CAUTION

TO THE PUPLIC OF THE BRITISH PROVINCES OF NORTH AMERICA.

I beg most respectfully to acquaint the public of the British North American Provinces that in May last I caused the business at 80 Maiden Lane New York, for the sale of Holloway's Pills and Ointment, which were up to that time prepared by William Brown, now deceased, to be closed. These Medicines were, I regret to say, from what has lately come to my knowledge, made up of such very ordinary ingredients as to render them almost worthless, and therefore calculated to damage my good name.

Those who do not wish to be deceived by buying spurious medicines, which are now likely to emanate from the States or elsewhere, but to possess themselves of the genuine Holloway's Pills and Ointment will do well to see that each pot and box bears the British Government stamp on which is engraved the words "Holloway's Pills and Ointment, and that the address on the label is 533, Oxford street, London, where only they are manufactured, and in no other part of the world. The retail prices are on the labels in British currency, and not in dollars and cents.

No representative of mine will ever travel through any part of the British Provinces, or the United States, either to sell or to take orders for my Pills and Ointment, and as I have reason to believe that attempts will very probably be made to deceive the public in this way by persons calling upon medicine vendors, falsely representing that they are acting for me, and with my knowledge and consent, I deem it advisable to put the public on their guard against any such deceptions.

I most earnestly entreat all those who may read this advertisement that they be pleased in the public interest, to communicate the purport of the same to their friends that they may not be defrauded of their money by purchasing worthless imitations of the genuine Holloway's Pills and Ointment.

I would ask, as a great favour, that should it come to the knowledge of any person that spurious medicines are being made or sold in my name, he be pleased to send me all the particulars he can collect respecting the same, that is to say, the name and address of the vendor who is selling the spurious medicines, and likewise the name and address of the House in the United States, or elsewhere, which may have supplied them, so as to enable me, for the protection of the public, to institute proceedings against such evil-doers, and I engage to remunerate very handsomely any person who may give me such information, the informant's name never being divulged.

Should any person have reason to believe that he has been deceived by buying spurious imitations of these Medicines, he will do well to send me, in a letter, to the address at foot (which he can do at a cost of six cents in postage), one of the boxes of instructions which are affixed to the same. I promise to examine it, and send a reply, stating whether the Medicines are genuine or not, so that if spurious he may apply to the person from whom he purchased them to have his money returned.

Chemists and Druggists who desire to obtain the Medicines can be supplied at the lowest wholesale prices in quantities of not less than £20 worth (for which remittance must be sent in advance)—viz., 8s. 6d., 22s., and 34s. per dozen boxes of Pills or pots of Ointment, not, without discount

I have the honor to be,
With great respect,
THOMAS HOLLOWAY

ELECTRICITY IS LIFE

PULVERMACHER'S PATENT GALVANIC CHAIN-BANDS, BELTS AND POCKET BATTERIES

These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form on shock or unpleasant sensation being experienced, whereby it becomes a true fountain of health and vigour, speedily soothing agonizing pains, reanimating torpid limbs, reviving the sluggish functions of life, and imparting renewe energy and vitality to constitutions enfeebled by whatever cause. Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.

N. B.—The following testimony from the elite of the English medical faculty has been received

"We, the undersigned, have much pleasure in testifying that Mr. J. L. PULVERMACHER'S recent improvements in his Voltaic Batteries and Galvanic Appliances for Medical Purposes are of great importance to Scientific Medicine, and that he is entitled to the consideration and support of every one disposed to further the advancement of real and useful progress.

"Dated the 9th day of March, 1866.

SIR CHARLES LOCOCK, Bart., M. D., F. R. C. P.
SIR HENRY HOLLAND, Bart., M. D., F. R. S.
SIR WM. FERGUSSON, Bart., F. R. S.
EDWD. H. SIEVEKING, M. D., M.R.C.S
SIR J. RANALD MARTIN, F. R. C. S."

PULVERMACHER'S SYSTEM is also approved of by an official report of the Academy de Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of cures effected. (See pamphlet gratis).

These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent deciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADY.

PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
Indigestion	Functional Disorders
Deafness	&c., &c.
Spasms	

The effects of the application of Pulvermacher's Chains in any of the above disorders is immediately perceptible—the relief of pain instantaneous.

J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued getting worse all the time. At last I was advised to try the Great Shoshonee Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since
