Abundant Hot Water The Year Around

Why forego the luxury of continuous hot water when, under this convenient and economical plan, you can get piping hot water—abundant and reliable? It costs nothing to install. You yourself control the amount you use and its cost. And you have the further advantage of using gas—the cheapest, quickest fuel in existence.

A MODERN GAS RANGE FOR THE MODERN HOME

A fully automatic range, beautiful in appearance, equipped with every latest device for superior, time-saving operation. Place it in your kitchen. Pay for it as you use it—on most generous ownership terms.

Ask us for particulars of these two services—A boon to every housewife and householder.

**LIBERAL TRADE-IN
ALLOWANCE ON YOUR
OLD EQUIPMENT**

BETTER COOKING FEATURES:

1. Ignites the moment you turn on the gas.
2. Insulated oven prevents heat loss.
3. Oven heat control eliminates guess-work.
4. The whole broiler slides out for your convenience.
5. Cooks in one-third the time.
6. Beautiful, modern design. Easy to keep clean.

PREFACE

The publishers desire to draw the attention of their patrons and others to the fact, that this is the initial effort in compiling and printing the Chatham City Directory by the publishers and from their experience gathered and staff organized can promise a great improvement in subsequent editions.

A City Directory embracing both business, social, streeting and detail of domiciled citizens is necessarily a very arduous and painstaking compilation and we feel sure our subscribers will share with us the satisfaction that it has been accomplished successfully with home labor entirely. We ask your indulgence in the matter of any omissions or errors in this edition and can promise a much better effort in the future.
