Cure of Bronchitis.

Smithfield.

J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued getting worse all the time. At last I was advised to try the Great Shoshonees Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since.

WONDERFUL CURE OF LUNG DISEASE

BROOKLYN, April 5th, 1870.

J C Chamberlain, Esq.—This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshonees Remedy. At the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.

You may publish the facts for the benefit of those similarly afflicted.

T. C. BROWN
Episcopal Methodist Minister.

Proclaim the Glad Tidings

That the GREAT SHOSHONEES REMEDY and PILLS, of the eminent Indian Medicine Man, Doctor LEWIS JOSEPHUS, of the Street Tribe of Shoshonees, British Columbia, is working the most marvellous and astonishing Cures the World has ever heard of. Never in the annals of Canadian Medical History has such success attended the introduction of any medicine heretofore.

WHY?

simply because the numerous valuable active medicinal vegetable ingredients, (some of which we will mention, such as the Extracts of Wild Cherry Bark, Podophyllum, Juniper, Quassia, Smartweed, Dandelion, Hyoscyamus, Compound Extract or Colocynth, Jalap, Soco, trine Aloes, Capsicum, &c, &c,) which enter into the composition of the combined medicine, are such and so harmoniously classified and compounded, that it is made the most searching curative in the known world, and cannot help but act on the system in a very satisfactory and desirable manner. No matter what your ailment may be, or of how long standing, it will find the spot and astonish you by the rapid manner in which you are restored to perfect health and full vigor.

This Medicine is pleasant and safe to take, and is warranted, and may positively be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the Third Stage of Consumption. Further information, with full directions for using the Great Shoshonees Remedy & Pills, and containing Testimonials and Certificates of Cures, can be obtained by securing the Treatise, the Hand Book, or the Almanac and Circulars from any respectable Druggist in the Dominion—free.

"The Dominion Government shall guarantee the interest for ten years from the date of the completion of the work, at the rate of five per cent per annum on such sums, not exceeding £100,000 sterling, as may be required for the construction of a first class Graving Dock at Esquimalt."

The Dock to be of masonry, and of not less than the following dimensions:—

Tenders must specify the time within which the Dock will be completed, and must be accompanied by drawings and descriptions showing exact dimensions, materials, and mode of construction of proposed Dock.

Tenders are to be sealed, superscribed "Tende for Esquimalt Graving Dock," addressed to the Chief Commissioner of Lands and Works, Victoria, British Columbia, and delivered at his office before noon of the 15th day of November, 1872.

SPECIAL NOTICES.

The proprietors of Johnson's Anodyne Liniment, Parson's Purgative Pills, and Sheridan's Cavalry Condition Powders, have published a readable and instructive pamphlet, which may be had free at the stores.

SORE THROAT, COUGH, COLD, and similar troubles, if suffered to progress result in serious Pulmonary, Bronchial, and Asthmatic affections, not unfrequently incurable.

BROWN'S BRONCHIAL TROCHES are compounded so as to reach directly the seat of the disease and give almost instant relief.

The Troches are offered with the fullest confidence in their efficacy; they have been thoroughly tested and maintain the good reputation they have justly acquired. For Public Speakers, Singers, Military Officers and those who overtax the voice, they are useful in relieving an Irritated Throat, and will render articulation easy. Being an article of true merit, and having proved their efficacy by a test of many years, each year finds them in new localities in various parts of the world, and the Troches are universally pronounced better than other articles.

Obtain only "Brown's Bronchial Troches," and do not take any of the *Worthless Imitations* that may be offered.

"Troches," so called, sold by the ounce, are a poor imitation and nothing like BROWN'S BRONCHIAL TROCHES which are sold only in boxes with *fac-simile* of the proprietors, JOHN I. BROWN & SON, on outside wrapper of box, and private Government stamp attached to each box.

This care in putting up the Troches is important as a security to the purchaser in order to be sure of obtaining the genuine Brown's Bronchial Troches.
