IMPROVE NUTRITION.
The central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve the Digestion and Assimilation of Food, and the formation of Healthy Blood. DR. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA contains the only agents known that act directly as excitants of nutrition, by imparting tone to the Stomach, Liver and Pancreas, the great tripod that prepares nourishment for building up the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strengthening and vitalizing the constitution, whether impaired by age, exhausted by excesses, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment.
Being a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrate, anemic women and delicate children.

The most ordinary ironer is enabled to compete with the most skilful, giving the linen the appearance it had when it came from the store,—new and beautiful. Goods done up with it keep clean much longer, thereby saving time and labor in washing. This is the most economical article that can be used, costing only about three cents to do the ironing of a large family. It gives the Linen such a smooth glossy surface that the dust and dirt will not adhere to it, so that it will keep clean much longer. It is very highly recommended by the Montreal Herald, La Minerve, Le National, and by all the leading American papers.
It is put up in boxes to last a family about three months, and can be had from all respectable Grocers, Druggists, and Dealers in House Furnishing Goods, at 30 cents per box.

ELECTRICITY IS LIFE
PULVERMACHER'S PATENT
GALVANIC CHAIN-BANDS,
BELTS AND POCKET BATTERIES
These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form on shock or unpleasant sensation being experienced, whereby it becomes a true fountain of health and vigour, speedily soothing agonizing pains, re-animating torpid limbs, reviving the sluggish functions of life, and imparting renewed energy and vitality to constitutions enfeebled by whatever cause. Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by PULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.
N. B.—The following testimony from the elite of the English medical faculty has been received
"We, the undersigned, have much pleasure in testifying that Mr. J. L. PULVERMACHER'S recent improvements in his Voltaic Batteries and Galvanic Appliances for Medical Purposes are of great importance to Scientific Medicine, and that he is entitled to the consideration and support of every one disposed to further the advancement of real and useful progress.
"Dated the 9th day of March, 1856.
SIR CHARLES LOCOCK, Bart., M. D., F. R. C. P.
SIR HENRY HOLLAND, Bart., M. D., F. R. S.
SIR WM. FERGUSSON, Bart., F. R. S.
EDWD. H. SIEVEKING, M. D., M.R.C.S.
SIR J. RANALD MARTIN, F. R. C. S."
PULVERMACHER'S SYSTEM is also approved of by an official report of the Academy of Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of cures effected. (See pamphlet gratis).
These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent disciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADAY.
PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
Indigestion	Functional Disorders
Deafness	&c., &c.
Spasms	

The effects of the application of Pulvermacher's Chains in any of the above disorders is immediately perceptible—the relief of pain instantaneous.

Cure of Bronchitis
Smithfield.
J C Chamberlain, Esq—This is to certify that about three years ago I became afflicted with Bronchitis, which lasted about eighteen months. I was so afflicted for the want of breath that it was very difficult for me to speak, and in the night time frequently throwing the clothes off and raising in the bed to keep from strangling. I tried three of the most eminent physicians in the County of Northumberland for about a year, without receiving any benefit, in fact I continued getting worse all the time. At last I was advised to try the Great Snoshoneee Remedy. I bought a bottle and took it and when it was about finished I began to feel a little better. I continued to use it until I had taken three bottles, when, to my satisfaction, I found that I was as well as ever I had been previous to my illness and have been so ever since

WONDERFUL CURE OF LUNG DISEASE
BROOKLYN, April 5th 1870.
J C Chamberlain, Esq. This is to certify that my wife was very low with Lung Disease. The Doctor had given her up. He said her lungs were tubercled, and medicine could not help her. As a last resort I purchased a bottle of the Great Shoshoneee Remedy. At the expiration of two days her symptoms were decidedly better. She continued to improve so rapidly that by the time she had taken one bottle she was able to sit up. By the continuance of the remedy she was perfectly restored to health.
You may publish the facts for the benefit of those similarly afflicted.
