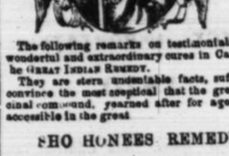
SHOSHONEE REMEDY.

STOP AND SEE!



The following remarks on testimonials of more wonderful and extraordinary cures in Canada by the GREAT INDIAN REMEDY.

They are stern undeniable facts, sufficient to convince the most sceptical that the great medicinal compound, yearned after for ages, is now accessible in the great

SHO HONEES REMEDY.

Where was there ever such a cure as that of Wilson Storms, of Brighton Ont, of Consumption, or that of Peter C V Miller, of Erestown, Ont, of Consumption, or that of Ambrose Wood, of Conneaut, Ont, of Dyspepsia and Liver Complaint, or that of John Hoover, of Napanee, of Rheumatism, who had actually been on crutches for years, but had now recovered the use of his limbs.

Handbook containing unquestionable certificates on the great Shoshonee Remedy and Pills can be obtained at all drug stores.

Price of the Remedy in large pills, $1. 12y

To Messrs. GRAHAM, LAIN & SILLS, Conway Falls, County of Lennox, Ontario, Canada:

Shoshone, County of Hastings, Province of Ontario, Feb 9th, 1869

This is to certify that during the winter of 1868 I was taken with a weakness of the ankles, which gradually, during the spring of 1867, extended to my knees, and on my hips, and I became so weak that I could not walk but was confined to my room. For about two years, while this weakness was coming on me, and afterwards, I sought medical advice, employing at different times three doctors, and medicine of different kinds prescribed by friends, but of no avail. I continued to get worse and worse, until the summer of 1868, when I was induced to try the great Shoshonee Remedy by reading the cures performed in a pamphlet. At this time I had begun to feel the weakness in my hands, in fact I was getting almost helpless. I have taken two bottles of the Shoshonee Remedy and two boxes of the pills and I am entirely restored to health. I never expected to get better, but simply tried the medicine as a sort of forlorn hope. This case of mine was not a private one, but known to all my neighbours and friends; and to any one afflicted as I was, I have only to say try the Shoshonee Remedy; I believe it will cure you.

MARY ANN DOUGHTY

Sworn to before me at Madoc, County of Hastings, his ninth day of February, 1869.

A F WOOD, J P, &c.

I hereby certify that I have known Mrs. Mary Ann Doughty for the last fifteen years; she is a woman of probity and truth. I have known her before, during, and since her illness. I believe her certificate to be true in every particular. I know that while ill her case was declared hopeless; and I know that she has, since her recovery, always attributed her recovery to the Shoshonee Remedy. Whatever may be the peculiar properties of this medicine, one thing is certain, that in her case it has acted almost like the performance of a miracle.

ALkabasar

ARRIVED AT LAST!

This elegant Turkish TONIC is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretentions to patronage on the following grounds:—

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the Stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and a cordial without innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken BEFORE meals.

It promotes digestion if taken AFTER meals.

It tranquilizes the prepensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually it imparts vitality and energy to all the bodily organs.

By its use a man of 70 will become, as it were, restored to the elasticity of 30; and by persons of delicate constitutions it is strongly recommended.

It is an especial favourite with Oriental ladies.

Secure, then, health, longevity and vital energy by the habitual use of the ALKABASAR TURKISH TONIC

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent Remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a protection against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does *Cure*, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or travelling through miasmatic localities, will be protected by taking the *AGUE CURE* daily.

For *Liver Complaints*, arising from the sluggishness of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all round the world.

Sarsaparilla,

PURIFYING THE BLOOD.

The reputation this excellent compound has derived from the many cures of which are truly marvellous, has caused numerous imitations to appear, bearing some resemblance to it in name, hoping to share in the success of the original. But the fact that they are not cured by the first, is the best evidence that they are not the same in character or effect. Scrofulous poison is one of the most destructive enemies of our race. Often, this taint is inherited from parents who unknowingly transmit it with life, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Syphilis or *Venereal* and *Mercurial Diseases* are cured by it, though a long time is required to eradicate these obstinate maladies by any remedy. But long continued use of this medicine will surely root the complaint. *Leucorrhea* or *Whites*, *Ulcerations*, and *Female Diseases*, for which it is commonly seen relieved and ultimately cured by its purifying and invigorating effect. Hence its recommendations for each case are found in our Almanac, supplied gratis. *Rheumatism* and *Gout*, which are caused by accumulations of extraneous matter in the blood, yield quickly to it.
