THE SCOTTISH PROVINCIAL ASSURANCE COMPANY.

CAPITAL:—ONE MILLION STERLING.

INVESTED IN CANADA.....$300,000

Canada Head Office:—Montreal.

A DAVIDSON PARKER, Manager.

BENEFIT OF LIFE ASSURANCE.

In illustration of the benefits which have accrued to Participating Policies of Life Assurance the following examples may be quoted, taken from the Books of the Canadian Branch of THE SCOTTISH PROVINCIAL ASSURANCE COMPANY:—

Policy, 5313, effected October, 1861, for £1000. Additions amounted in 1867 to £82 10s. Total outlay by assured, £67: the Bonus thus amounting to seventy-five per cent. of premiums paid.

Referring to same policy—should it become a claim during current year 1871, the Bonus Additions will amount to £142 10s Sterling, exceeding the Total Amount of premiums paid at the date of last Division in 1867. This is accounted for by the INTERMEDIATE BONUS allowed by the "SCOTTISH PROVINCIAL."

Policy 4236. Bonus Additions, £81 17s 6d., or nearly seventy per cent. of £91 2s. and 9d., the amount of premiums paid.

These Benefits must be evident to all. It may be asked whether, in the event of the Assured giving up the Policy, all such benefits would be lost? In reply, attention is directed to the following

REGULATION AS TO SURRENDER OF POLICIES.

For surrender of Policies for the term of life, effected at uniform premiums, and which have been three years in force, a return of 40 per cent. on the amount of ordinary premiums received, will, at any time, be allowed, besides the value of vested Bonuses, where such have been declared. An objection, often urged against Life Assurance, that there is no certainty of value being obtained, in the event of surrender, is thus completely convinced.

Thus: Should Policy above referred to (No. 5313) be surrendered now (1870) the sum of over $685 will be paid to policy holder.

Loans granted under Policies when surrender value is of not less amount than One Hundred Dollars.

To Messrs. CHAMBERLAIN & SILLS, Conway P O County of Lennox, Ontario, Canada:

MADOC, County of Hastings, Province of Ontario, Feb. 9th 1869

This is to certify that during the winter of 1868 I was taken with a weakness of the ancles, which gradually, during the spring of 1867, extended to my knees, and on up to my hips, and I been so weak that I could not walk, but was connned to my chair. For about two years, while this weakness was coming on me, and afterwards, I sough medical advice, employing, at different times three doctors, and medicines of different kinds prescribed by freends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great shoshonees Remedy by reading the cures performed in a pamphlet. At this time I had begun to feel the weakness in my hands; in fact I was getting almost helpless I have taken two bottles of the Shoshonees Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, I have only to say try the Shoshonees Remedy; I believe it will cure you.

MARY ANN DOUGHTY

Sworn to before me at Madoc, County of Hastings this ninth day of February, 1869.

A F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years; she is a woman of probity and truth. I have known her before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hope, less; and I know that she has, since her recovery, always attributed her recovery to the Shoshonees Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.

ARRIVED AT LAST!

This elegant Turkish TONIC is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretentions to patronage on the following grounds:—

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the Stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and a most efficient but innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken BEFORE meals.

It promotes digestion if taken AFTER meals.

It neutralizes the propensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually, it imparts vitality and energy to all the bodily organs.

By its use a man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.

It is an especial favourite with Oriental ladies.

Secure, then, health, longevity and vital energy by the habitual use of the

ALEABASAR TURKISH TONIC.

Kept in stock by the principal Druggists and Grocers in the Dominion.
