify that during the winter of 1866 I was taken with a weakness of the ancles, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, which this weakness was coming on me, and afterwards, I sough medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Shoshonees Remedy by reading the cures performed in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the Shoshonees Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one affirming as I was, I have only to say try the Shoshonees Remedy; I believe it will cure you.

MARY ANN DOUGHTY

Sworn to before me at Madoc, County of Hastings, his ninth day of February, 1869.

A F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years; she is a woman of probity and truth. I have known her before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hopeless; and I know that she has, since her recovery, always attributed her recovery to the Shoshonees Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.
