Two Local Residents Passed Away Sunday

Death entered two local homes on Sunday and cast a gloom over the Christmas festivities. Mrs. Jos. G. Myers passed away at her home here after a long illness from which she was bedfast for the past seven years or so. Mrs. Myers was formerly Nancy Ann Hanley, and had reached the age of 78 years and 6 months.

After an illness extending over several months Mrs. Alfred Harrison passed away at her home on the Toronto Line South, at the age of 72 years. The late Mrs. Harrison's maiden name was Isabel Stewart.

Next week we will give a more extended report on the life of these two highly rspected residents of our community, and much sympathy is expressed to the bereaved ones.

The Money Strayed

The old slogan "Send by money order, it is safer," was demonstrated in town not long ago, prior to the Christmas season. A certain young man either did not want to spend the money in buying a money order, or else someone might know what he was sending for. Anyway, away goes his money along with his permit in an envelope to a liquor store in loads of time for Christmas. But much to his disappointment it never reached its destination and he says it was a pretty dry and costly Christmas for him.

So far— and yet so near!

"I must call John by Long Distance and let him know I got here all right. Then neither of us will be worrying. It's wonderful to be able to visit you like this, and yet keep as close touch with home as if I were there. What must it have been like in the old days, before Long Distance made it possible?"

"I'll place the call for you while you are taking off your wraps."

"That will be fine. Just ask for our number, 124, so I'll get the cheaper Station-to-Station rate. In a couple of days I'll call up again, in the evening, so I can have a few words with the children, too. The Evening Rate after 8.30 is really very low."
