Cure of Bronchitis.

Smithfield.

J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued getting worse all the time. At last I was advised to try the Great Shoshonee Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since.

WONDERFUL CURE OF LUNG DISEASE

BROOKLYN, April 5th, 1870.

J C Chamberlain, Esq. This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshonee Remedy. At the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.

You may publish the facts for the benefit of those similarly afflicted.

T. C. BROWN
Episcopal Methodist Minister.

Proclaim the Glad Tidings

That the GREAT SHOSHONEES REMEDY AND PILLS, of the eminent Indian Medicine Man, Doctor LEWIS JOSEPHUS, of the Great Tribe of Shoshonees, British Columbia, is working the most marvellous and astonishing Cures the World has ever heard of. Never in the annals of Canadian Medical History has any success attended the introduction of any medicine heretofore.

WHY?

Simply because the numerous valuable active medicinal vegetable ingredients, (some of which we will mention, such as the Extracts of Wild Cherry Bark, Podophyllum, Juniper, Quassia, Smartweed, Dandelion, Hyoscyamus, Compound Extract of Colocynth, Jalap, Socotrine Aloes, Capsicum, &c., &c.) which enter into the composition of the combined medicine, are such and so harmoniously classified and compounded, that it is made the most searching curative in the known world, and cannot help but act on the system in a very satisfactory and desirable manner. No matter what your ailment may be, or of how long standing, it will find the spot and astonish you by the rapid manner in which you are restored to perfect health and full vigor.

This Medicine is pleasant and safe to take, and is warranted, and may positively be relied upon to make a permanent cure of all diseases of the Throat, Lungs, Liver, Kidneys Digestive Organs, &c. &c., as well as Scrofula the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the Third Stage of Consumption. Further information, with full directions for using the Great Shoshonees Remedy & Pills, and containing Testimonials and Certificates of Cures, can be obtained by securing the Treatise, the Hand Book, or the Almanac and Circulars from any respectable Druggist in the Dominion—free.

ELECTRICITY IS LIFE.

PULVERMACHER'S PATENT GALVANIC CHAIN-BANDS, BELTS AND POCKET BATTERIES

These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form on shock or unpleasant sensation being experienced, whereby it becomes a true fountain of health and vigour, speedily soothing agonizing pains, reanimating torpid limbs, reviving the sluggish functions of life, and imparting renewe energy and vitality to constitutions enfeebled by whatever cause. Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.

N B.—The following testimony from the elite of the English medical faculty has been received

"We, the undersigned, have much pleasure in testifying that Mr. J. L. Pulvermacher's recent improvements in his Voltaic Batteries and Galvanic Appliances for Medical Purposes are of great importance to Scientific Medicine, and that he is entitled to the consideration and support of every one disposed to further the advancement of real and useful progress.

"Dated the 9th day of March, 1866.

"SIR CHARLES LOCOCK, Bart., M. D., F. R. C. P.
SIR HENRY HOLLAND, Bart., M. D., F. R. S.
SIR WM. FERGUSSON, Bart., F. R. S.
EDWD. H. SIEVEKING, M. D., M.R.C.S.
SIR J. RANALD MARTIN, F. R. C. S."

PULVERMACHER'S SYSTEM is also approved of by an official report of the Academie de Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of cures effected. (See pamphlet gratis).

These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent disciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADY.

PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
Indigestion	Functional Disorders
Deafness	&c., &c.
Spasms	

The effects of the application of Pulvermacher's Chains in any of the above disorders is immediately perceptible—the relief of pain instantaneous.

PRICE LIST OF PULVERMACHER'S CHAIN BANDS AND BATTERIES.
