LEA & PERRINS' CELEBRATED WORCESTERSHIRE SAUCE,

Declared by Connoisseurs TO BE THE ONLY GOOD SAUCE.

Trask's Magnetic Ointment in my practice a number of years, and can say with pleasure I deem it one of the greatest discoveries of the age; for the cure of Inflammation of the Lungs, Inflammation of the Bowels, Inflammatory Rheumatism, and in Child-bed Fever, it operates with perfect success. In cases of Burns, Bruises, Frozen Limbs, it acts like a charm.

Dr. J. P. KENNEDY, of Chittenango, New York, says: "It has stood the test trial, and has not been found wanting. Its astonishing cures of Inflammation of the Lungs and Croup and the wonderful success in subduing the torturing pains of Rheumatism, and relieving Nervous Affections, entitle it to a high rank the list of remedies for these complaints."

Dr. A. W. BELDEN, of Knowlesville, New York, says: "I have used it in several cases of Special Irritation and for the worst cases of Piles, and sundry other complaints, and find it a superiors article, and well worthy the notice of all."

Purchasers should be sure and ask for Dr. B. Trask's Magnetic Ointment, and see that the words "A. TRASK'S MAGNETIC OINTMENT" are on the wrapper.

It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cents everywhere. Be sure to call for "MRS. WINSLOW'S SOOTHING SYRUP." Having the fac-simile of "Curtis & Perkins" on the outside wrapper. All others are base imitations.

GUYOT'S TAR, CONCENTRATED PROOF LIQUEUR.

M Guyot has succeeded in depriving tar of its insupportable sourness and bitterness, and in rendering it very soluble. Profiting by this happy discovery, he prepares a concentrated liqueur of tar, which in a small volume contains a large proportion of active principles.

Guyot's tar possesses all the advantages of ordinary tar water without any of its drawbacks. A glass of excellent tar water without any disagreeable taste may be instantaneously obtained by pouring a teaspoonful into a glass of water. Any one can thus prepare his glass of tar water at the moment he requires it, thus economizing time, facilitating carriage, and obviating the disagreeable necessity of handling tar.

Guyot's tar replaces advantageously several more or less inactive ptisans in the treatment of colds, bronchitis, coughs and catarrhs.

Guyot's tar is employed with the greatest success in the following diseases:

As a DRINK—A teaspoonful in a glass of water, or two table-spoonfuls in a bottle:

BRONCHITIS
CATARRH OF THE BLADDER
COLDS
OBSTINATE COUGHS
IRRITATION OF THE CHEST
HOOPING COUGH
DISEASES OF THE THROAT
PULMONARY CONSUMPTION

As a LOTION—Pure or diluted with a little water

AFFECTIONS OF THE SKIN
ITCHINGS
DISEASES OF THE SCALP.

Guyot's tar has been tried with the greatest success in the principal hospitals of France, Belgium and Spain. Experience has proved it to be the most hygienic drink in hot weather and in time of epidemics. Detailed instructions accompany each bottle.

ALF LABARRAQUE & CO.

QUINIUM LABARRAQUE,

Approved by Imperial Academy of Medicine.

The QUINIUM LABARRAQUE is an eminently tonic and invigorating wine, destined to replace all the other preparations of Peruvian bark.

The bark wines usually employed in medicine are prepared from barks which vary considerably in the degree to which they possess the desired properties. Besides, owing to the manner in which they are prepared, these wines contain scarcely more than the traces of active principles and these always in variable proportions.

The QUINIUM LABARRAQUE, approved by the Academy of Medicine, constitutes, on the contrary, a medicine of determined composition, rich in active principles, and on which the physicians and patients can always rely.

The QUINIUM LABARRAQUE is prescribed with great success for persons of weak constitution, or for those debilitated by various exhausting causes or past sickness; for youths fatigued by too rapid growth; for young girls whose development takes place with difficulty; for women in child birth; and for aged persons enfeebled by years or illness. It is the best preservative against fevers.

In cases of chlorosis, anemia, or greensickness, this wine is a powerful auxiliary of the ferruginous preparations. In conjunction, for example, with VALLET'S PILLS, the rapidity of its action is really marvellous.

CANADA LIFE ASSURANCE COMPANY.

The only Canadian Life Company authorized by Government for the Dominion.

Its Rates are lower than those of British or American Offices.

The fact that the Canada has a larger amount of Investments and of Assurance business in the Dominion than any of the British or American Companies, sufficiently attests the preference of the public of Canada for a well conducted Canadian Institution, and its rapid progress is satisfactory evidence of the popularity of its principles and practice.

ANNUAL CIRCULAR.

Office and Salesroom, Rideau Street, No. 1, East End, Sappers' Bridge.

OTTAWA, MARCH 1st 1870.

The subscriber in issuing his eighth ANNUAL CIRCULAR, would remind his friends, to whom he returns thanks for past favours, that he continues to give his personal attendance to the sale of every description of goods and property confided to his management.

His tenghened experience in the management and proper system of selling Household furniture at private residences, together with all the details of arrangement, expeditious delivery, &c., would lead him again to solicit further sales in this line from those contemplating the disposal of furniture, by auction, he would be glad to have an early intimation in order that satisfactory arrangements may be completed for the approaching Spring sale, it is desirable to select an early day.

Account sales have been promptly rendered and statements made out in a concise business-like manner, always accompanied with the proceeds in cash.

To Executors and Administrators of Estate, Official and other Assignees, and public corporation, this mode of selling property forms a speedy, legitimate and efficient way of closing Estates Legacies, &c., and removes a vast amount of responsibility.

Sales of groceries, hardware, crockery and general merchandise confided to his management will receive every attention. He need not remind his friends of his capability of conducting such sales satisfactorily.

The proper advertising and necessary precaution adopted by him in rendering underwriters' sales of damaged goods and produce sold for account of whom it may concern, or for a breach of contract should be borne in mind by merchants shippers and consignees, more especially as certain legal forms are necessary in such cases.

Appraisals and valuations made

Again soliciting your business favors, the undersigned ventures to hope that an active experience of years is some guarantee that he may be reasonably expected to carry out what he promises.

To Messrs. CHAMBERLAIN & SILLS, Conway P O County of Lennox, Ontario, Canada:

Province of Ontario, Feb. 9th, 1869.

This is to certify that during the winter of 1866 I was taken with a weakness of the ancles, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I became so weak that I could not walk, but was confined to my chair. For about two years, while this weakness was coming on me, and afterwards, I sought medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Shoshonees Remedy by reading the cures performed in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless. I have taken two bottles of the Shoshonees Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, I have only to say try the Shoshonees Remedy; I believe it will cure you.

MARY ANN DOUGHTY

Sworn to before me at Madoc, County of Hastings, this ninth day of February, 1869.

A F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years; she is a woman of probity and truth. I have known her before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hope, less; and I know that she has, since her recovery, always attributed her recovery to the Shoshonees Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.

A F WOOD, J P,

Warden of the County of Hastings, Province of Ontario, Dominion of Canada.
