JACK IS TWENTY-ONE TO-DAY

JACK is twenty-one to-day. But he has more than a man's years to his credit. He has one thousand dollars in the bank.

It has grown with a practicable mother's love, from the initial deposit of one dollar on the first birthday, twenty years ago.

Last week we heard of a wood cutting record performed by two elderly gentlemen of Artemesia township, that younger men would have considerable difficulty in emulating. Mr. Robt. Parslow of the O.D.R. secured the contract of supplying wood to the O.D.R. school and secured Mr. Allan McDonald to assist him.

Made Life Member of Grey Lodge, Toronto

As a token of their esteem and appreciation of his excellent services for the good of the Order, Mr. Jos. Cornfield was presented with a life membership certificate by Grey Lodge No. 5899, A. F. & A. M., of which the recipient was a member. Bro. Cornfield is chairman of the posting committee of the Lodge and his interest in assisting the candidates was appreciated as the presentation shows. We wish our friend many more years of service to the Craft and that he will continue to enjoy the fellowship of mingling with his fellow Masons in the Lodge rooms.

SHOWER FOR MR. AND MRS. ALCOX

On Thursday evening, January 31, about fifty invited guests of the Institute met at the home of Mrs. T. Davidson, West Backline, the occasion being a miscellaneous shower and presentation from the Institute members to Mrs. Alcox.

At an appropriate time Mrs. David-Symes and Mrs. R. W. Wilson brought in a basket of gifts and presented them to Mr. and Mrs. Alcox. Mr. Alcox unwrapped the presents and Mrs. Alcox read the verses accompanying each. After the presents were all unwrapped Miss Fulton, president of the Institute, on behalf of its members, presented Mrs. Alcox with a fruit bowl and bread plate, wishing Mr. and Mrs. Alcox a happy wedded life and hoped that Mrs. Alcox would still continue to be a member.

Mr. and Mrs. Alcox, although taken by surprise, thanked the people for their many gifts and hoped that all present would visit them often.

Joined U.F.O. Forces

A great wave of consternation ran over S. E. Grey when it was learned that R. J. Edwards, Conservative Candidate in the last general election had joined forces with the U.F.O. of which Miss A. C. Macphail, M. P., his conqueror, is a member. It was found out that Mr. Edwards had taken a load of hogs to Markdale for shipment, but the U.F.O. were the only shippers present at the yards and in order to consign stock with them had to be a member of the Farmer's Organization. In place of taking his load of hogs back to the farm Mr. Edwards signed on the dotted line and is now a full-fledged member of the United Farmers of Ontario. Whether he will continue to be an active or an associate member remains to be seen.

THIBAUDEAU — STEWART

The marriage took place very quietly at the home of Mr. H. Cummer, 255 St. Clair avenue, Toronto, on Wednesday, February 6th, of Helen Ray, elder daughter of Mr. and Mrs. E. B. Stewart of Markdale, and Mr. Harold A. Thibaudeau, second son of Mr. and Mrs. J. B. Thibaudeau also of Markdale. Rev. A. Thibaudeau cousin of the groom, officiated. The bride wore a beautiful dress of brown georgette and velvet, brown suede shoes and stockings to match, and corsage bouquet of roses. Miss Jean Stewart, sister of the bride, was bridesmaid, while Mr. Stewart Buschlen assisted the groom.

After a honeymoon trip to visit friends in Detroit and Flint., Mich., the happy couple will take up their residence upon the groom's farm, near Markdale.

Word was received on Tuesday by Mr. John Pedlar of town that his nephew's wife, Mrs. Bruce Pedlar, of Nepawa, Man., had passed away, presumably from the flu, which is prevalent in that district. Mr. Bruce Pedlar is a son of Mr. Chas. Pedlar of that town.

High School Won; Intermediates Lost

The local high school played the Markdale high school here on Thursday night of last week, which resulted in Flesherton's favor, 6-3. The local forward line did the scoring for Flesherton and at times showed brilliant combination and stick-handling Phillips, in goal for the first time in his career, excelled himself and had loads of shots to stop. McKillop and Akins paired well on defence. There's the making of a real good junior aggregation here. They play the return game in Markdale on Friday night of this week. The following was the line-up:

Flesherton: Goal, Phillips; Defence, McKillop and Akins; Wings, Ferris and Patton; Centre, Gorrell; subs, Morton.

Markdale: Goal, Ward, Defence, Perkins and Noble; Wings, Johnston and P. Wright; Centre, McCutcheon; subs., E. Wright, F. Armstrong.

Referee — Rev. Purcell, Flesherton.

The same evening the local intermediates journeyed to Shelburne and played their intermediates there, and came out on the short end, 4-3. The boys were late getting there and after their long journey were not in very good condition. Thurston, Boyd and C. McTavish did the scoring for Flesherton. The regular goal tender, Johnston Allen was unable to attend and MacDonald donned the pads and others were also unable to attend, but this Thursday night Shelburne comes back and with a stronger line-up for the locals a good game should be had between these two evenly matched teams. The following is the line-up:

Flesherton, Goal, MacDonald; Defence, Kelly and Thurston; Wings, Boyd and McTavish; Centre, Nuhn; subs., Howard.

Shelburne — Goal, Ted Mead; Defence, H. Mathews, J. Brooks; Centre, H. Crawford; Wings, W. Rutledge, A. Hall; Subs, Kay White.

Referee—Pat Silk, Shelburne.

Banquet Interrupted; Money Nearly Gone

A Maxwell gentleman had financial transaction with a pen of pigs which he will not forget. It got on his nerves to a considerable degree, but they have now got calmed down and were normal on Saturday night when he told us about it. He had a wallet containing a ten dollar bill and eight of a smaller denomination. He and another gentleman went to the pig pen to look over the pork situation. After going back to the house he missed his wallet and went up to the store thinking he might have left it there. It wasn't. Then he thought of the pigpen and investigated it, where he found one pig chewing the wallet with a great gusto and another chewing a roll of bills. It was evidently going to be a costly, but rich banquet for the porkers, but the owner of the wealth got busy and salvaged what he could. After counting up pro[illegible] found the latter [illegible] to the nervous s[illegible]m, also the former and he could afford to smile while telling the story.

Durham Furniture Co. Mill Will Continue

Reports have been circulating recently that the Durham Furniture Co. plant would close down after this season. Mr. P. Gagnon, Manager of the Durham Furniture Co., informs The Advance that no such thought has been entertained by the Company and that as long as the logs continue to arrive at the mill lumber will be produced. This year the Company is not cutting logs of its own, but relying only on what is being brought in by the farmers who own small bush lots. It appears as though the mill yard will again be well filled with logs for a large lumber cut, which commences in the spring.
