Fisherman Wrecked

Peter was a deep sea fisherman from one of the Maritime Provinces who came to Ontario, married and made his home here. Went in for commercial fishing, but he says the winter work here is even more trying than among the fogs and ice floes of his old fishing grounds. Of course, he was working harder because there were now two people dependent on him. Anyway, he caught a severe cold which brought on pleurisy, and because he is a sturdy-willed Canadian lad he wouldn't give up, but fought on, at home, for over a year. No use! The doctor finally gave him up and said he would have to take hospital treatment—his only chance.

So here Peter is, in the Muskoka Hospital for Consumptives, where doctors and nurses of skill and experience are trying to lead him back to the ways of health and usefulness again. A long road, but better this than the fate that used almost inevitably to overtake the consumptive poor. Would you not like to help in this great work? A subscription would mark your interest.

Such may be sent to Hon. W. A. Charlton or A. E. Ames, 223 College Street, Toronto 2, Ontario.

PRICEVILLE

We wish the Editor, staff and readers a Merry Christmas and a Happy New Year.

BORN — To Mr. and Mrs. Henry Tucker on Sunday, December 16th, a daughter. Congratulations

Mr. and Mrs. John Burgess of Durham were week end visitors at Mr. Angus McLachlan's.

There were a number from here at Flesherton on Saturday to see Santa Claus. There was a large awaiting his arrival.

This is going to be a busy week taking in the concert. Tuesday night is the O.D.R. concert; Wednesday Top Cliff; Thursday in the United Church and Friday in the McKinnon hall.

There is considerable sicknesss around. Mrs. McLachlan has been absent from school for three weeks, owing to ill health. School will not be held again until after Christmas.

Mr. Peter Johnston has resigned as teacher here and a new one has been engaged in the person of Mr. Cook of Acton.

Mr. Dan Campbell returned home, after spending seven or eight weeks taking treatment in Toronto and feels much improved in health.

The Guild had a very successful social on Wednesday, when about 60 were present. The program consisted of music by Messrs. Colin McLean, Wm. McMillan on Violins, Bradey Irwin on guitar, accompanied by Mrs. Jack McMeekin on the piano They responded graciously to an encore Readings by Stewart and Jack Carson Margaret McDougall, and Susie McDonald. A debate was given by Misses Sadie Carson and Margaret Nichol; instrumentals by Miss Gladys Hincks; quartette by Miss Jean McLean, Mrs. A. L. Hincks, Bradey Irwin and Murray Nichol; recitations by Marie McLachlan; solo by Mrs. A. L. Hincks; violin solo by Angus McLachlan, accompanied by Colin McLean on the piano; violin selection by Archie McCuaig, accompanied by Mrs. J. McMeekin on the piano. A contest was then enjoyed. Numbers were passed around and each secured their partner for supper. An enjoyable evening was spent by all.

Mr. Andrew Milne of Elmwood is visiting his son, the Doctor, here.

It is with sorrow and regret that we report the death of Mr. Archie Ferguson at the age of almost 80 years, from an attack of pneumonia. His end was peace and was conscious to the last. He always gave a kindly grasp of his hand whenever he met you. He leaves to mourn his son, John, on the homestead, Mrs. Colin McLean, Mrs. Fred Runciman of Toronto,, also Miss Mollie of Toronto and Sara at home, besides many other relatives to mourn his loss. The sympathy of the entire community goes out to the sorrowing ones.

Mr. nad Mrs. Art Richardson of Swinton Park visited Thursday at Mr. Alex. Carson's.

CONCERT AT ROCK MILLS

If you want a real treat come to the Christmas Concert, to be given by the pupils in the school house on Thursday, December 20 at 8 p.m. Drills, dialogues, songs, recitations, acrostics and pantomines and a one act play, entitled "The Five Fifteen" Music will be supplied by the Rock Mills Harmonica Band. Admission Adults 25cts. and children 10cts.

A German scientist tells the world that food can be made from wood. That was discovered long ago in this country by the breakfast food manufacturers.

Santa Clause Made His Visit to Town

Santa Claus came in his splendour on Saturday afternoon, conquered the hearts of many children who never saw him before and left in a couple of hours after his arrival, for distant fields. He was late in his arrival so Mr. Geo. Brackenbury motored east of the town with his big truck and met Santa, rushing him into town with his sleigh and reindeer seated thereon. He arrived midst the cheers of hundreds of children, who were glad to see him once again, waving his hands as greetings. He at once set to work distributing candies and nuts to over seven hundred and fifty kiddies, and was assisted in this work by several of the citizens of town. Santa held court at the side of Mr. A.Down's residence and had a pleasing word of greeting to each of his little friends as they secured their candies and walked past him. In some of the bags of candy there was a piece of paper denoting that the recipient was entitled to a special prize, and over 140 of these were given out. Santa was hoping that none of the boys or girls failed to receive their bag of candy as the supply ran out a couple of times and more had to be secured.

One of the largest crowds to attend an event of this kind in town was present and we are sure that everyone enjoyed themselves for the fun they would get themselves and the joy of seeing the little folks happy.

In Down's garage Mr. T. W. Findlay had his cat show and the entries for the fowl exhibit and the doll dressing contest, but he is unable to supply us with the names of the winners in three sections. Over eighty cats were in the cat show and there were some lovely felines on exhibition.

There were quite a number of entries in the dog aces, but a number of the dogs did not finish on account of the large crowd watching, but in the race for boys or girls under 12 Leona Patton won first and Stanley Magee secured second prize; The race for those over 12 years was won by Robt. Dargavel with Eddie Patton second, and in the race for dog teams Stanley Magee took first prize.

Mr. Seldon Myers deserves great credit for his work in making the Santa Claus day a success, as he gave liberally of his time in collecting donations and in decorating the town for Santa's arrival. The other members of the committee who also assisted were T. W. Findlay, W. G. Kennedy and Jas. Stewart.

1928 Christmas Seals

The 1928 Christmas Seals, in aid of the Muskoka and Toronto Hospitals for Consumptives, have just been issued. These handsome Seals, bearing the double-barred Red Cross carry a message of hope to those who are afflicted with consumption. Every dollar received through their sale is used for the maintenance of patients.

The National Sanitarium Association is in need of funds to carry on the work of its hospitals in Muskoka and at Weston. Why not buy these Seals in lieu of others? Not only will you get good value in return, but your money will serve a greater end —for it will go to help someone in distress.

Look for the double-barred Red Cross on every packet. None others are genuine.

For sale by school children and banks, or direct from the Xmas Seal Department, Gage Institute, Toronto 2, Ontario.
