Go MODERN... Go ALL ELECTRIC FOR...

COOKING - LAUNDRY - REFRIGERATION

Modern Home-makers use electricity for cooking. It's cleanliness. . . speed, safety and economy appeal to the most exacting housewives.

Electricity has made washdays so easy. Washing, drying and ironing are done hours faster and with less fatigue.

Smartly designed electric refrigerators and deep freezers have added dollars to the household budget with their quiet, efficient performance.

Yes. . . it's so true. Electricity makes living so much more enjoyable with its host of servants. For where can you find such versatility. . . such dependability. . . such work saving.

AND FOR SERVICE—

experienced, dependable serviceman to keep all your electrical servants operating at their peak efficiency.

A phone call will bring to you an experienced, dependable serviceman to keep all your electrical servants operating at their peak efficiency.
