Proclaim the Glad Tidings

That the GREAT SHOSHONEAN REMEDY AND PILLS of the emin at Indian Medicine Man, Doctor LEWIS JOSEPHUS, of the Great Tribe of Shoshonees, British Columbia, is working the most marvellous and astonishing Cures the World has ever heard of. Never in the annals of Canadian Medical History has such success attended the introduction of any medicine heretofore.

WHY?

simply because the numerous valuable active medicinal vegetable ingredients, (some of which we will mention, such as the Extracts of Wild Cherry Bark, Podophyllum, Juniper, Quassia, Smartweed, Dandelion, Hyoscyamus, Compound Extract of Colocynth, Jalap, Socotrine Aloes, Capsicum, &c., &c.) which enter into the composition of the combined medicine, are such and so harmoniously classified and compounded, that it is made the most searching curative in the known world, and cannot help but act on the system in a very satisfactory and desirable manner. No matter what your ailment may be, or of how long standing, it will find the spot and astonish you by the rapid manner in which you are restored to perfect health and full vigor.

This Medicine is pleasant and safe to take, and is warranted, and may positively be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, ending the Third Stage of Consumption. Further information, with full directions for using the Great Shoshonees Remedy & Pills and containing Testimonials and Certificates of Cures, can be obtained by securing the Treatise, the Hand Book, or the Almanac or Circulars from any respectable Druggist in the Dominion—free.

Cure of Bronchitis.

Smithfield,

J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months, I was so afflicted for the winter that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in bed to keep from strangling. I tried the of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued to get worse all the time. At last I was advised to try the Great Shoshonee Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since.

WONDERFUL CURE OF LUNG DISEASE

BROOKLYN, April 5th, 1870

J C Chamberlain, Esq. This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshonee Remedy. At the application of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.

You may publish the facts for the benefit of those similarly afflicted.

SPECIAL NOTICES.

The proprietors of Johnson's Anodyne Liniment, Parson's Purgative Pills, and Sheridan's Cavalry Condition Powders, have published a readable and instructive pamphlet, which may be had free at the stores.

CORN AND STUMP.—In every branch of cultivation—whether in the field, the orchard, the vineyard or the garden, there must be order and system to insure successful results, and this truth is firmly established by actual experience. Another great truth has also been established by the same means, which is: That as a preventative medicine, or a medicine for the cure of colds, coughs, rheumatism, and summer complaints, the "Canadian Pain Destroyer," is the most reliable. For sale by all druggist and country dealers. Price, 25 cents per bottle.

GREAT CONDITION MEDICINE.—As a condition medicine for horses "Darley's Condition Powders and Arabian Heave Remedy" has no equal. Its effects in this respect are astonishing; many horses that were supposed to be broken down and almost worthless have, by the use of a few packages, been restored to a healthy and sound condition, all traces of the disease having been completely removed, and have been sold for from $50 to $75 more than they would previously have brought; when you want a horse medicine get "Darley's Condition Powders and Arabian Heave Remedy." We know you will be perfectly satisfied with the result. Remember the name, and see that the signature of Hurst & Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

SORE THROAT, COUGH, COLD, and similar troubles, if suffered to progress result in serious Pulmonary, Bronchial, and Asthmatic affections, oftentimes incurable.

BROWN'S BRONCHIAL TROCHES are compounded so as to reach directly the seat of the disease and give almost instant relief.

The Troches are offered with the fullest confidence in their efficacy; they have been thoroughly tested and maintain the good reputation they have justly acquired. For Public Speakers, Singers, Military Officers and those who overtax the voice, they are useful in relieving an Irritated Throat, and will render articulation easy. Being an article of true merit, and having proved their efficacy by a test of many years, each year finds them in new localities in various parts of the world, and the Troches are universally pronounced better than other articles.

Obtain only "Brown's Bronchial Troches," and do not take any of the *Worthless Imitations* that may be offered.

"Troches," so called, sold by the ounce, are a poor imitation and nothing like BROWN'S BRONCHIAL TROCHES which are sold only in boxes with *fac-simile* of the proprietors.

This care in putting up the Troches is important as a security to the purchaser in order to be sure of obtaining the genuine Brown's Bronchial Troches.

TO THE PUBLIC OF CANADA.

OFFICE OF THE JOSEPH HALL MANUFACTURING COMPANY, OSHAWA, ONT., March 8, 1872.

Being desirous of testing the merits of the different water-wheels now offered for sale in Canada, as to their economical use of water, we as the manufacturers of the GENUINE JAMES LEFFEL DOUBLE TURBINE, make the following challenge to the manufacturers of ANY WHEEL now made in Canada, whether it be IMITATION of the JAMES LEFFEL DOUBLE TURBINE or ANY OTHER PATTERN, the wheels in all cases to be wholly manufactured by the competing parties:—

We will place in the hands of any responsible party, six thousand dollars ($6,000), and the party accepting the challenge to do the same, the money to be held subject to the award of the judges. The wheels to be tested in a flour mill, driving the same runs of stone, grinding the same wheat, and having the same number of square inches of opening to receive the water, the amount of water discharged to be the measure of the amount used by each wheel.

The judges to be non-residents of Canada, and to be thoroughly well informed in the mode of testing the power of turbine wheels—each party to choose one judge and the two to choose the third.

The owners of the winning wheel to have their money refunded them, and the loser's money to go towards establishing a mechanical free library in any town in Canada named by the owner of the successful wheel.

The wheels to be tested at ¼, ½, ¾, ⅞ and full gate.

Each party to give good and sufficient bonds, to the amount of $4,000, that the loser shall pay the entire expenses of the test.

There are some wheels that give very good results with full head and full gateage, which entirely fail under partial head and partial gateage. Such wheels in our climate, where water powers are affected by both cold and drouth, are of no practical value.

We claim that we are the only makers of the GENUINE JAMES LEFFEL DOUBLE TURBINE WHEEL in Canada, and that it is without a RIVAL in the WORLD IN PRACTICAL RESULTS.

More than 6,000 of these wheels are now in operation in Canada and the United States. The sale of no other wheel ever yet introduced on this continent exceed one-sixth this number.

Our wheel has been thoroughly tested in GREAT BRITAIN, and has fully maintained the reputation it has gained in Canada and the United States, as the most economical water-wheel in practical operation ever yet introduced.

We are now publishing a new descriptive water-wheel pamphlet, containing 100 pages of valuable matter, which will be sent free to all applicants.

For further information address,

F. W. GLEN, Oshawa, Ont.

N. B.—We desire to call attention to the following certificate:—

SPRINGFIELD, Ohio, Dec. 25, 1868.

We take pleasure in informing the public of Canada, that we have sold and furnished Mr. F. W. GLEN, of Oshawa, Ont., patterns, Pointers, Drawings, Gauges and all other necessary information to build our celebrated Double Turbine Water wheel, invented by James Leffel, and known as the "Leffel Wheel." We have also obligated ourselves to furnish the same facilities for manufacturing to no other parties in Canada. Without the information we have given to Mr. GLEN, no one can successfully build our wheels, and we advise parties in Canada to purchase our wheels of no other manufacturer. Mr. GLEN's facilities are unsurpassed, and we feel sure that he will build a wheel that will give perfect satisfaction. We therefore commend him to the public of Canada, with entire confidence, feeling sure he will manufacture a wheel in all respects equal to our own.

(Signed) JAMES LEFFEL & CO.
