EUGENIA

Farmers are busy at their spring work, plowing, etc.

Housecleaning is the order of the day.

Work is progressing on the new bridge here. The large steel pipe arrived last week and has been lowered to the bottom of the gully. Men with teams have been engaged drawing stones to help fill in the huge vacancy around the pipe. Trucks are supposed to arrive this week to draw gravel, etc., and thus hasten the work. It will yet be a few weeks before the work will be completed finally.

Mr. Thos. McKee, who works in the mill at Rock Mills had the misfortune to have one of his fingers cut by coming in contact with the saw. We are pleased to report him recovering from the injury. He was off work for a few days owing to the mishap.....

Mr. and Mrs. Ray Genoe of Toronto visited the former's parents here.

We understand Mr. Thos. Gilliland has rented the Hoy property from Mr. Alex. Cameron, executor.

There was a wood bee one day last week cutting wood for the church. Mr. Robt. Purvis did the work with his buzz saw outfit. Mr. Wm. Gordon has been cutting wood for Messrs. W. Duckett, J. Sherwood, J. Magee, R. Park, E. Proctor and Thos. Gilliland the past few days.

In our item last week re "Bridge washout here" we understood Mr. A. F. Pedlar received the contract of building the new bridge. We should not have said "contract" as the work is to be done by the day labor with Mr. Pedlar as overseer of the job.

Mrs. Alex. MacDonald has returned to the village. We are pleased to have her back again.

The truant officer, Mr. Robt. Gorley is busy these days looking after children who have been absent from school for some time, or not attending school regularly. Mr. Gorley does not like to be harsh with anyone, but the law requires him to see that all children between 8 and 16 years who have not passed the entrance, are attending school. He would like to see them return to school at once as he does not like to take action to do so, but will if they don't. He wants to use them all alike.

Mr. and Mrs. G. C. Grahau, accompanied by Mrs. G. W. Graham, and daughter, Phyllis, visited with Mr. and Mrs. E. A. Graham, Clarksburg, on Sunday.

ARBOR DAY, MAY 1st

At the last meeting of the town council it was decided to hold an Arbor Day for the planting of shade trees throughout the village wherever they are needed, also general clean up day and we would ask that the residents of the village will set aside that day for this purpose. Would anyone wishing to have any trees planted in front of their residence, please leave your order in so we can tell how many trees will be needed. Also we need volunteers to do some of the work in connection with same. Kindly let us know so we can have all arrangements made before that day. We have also had a Board of Health meeting and it is their request that all back yards be cleaned up and ready for collection before then. It is expected that a team and wagon will be furnished to draw same to dump on that day, so have it all ready in boxes for him to gather up quickly so no time will be lost as it is the intention of the Board of Health to take action to have all places still in an undesirable condition cleaned up after that date. This is one year we want everything looking its bests for our Old Home Week and later on, so I would ask your hearty co-operation to this end by showing our visitors that we are looking after the legacy they have left us by trying to make our village a cleaner and more beautiful place to live in. Signed on behalf of the town council and Board of Health—T. W. Findlay.

Miss Esther McLean, Melancthon, spent the week end at her home.

Those who attended the banquet at the United Church on Friday evening spent a real enjoyable evening. There was a large crowd present and enjoyed the fine programme. A bountiful luncheon was served by the ladies.

Last Friday the W. H. and Missionary Society met in the Manse. There were 42 present. Mr. Corry presided over the Missionary Meeting and gave an interesting talk on missions. He also read a splendid paper on Dr. Goforth, which was much enjoyed. Miss E. M. McCuaig also gave a good reading. The election of officers took place as follows: Pres., Miss May Stewart; Vice.-Pres., Mrs. Dan Campbell; Sec. Miss Erma McLean; Treas., Miss Jessie Nichol. Considerable other business was done. The meeting closed by singing hymn 726, followed by prayer. Mrs. John Nichol presided over the W. H. meeting, opening with "Blest be the tie that binds." Letters were read from those who received letters during their illness. A paper was then given by Mrs. A. L. Hincks, followed by a reading by Miss Gladys Hincks "Money Don't Matter." The Sun Shine bags were all handed out to each person. At the close a tasty lunch was enjoyed, served by Mrs. Corry and a bevy of young ladies. We are glad to have Mrs. Burgess present. The meeting closed with prayer.

A week ago Sunday Rev. Mr. Harrower exchanged pulpits with Rev. Sullivan. He took as his text Mark 2. 12. In speaking of the faith of the sick one the faith that wins is the faith that preserves; the friendship of friends led to blessed assurance of sins forgiven in this case. Mr. Reggie Ramage of Dromore choir sang a fine solo at the evening service.

A good sized refrigerator has been installed by Mr. J. P. McMillan in his butcher shop, which is now up-to-date. Fresh meats can be kept in excellent condition.

It is with regret that the congregations of Swinton Park and Priceville learned from Rev. Corry of his intention to accept the call from Fairbank, North Toronto, and he will bring his ministry to a close here next Sabbath, April 28th. The congregation of Fairbank has a membership of 321 and the Sabbath School of 330, teachers and scholars. The call promises a salary of $2000, with Manse and 4 weeks holidays. The communities of Swinton Park and Priceville join in wishing Mr. and Mrs. Corry and family every success in their new charge and hope and pray that God's richest blessing may go with them. During their short stay in Priceville they have done much to elevate and strengthen the cause that was dear to their hearts.

Collinwood public library board is to expend $3430.

IN MEMORIAM

FISHER — In ever loving memory of our dear mother, who was called home April 22nd, 1926.

One by one our dear ones leave us,
And the bitter pain of loss
Teaches us in our hearts best shelter
Is the shadow of the cross.

God knew that she was suffering,
And the hill was hard to climb.
So He closed her weary eyelids
And whispered, "Peace Be Thine."
The flowers we placed upon her grave
They wither and decay;
But the love for her who sleeps beneath
Will never fade away.

No length of time, no lapse of years
Can dim our mother's past,
For treasured memory helds her dear
And will while memory lasts.
—Sadly missed by the family.

IN MEMORIAM

KAITTING — In loving memory of our dear father, who passed away, April 27th. 1927.

Just a thought for you dear father,
Just a memory, fond and true,
Just a token of our affection,
That our hearts still ache for you.
—Ever remembered by the family.
