Cure of Bronchitis.

Rothsay, C. W., Canada West, Feb. 1st, 1870.—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so hoarse that I could scarcely speak, and in the morning frequently thought the phlegm would strangle me. I tried all I heard of, but without any effect. I tried one of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit. I then continued getting worse and worse. At last I was advised to try the Great Shoshonee Remedy. I had no faith in it, and when it was half gone I could not tell whether I was better or not. But I thought I would finish the bottle, which I did, and I found to my satisfaction that I was very much improved. I had been previous to my illness, and have been so ever since.

JOHN SILVER.

Sworn before me at Rothsay this 6th day of April, A. D. 1870.

WONDERFUL CURE OF LUNG DISEASE

BROOKLYN, April 5th, 1870.

J. C. Chamberlain, Ills.—This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were inflamed, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshonee Remedy. At the expiration of two days she was decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.

You may publish the facts for the benefit of those similarly afflicted.

T. C. BROWN,
Episcopal Methodist Minister.

Proclaim the Glad Tidings

That the Great Shoshonee Remedy and Pills, of wonderful Native Medicine Manufactured by the Chippewa Indians, British Columbia, is worthy utmost marvellous and astonishing Cures the World have ever heard of. Never in the annals of Canadian Medical History has such success attended the introduction of any medicine heretofore.

WHY?

simply because the numerous valuable active medicinal vegetable ingredients, (some of which we will mention, such as the Extracts of Wild Cherry Bark, Podophyllum, Juniper, Canada, Smartweed, Dandelion, Hyoscyamus, Compound Extract of Colocynth, Jalap, Soco, Aloes, Sagadam, &c., &c.) which enter into the composition of the combined medicine, are such and so harmoniously classified and compounded, that it is made the most searching cathartic in the known world, and cannot help but act on the system in a very satisfactory and desirable manner. No matter what your ailment may be, or of how long standing, it will find the spot and astonish you by the rapid manner in which you are restored to perfect health and full vigor.

This Medicine is pleasant and safe to take, and is warranted, and may positively be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., &c., as well as Scrofula the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the Final Stage of Consumption. Further information, with full directions for using the Great Shoshonee Remedy & Pills, and containing testimonials and Cert ficates of Cures, can be obtained by securing the Treatise, the Hand Book, or the Almanac and Circulars from any respectable Druggist in the Dominion—free.
