ELECTRICITY IS LIFE

FULVERMACHER'S PATENT GALVANIC CHAIN-BANDS, BELTS AND POCKET BATTERIES

These highly improved inventions render Electricity perfectly self-applicable, and extremely efficacious in a mild continuous form on shock or unpleasant sensation being experienced, whereby it becomes a true fountain of health and vigour, speedily soothing agonizing pains, re-animating torpid limbs, reviving the sluggish functions of life, and imparting renewed success and vitality to constitutions enfeebled by whatever cause. Medicines and their deleterious consequences are thus entirely dispensed with. The daily increasing number of cures effected by FULVERMACHER'S MEDICO-GALVANIC SYSTEM is so extensive and varied, that it forcibly points to this invention as the embryo of a universal remedy.

N. B.—The following testimony from the elite of the English medical faculty has been received:

"We, the undersigned, have much pleasure in testifying that Mr. J. L. Pulvermacher's recent improvements in his Voltaic Batteries and Galvanic Appliances for Medical Purposes are of great importance to Scientific Medicine, and that he is entitled to the consideration and support of every one disposed to further the advancement of real and useful progress.

"Dated the 9th day of March, 1866.

SIR CHARLES LOCOCK, Bart., M. D., F. R. C. P.

SIR HENRY HOLLAND, Bart., M. D., F. R. S.

SIR WM. FERGUSSON, Bart., F. R. S.

EDWD. H. SIEVEKING, M. D., M.R.C.S.

SIR J. RANALD MARTIN, F. R. C. S."

PULVERMACHER'S SYSTEM is also approved of by an official report of the Academie de Medicine, Paris, Royal College of Physicians, London, and the Imperial Faculty of Vienna, and its curative virtues are confirmed by thousands of private testimonials of persons cured. (See pamphlet gratis).

These facts appeal to the good sense of every sufferer to avail himself of this scientific and curative progress, to which the inventor has devoted a life-time of study and labour, as an ardent disciple of that great benefactor of mankind, the late illustrious electrician MICHAEL FARADY.

PULVERMACHER'S MEDICO-GALVANIC CHAINS are exceedingly effective without the aid of medicine, restriction of diet, or the least derangement of the patient's habits and daily occupations, in the following maladies:

Rheumatism	Female Complaints
Gout	Constipation
Sciatica	Cramp
Lumbago	Sluggish Circulation
Neuralgia	Urinary Disorders
Head and Toothache	Paralysis
Liver Complaints	Epilepsy
Tic Doloreux	Nervous Debility
Indigestion	Functional Disorders
Deafness	&c., &c.
Spasms	

The effects of the application of Pulvermacher's Chains in any of the above disorders is immediately perceptible—the relief of pain instantaneous.

T. Raphey, M. R. C. S, alias Henry Burrows, &c, &c.

SPECIAL NOTICES

The proprietors of Johnson's Anodyne Liniment, Parson's Purgative Pills, and Sheridan's Cavalry Condition Powders, have published a readable and instructive pamphlet, which may be had free at the stores.

SORE THROAT, COUGH, COLD, and similar troubles, if suffered to progress result in serious Pulmonary, Bronchial, and Asthmatic affections, oftentimes incurable.

BROWN'S BRONCHIAL TROCHES are compounded so as to reach directly the seat of the disease and give almost instantaneous relief.

The Troches are offered with the fullest confidence in their efficacy; they have been thoroughly tested and maintain the good reputation they have justly acquired. For Public Speakers, Singers, Military Officers, and those who overtax the voice, they are useful in relieving an Irritated Throat, and will render articulation easy. Being an article of true merit, and having proved their efficacy by a test of many years, each year finds them in new localities in various parts of the world, and the Troches are universally pronounced better than other articles.

Obtain only "Brown's Bronchial Troches," and do not take any of the *Worthless Imitations* that may be offered.

"Tolerance," so called, sold by the ounce, are a poor imitation and nothing like BROWN'S BRONCHIAL TROCHES which are sold only in boxes with *fac-simile* of the proprietors JOHN I. BROWN & SON, on outside wrapper of box, and private Government stamp attached to each box.

This care in putting up the Troches is important as a security to the purchaser in order to be sure of obtaining the genuine Brown's Bronchial Troches.

TWO QUESTIONS EASILY ANSWERED.—Why should men wear boots? Because they are a great protection to the throat and lungs, and add much to their personal appearance. Why should we use "Byron's Pulmonic Wafers?" Because when used for coughs, colds, tickling in the throat, hoarseness, &c., they act like a charm. Ministers and Lawyers use them, physicians recommend them, and singers and public speakers say they are the very best medicine in existence for the cure of such complaints. Sold by all medicine dealers at 25 cents per box.

RIGHT AND WRONG.—It is wrong to jest with your wife upon a subject in which there is danger of wounding her feelings, and it is wrong to speak of great virtues in another man's wife, to remind your own of fault; but it is not wrong after trying the "Canadian Pain Destroyer" and feeling its wonderful effects, to recommend it to your neighbors for the cure of rheumatism, neuralgia, cramps, cholic, &c., it has no equal. For sale by Druggists and country dealers. Price 25 cts. per bottle.

GREAT CONDITION MEDICINE.—As a condition medicine for horses "Darley's Condition Powders and Arabian Heave Remedy" has no equal. Its effects in this respect are astonishing; many horses that were supposed to be broken down and almost worthless have, by the use of a few packages, been restored to a healthy and sound condition, all traces of the disease having been completely removed, and have been sold for from $50 to $75 more than they would previously have brought; when you want a horse medicine get "Darley's Condition Powders and Arabian Heave Remedy." We know you will be perfectly satisfied with the result. Remember the name, and see that the signature of Hard & Co. is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

THIRTY YEARS EXPERIENCE OF AN OLD NURSE.

WINSLOW'S SOOTHING SYRUP is the prescription of one of the best Female Physicians and Nurses in the United States, and has been used for thirty years with never failing safety and success by millions of mothers and children, from the feeble infant of one week old to the adult. It tells me just as much news of home as going on at home as I care to know, and its pictures are not only looked at with pleasure on its arrival but are treasured up, and fairly worn threadbare ere we be turning over and over."

IMPROVE NUTRITION.

The central idea in the treatment of all Chronic Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve the Digestion and Assimilation of Food, and the formation of Healthy Blood. Dr. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES AND CALISAYA contains the only agents known that act directly as excitants of nutrition, by imparting tone to the Stomach, Liver and Pancreas, the great tripod that prepares nourishment for building up the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strengthening and vitalizing the constitution, whether impaired by age, exhausted by excesses, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment.

Being a delicious cordial to take, and perfectly harmless under all circumstances, it is eminently adapted to prostrate, anæmic women and delicate children.
