## Played Fast Hockey But Lost The Game

Flesherton Intermediates played their last O.H.A. game here on Thursday night of last week against that fast sextette from Durham, who were victorious to the score of 7-1. This was one of the best fought battles played here for some time, and the boys were at their best and showed far better hockey than the game previously played. The first period ended in a 1-0 score in favor of Durham, Elvidge scoring. The second period was when Flesherton secured their only goal, the first on home ice this year, when MacDonald scored on a shot from outside the blue line. The local forward line combined well, Nuhn playing his best game yet at centre and although breaking through the defence several times failed to beat McDonald in goal. The second period ended 2-1.

The third period did not lag, and good, clean hockey still prevailed. Flesherton had far more shots on the goal than did Durham, but the good work of McDonald prevented them from scoring. Johnston Allen played his best game this year and with a few more games should make one of the best goalies around here, bar none. Elvidge, the star centre left-winger for Durham did the majority of scoring, but his team mates also are of good material, making a snappy bunch of puck chasers. The third period ended 7-1. The following was the lin-up: Durham—Goal, McDonald; Defence, Snell, Wilson; Wings, Elvidge, Buschlen; Centre, McGirr; Alts., Rowe and Kress.

Flesherton—Goal, Allen; Defence, Thurston, MacDonald; Wings, McTavish, Boyd; Centre, Nuhn; Alts., Armstrong and Howard.

Referee — Harris Rife, Walkerton.

## Puckerings

Durham play an Intermediate O.H.A. game in Markdale to night. A good game is anticipated.

Bernard Chercotte, a former Flesherton boy is playing Junior N. H. L. in Durham this year and is making a good showing.

Although the O. H. A. Intermediate games here this year are now a thing of the past, the management is making arrangements for some good exhibition games.

Flesherton Intermediates are scheduled to play in Shelburne on Thursday evening and intend making the trip in a sleigh behind Geo. Brackenbury's snow car. This is an ideal way to travel in the winter.

Sparky Vail, former Meaford hockey player has been transferred to the New York Rangers (Professional) from Springfield, where he has been playing. It is a big step up for the big boy and no doubt will make good.

## High School Hockey

Markdale high school hockey team will play the local high school team in the rink here on Thursday evening, February 7th. Game called for 8 p.m.; Admission 25 and 15 cents.

## Broomball Schedule

Thursday night, before hockey game, 7 o'clock, Rock Mills vs Red School. Friday night, full night of broomball, three games, Flesherton vs Ceylon at 7 o'clock. High School vs Onwards at 7:40. The glass milk botles are being supplanted by paper bottles which are cleaner, lighter, and easier to deliver. It is estimated that in the city of New York alone the annual cost of milk bottles which are lost, broken or mislaid, amounts to 2 1-2 million dollars. The cost of the average milk bottle is about 4 1-2 cents and the paper bottles which can be used only once costs three quarters of a cent each.
