The Warden thanked Dr. Macklin and promised her that the Council would give her request very careful and earnest consideration.

On motion of Messrs. Stewart and Montgomery, Mr. C. H. Bellamy was heard within the bar.

Mr. Bellamy addressed the Council requesting the County to take some action to create interest in the subject of reforestration.—Referred to Agricultural Committee.

The County Treasurer presented his statement of Ar-rears of Taxes.

On motion of Messrs. Gregory and Wilson his report was received and ordered printed in the January minutes.

The Treasurer read a number of letters in reference to the adjusting of certain amounts of money in dispute in reference to the Chatham-Dover Townline pavement and the hold back on the 1932 County Road Subsidy.

Mr. Eaton, District Engineer of Municipal Roads also made some explanations in reference to the above matters and he then invited all the members and officials and anyone interested in good roads to attend the meeting of the Kent-Essex Good Roads Association to be held in Harrison Hall on the 6th and 7th of February.

Mr. Colby, County Road Supt., presented his estimated expenditures on county roads for 1934.

On motion of Messrs. Edwards and Cranston his report was tabled.

Moved by Mr. L. C. Truesdale, seconded by Mr. Earl C. Montgomery:

THAT WHEREAS owing to the Department of Highways having deducted from the Kent County Road Subsidy of 1932 \$10,295.54 on account of certain government grants having been made by them to the Burke Drainage Scheme in the Township of Harwich, this Council at the December session last, authorized the deduction of the said \$10,295.54 from the 20% County's share of the Provincial Highway expenditure during 1932.

AND WHEREAS a County cheque for \$4,202.11 was forwarded to the Department in December, 1933 which was considered to be a settlement in full of the County's account.

AND WHEREAS the Department of Highways by letter to the County Treasurer dated January 18th has made the request that this Council pay over to the Department of Highways the balance due, namely \$10,295.48 with the understanding that the Department of Highways pay over to the County \$8,295.03, along with the Government Road Subsidy for 1933, being the balance of the County of Kent Road Subsidy for 1932.

THEREFORE BE IT RESOLVED that the County Engineer and Road Superintendent be instructed to accompany with his report to the Department of Highways of the 1933 county road expenditure an amount equal to the \$8,925.03 as being the balance due Kent County on account of its 1932 subsidy, also that the County Treasurer be authorized and instructed to issue a cheque to the Department of Highways for the said \$10,295.48 and that a copy of this resolution be forwarded to the Department of Highways along with the cheque.

Carried in open Council.

Moved by Frank Woods, seconded by C. E. Johnston:

THAT WHEREAS the Ontario Department of Highways has made a request that the County of Kent issue a further cheque to them for \$127,339.76 which along with the cheque issued in December for the same amount would make the total cost of the Chatham-Wallaceburg pavement put down in 1930 and wholly paid for at that time by the Department of Highways.

AND WHEREAS the letter dated Jan. 18, 1934 to the County Treasurer from the Highway Department assures the County that the second cheque for \$127,339.76 will not be cashed by the Department until such time as a cheque for the 1933 subsidy which includes a like amount payable to the County of Kent will be issued by the Treasurer of Ontario, being 50% subsidy on the total cost of the said Chatham-Wallaceburg pavement.

BE IT THEREFORE RESOLVED that the County Engineer and Road Superintendent, Mr. Colby be instructed to include in his 1933 Kent County road expenditures report to the Ontario Department of Highways the total cost of the Chatham-Wallaceburg pavement namely \$254,679.52 in order that the subsidy on this amount will be equal to the proposed cheque of \$127,339.76, which will be sent to the Department of Highways at once, also that the County Treasurer is hereby authorized and instructed to issue to the Department of Highways the said cheque for \$127,339.76, and that a copy of this resolution be forwarded to the Department of Highways along with the above mentioned cheque.

Carried in open Council.

The Clerk drew to the attention of the Council the matter of the Canadian Bank of Commerce requesting the County to use their form of by-law for borrowing for general county purposes.

On motion of Messrs. Truesdale and Lawrence the Council decided to use the form provided by the bank.

On motion of Messrs. Gregory and Woods the following by-laws were introduced and read a first time:

A By-law to borrow money for General County Purposes.

t— A By-law to appoint certain County Officers.

A By-law to Confirm and Legalize Grants.

A By-law to appoint a Cemetery Commission.

A By-law to appoint an Old Age Pensions Board.

A By-law to provide for expenditures on County Highways.

A By-law to authorize the Warden and Treasurer to borrow money for Highway Purposes.

On motion of Messrs. McDonald and Montgomery the Council adjourned until 10 a.m. tomorrow morning.

---

Harrison Hall, January 25, 1934.

The Council met in the Council Chambers with the Warden in the Chair at 2.30 p.m.

The roll was called with all members present.

A number of accounts for committee and mileage were read and referred to the Finance Committee.

On motion of Messrs. McDonald and Cranston a representative from the Salvation Army Rescue Home was heard within the bar.

Their representative addressed the Council thanking them for their generous grants and explaining the work being done by the Rescue Home.

Mr. Gregory, chairman of the County Roads Committee, presented and read their report.

On motion of Messrs. Springsteen and Cranston the report was referred back to the Committee to be amended that in view of the fact that the Blenheim council had changed their minds in reference to the surfacing of Marlborough street in the town and now desire to do this work under the unemployment relief plan. Therefore item one, page ten, be transferred to item three and item one be struck from the report.

On motion of Messrs. Gregory and Woods their report was adopted as amended.

Mr. R. J. Wilson, chairman of the Old Age Pensions Board, presented and read their report.

On motion of Messrs. R. J. Wilson and McDonald their report was adopted, and ordered printed in the January minutes.

W. M. Abraham, Inspector of House of Refuge, presented and read his annual report.

On motion of Messrs. McKay and McDonald his report was referred to the House of Refuge Committee.

Mr. McKay inquired if it was the intention to conclude the session on Friday.

The Warden replied that it was.

Mr. Fletcher on behalf of the Kent Municipal Association requested a grant of \$35.00.—Referred to Finance Committee.

The Clerk reported that he had been instructed by the ex-Warden that the Kent County boy who was awarded the Massey Fund Scholarship was James Barclay.

On motion of Messrs. Gregory and Giddis this report was received and a grant of \$50.00 authorized to be paid as Kent County's share to the above mentioned fund.

On motion of Messrs. Woods and Montgomery the Rules of Order were suspended in order to receive several motions.

Moved by L. L. Gregory, seconded by Frank Woods:

That this Council petition the Ontario Government for the statutory grant on an expenditure of \$386,914.56 during the year 1933 on county roads and bridges.

Carried in open Council.

The Council met in the Council Chambers on the above date with the Warden in the Chair.

The roll was called with eleven members present.

On motion of Messrs. Woods and Cranston a deputation from Tilbury East, Raleigh and Merlin was heard within the bar.

Messrs. J. Dent, Dr. Bell and the Rev. A. C. Calder, M.L.A., addressed the Council requesting them to petition the government to take over the Middle Road from Blenheim through to Tilbury as a provincial highway.—Referrred to County Roads Committee.

Mr. Springsteen, Chairman of Finance Committee, presented and read their report.

On motion of Messrs. Springsteen and Wilson their report was adopted.

Mr. Jones, Chairman of Petition and Legislation Committee, presented and read their report.

On motion of Messrs. Jones and McKay their report was adopted.

On motion of Messrs. Gregory and Woods the Council referred back to Rule 4 of the Rules of Order.

On motion of Messrs. Gregory and Giddis, Mr. R. W. Reek addressed the Council on ways and means of the control of the perennial sow thistle suggesting that it might be taught to children at school the grave menace which it was

to the farmers, also pointing out to the Council the advisability of producing only clover seed that was particularly free of dock and dowder seed.

The Warden thanked Mr. Reek for his splendid address.

Mr. Ellwood, Chairman of Harrison Hall Committee, presented and read their report.

On motion of Messrs. Ellwood and McKay their report was adopted.

Mr. Stewart, Chairman of the House of Refuge Committee, presented and read their report.

On motion of Messrs. Stewart and Jones their report was adopted.

Mr. Gregory, Chairman of the County Roads Committee, presented and read their report, No. 2.

On motion of Messrs. Gregory and Woods their report was adopted.

Mr. McKim, Chairman of County Property Committee, presented and read their report.

On motion of Messrs. McKim and Cofell their report was adopted.

Mr. Springsteen, Chairman of the Special Committee appointed to interview the County Solicitor in respect to the advisability of the county guaranteeing the mortgage on the Children's Shelter building, presented and read their report.

On motion of Messrs. Springsteen and Wilson their report was adopted.

Moved by Mr. Giddis, seconded by Mr. Montgomery:

That whereas Section 109 of the Public School Act providing that townships grant \$600.00 to schools that require one teacher and \$1,000.00 to schools requiring two was amended by reducing these grants 25% for the years 1933 and 1934. This reduction has been appreciated by the rural taxpayers and this Council is of the opinion that present economic conditions require the extension of this reduction for at least one year more.

Therefore be it resolved that the Clerk is hereby instructed to forward this petition to the Department of Education.—Carried in open Council.

Moved by Mr. W. B. Ellwood, seconded by Mr. J. A. McDonald.

Whereas the prices of natural gas is under discussion at the present time and this County Council had a committee in 1933 to represent the County, and whereas the question has not been settled as yet we are of the opinion that there should be a committee appointed for the year 1934 and ask the Warden to name this committee.—Carried in open Council.

As provided in the Ellwood-McDonald motion the Warden named Messrs. Ellwood, Cameron and Cranston as a Gas Committee.

Moved by Mr. McKim, seconded by Mr. Lawrence:

That we request the County Council to grant the Ag-

gricultural Societies of Kent County \$150.00 each.—Tabled till June session.

Moved by Mr. L. L. Gregory, seconded by Mr. A. Giddis:

That this Council endorse the suggestions made by Mr. Reek for the control of sow thistle and that the matter of carrying out of these suggestions be left with the Agricultural Advisory Committee.

And that the thanks of the Council be extended to Mr. Reek for his kindness in addressing the Council on this very important matter.—Carried in open Council.

On motion of Messrs. Woods and Scriven the Council referred back to Rule 5 of the Rules of Order.

Mr. Gregory, Chairman of County Roads Committee, presented and read their report, No. 3.

On motion of Messrs. Gregory and Woods their report was adopted.

On motion of Messrs. Wilson and Lawrence a by-law to appoint a member to the Thamesville Continuation School Board was presented and read a first time.

On motion of Messrs. Wilson and Lawrence the Rules of Order were suspended.

On motion of Messrs. Gregory and McKay all by-laws which had received their first reading were taken as read a second time.

On motion of Messrs. McDonald and Graves the Council went into a Committee of the whole Council for the read-

ing of by-laws and filling of blanks.

The Warden requested Mr. Springsteen to take the Chair, which he did.

The Council resumed and the Chairman reported that By-laws No. 1384 to 1392 inclusive had been passed in committee with all blanks filled in.

On motion of Messrs. Springsteen and McDonald their report was adopted.

On motion of Messrs. Scriven and Gregory all by-laws reported on by the committee of the whole Council were taken as read a third time and finally passed, signed and sealed.

By-law No. 1384—To borrow money for highway purposes.

By-law No. 1385—To appoint a Road Committee.

By-law No. 1386—To borrow money for general county purposes.

By-law No. 1387—To appoint certain county officers.

By-law No. 1388—To confirm and legalize grants.

By-law No. 1389—To appoint a Cemetery Commission.

By-law No. 1390—To appoint an Old Age Pensions Board.

By-law No. 1391—To provide for expenditure on county highways.

By-law No. 1392—To appoint a trustee to Thamesville Continuation School.

Ex-Warden F. A. Leverton presented the members of the 1933 Council with a group of the members and officials.

The Warden thanked the Council for their hearty cooperation.

On motion of Messrs. Cranston and Cofell the Council adjourned until the 12th day of June or the call of the Warden.

W. M. ABRAHAM,  
Clerk.

MATHEW RANKIN,  
Warden.

Harrison Hall, January 26, 1934.

To the Warden and Members,  
Kent County Council.

Gentlemen:

We, your Harrison Hall Committee, beg leave to report as follows:

Your Committee has carefully examined the report of the Grand Jury dated December 14, 1933, in regard to its recommendations pertaining to improvements in Harrison Hall, also the suggestions made in the report of Mr. Abraham, the Inspector, referring to the various matters and after due consideration was given would recommend the following:

1. That the Inspector of Harrison Hall, Mr. Abraham, be empowered to employ the Fireman, Mr. Armstrong, to make a thorough cleanup of the basement, destroying all valueless papers, documents, old furniture and rubbish, to procure the consent of the Crown Attorney to dispose of all old statutes or books now in the basement, and other valuable papers, etc., be carefully packed away, also that the necessary repairs be made to all toilets in the basement.

2. That the Inspector have all chairs in the Judge's Chamber and bench in the first floor hall repaired and varnished; that the typewriter formerly used by the School Inspector, Mr. Pearson, be used in the Judge's office; that the necessary lettering to bring the signs in the Judicial offices up to date be left with the Inspector with power.

3. That the Inspector procure prices on the following to be presented to this Committee at a later date—new linoleum for the Sheriff's office; a new document filing cabinet

for the County Court Clerk's office; a new cement floor for the basement of Harrison Hall, and that power be given this Committee to have the above mentioned improvements carried out if in their opinion they deem it satisfactory, and that all other matters pertaining to Harrison Hall in the report of the Grand Jury be further left in the hands of the Harrison Hall Committee to be reported on fully at the June session.

All of which is respectfully submitted.

## **To the Warden and Members Kent County Council, 1934.**

GENTLEMEN,—

As instructed by your honorable body I herewith submit a program of Estimates of County Road Expenditures for the year 1934.

I have included in this report the cost of construction of the County bridge over the River Sydenham at Dresden. This bridge was opened for traffic on December 29th, 1933, but the cost of which is to be taken care of in the 1934 rates.

The County's share, namely 50% of \$254,679.52 or \$127,339.76 of the cost of the concrete pavement constructed in 1930 on the Chatham-Dover Townline from the road between Concessions 5 and 6 to the Elbow road, a distance of 10.2 miles, has been raised during the years 1932 and 1933 and payments made to the Department of Highways, who financed the work.

The County has no debenture debt nor has had since the Highway Improvement Act was adopted in 1917 and I trust we will continue steadfast with that principle for we cannot estimate what the future holds for roadbuilding. I would prefer the "pay as you go" policy, with a steady development in keeping with traffic demands and the finances of the county.

The dust nuisance on gravel roads has developed considerably since the roads have obtained a high speed surface and I am of the opinion that a determined effort will have to be made to effectively combat this menace, both to conserve materials in the road and to safeguard health and the destruction of crops both in the field and orchard. The low cost pavement seems at this time to be an effective solution, while it is not intended to withstand continuous heavily-loaded traffic with its initial construction, additional thickness can be acquired from time to time to gradually build up a depth of pavement sufficient for such traffic, but it will effectively lay the dust and conserve materials as well as reduce maintenance. A start was made in 1932. Other stretches appear in this report.

The Department of Labor of Ontario in order to provide labor for men have offered an additional subsidy on labor costs for work that would be deferred until later. If this is extended during the summer months this report will relieve to some extent the labor situation.

These estimates call for a 1.80 mill rate to be raised for County Road purposes as against a 2.55 mill rate last year, and which is as follows:

## Grand Jury's Report

Chatham, Ont., December 14, 1934.

To His Honour, Judge McFadden:

We, your Grand Jurors, wish to express our thanks for the comprehensive charge you delivered which outlined clearly the purpose, the powers and the rights of Grand Juries in general and of this Grand Jury in particular. To most of our members, in fact with two exceptions, this has been our first experience in serving as Grand Jurors. We approached our duties, with vague ideas as to what they were, and, possibly owing to the agitation for the abolishing of Grand Juries which does exist, and to which you referred in your charge, we may have come feeling that our duties were merely perfunctory in nature, and that, being at best only a necessary evil, the greatest service we could perform would be to secure our discharge at the earliest possible moment.

Your charge disabused our minds of all such misapprehensions and we cannot help but feel that had all Grand Juries had the privilege of receiving a charge such as the one you delivered to us the results of their investigations and suggestions might have been such as to justify beyond any doubt the possibilities for good in this institution.

In this connection we believe that it would be most desirable that, when notices are sent to attend for Grand Jury duty, an outline of the duties and prerogatives of a Grand Juror should accompany it. From our own experience we believe that Jurors would come better prepared to give the efficient service, which should be expected of them. We earnestly commend this thought to the Sheriff for his consideration, and if any changes in legislation should be ne-

cessary in order to do this, we empower him to forward our recommendation to the proper persons, if, in his opinion, it will assist in securing such changes.

### UNEMPLOYMENT RELIEF

Your Grand Jury believes it is more desirable to supply work than provide direct relief. We believe that the time has arrived when the Provincial and Dominion Governments are justified in embarking on some plan of providing work through undertaking the construction of necessary public works or works which will be necessary in the near future. We urge upon all authorities whose responsibility it is to look after the relief of unemployment to provide this relief through carrying on all work which is necessary at this time and to anticipate their needs of the next few years.

We do not think that we have enough information to make definite recommendations on the various schemes referred to in your Honour's charge, such as the bringing of water to the City of Chatham from Lake Erie or other sources; the diversion of "McGregor's Creek", the construction of a turning basin in the River Thames at Chatham and the dredging of the River. We commend these schemes to the authorities interested for careful consideration, especially the construction of the turning basin and the dredging of the river.

### HARRISON HALL

This building during the last year has been painted and redecorated throughout. While the building is old, this has resulted in a brighter and fresher general appearance. There are, however, certain conditions which we believe could be corrected at no great expense and which should be corrected. In the Judge's Chambers a proper desk and

chair for the stenographer should be provided. The present table and chair, which has to be cushioned with thick books is entirely inadequate. A new typewriter is needed. The Judge's chair should be replaced or the present one re-upholstered. Many of the chairs in this room are in need of repair or replacement. Names of Judges long dead should be removed from office doors.

There is no men's toilet on the first floor and the one in the basement is in a deplorable condition. The old brick floor in the basement should be re-surfaced. The entire basement needs a thorough house cleaning. Old books and records which are piled promiscuously, without any apparent order, should be sorted out, and those which are of value properly taken care of.

We believe the present janitress is doing her work to the best of her ability, but believe that extra help is needed to put this building in proper condition and keep it so.

More modern steel filing cabinets are needed in the vault in the Clerk of the Court's office.

In the Sheriff's office the floor covering is in such condition that it is hard to clean and, in our opinion, unsanitary and should be replaced.

The furniture in the office of the Court Stenographer is ancient and outworn and should be replaced.

A drinking fountain with cooling system should be installed on the first floor.

## COURT HOUSE AND JAIL

Number of prisoners: 2 female, 38 male.

The jail was inspected during meal time and we comment favourably upon the food and the manner in which it is served. Approved reading matter seems to be lacking and should be supplied by the various city organizations.

The cell system and jail equipment are modern and quite adequate to the need of the County. Bed springs in the cells seem unnecessarily hard and should be replaced at once with a different type.

Janitor service for the Court House is well performed, but we recommend that some official be authorized to look after and be responsible for minor repairs and upkeep of furnishings. In the Court Room we find thirteen cane bottom chairs with bottoms out, drawers without bottoms, all drawers with missing pulls, floor linoleums cracking and joints in need of cementing. Judge's chair particularly in need of new upholstery or entire replacement. Room for Grand Jury is altogether too small and unventilated, the only windows in same being nailed up. We recommend that another room be given for this purpose.

The Court House building is far from modern and in no wise a credit to or commensurate with the needs of this County and until conditions warrant a new and modern building, to include all County Offices, immediate attention should be given to furnishings which are not in keeping with the dignity of the Court.

## THE HOUSE OF REFUGE

Number of inmates: 37 men and 17 women.

In making a visit to the House of Refuge we were very cordially welcomed and on making our tour of inspection of outdoor buildings we found barn, chicken coop and feed storage very satisfactory. Upon entering the Home we found the place is kept very clean and the inmates contented in every way. We visited the Home as dinner was being prepared and the Matron should be commended upon the food that was being prepared and served to the inmates. In conversation with the inmates we found they were very satisfied in the way they were taken care of.

We, as the Grand Jury, recommend that some institution or organization, if possible, supply the inmates with reading matter. The only method they have at present to employ some of the inmates is by letting them pick beans.

We were advised that a supply of native tobacco which has been on hand is nearly exhausted, and suggest that a donation of homegrown tobacco would be appreciated.

We found everything in excellent shape, with the exception of a few minor repairs. The eavestroughs on the Home should be replaced by new, as they are in bad state and are causing decay in different places. We understand that it is planned to take care of these repairs in the spring.

## HOME OF THE FRIENDLESS

There were 33 inmates, 24 male and 9 female—all comfortable and contented. We found this institution in splendid condition: clean, warm and sanitary and a great credit to the ladies of the Home Board. After talking privately

with many of the inmates, we are convinced that everything possible is being done for their happiness and comfort.

### CHILDREN'S SHELTER

Number of inmates, 25.

We visited the Children's Shelter on Park Avenue East in Chatham, arriving just as the children were having their evening meal. We found at this institution absolutely nothing to criticize. The building is modern, commodious and excellently furnished, many of the rooms having been furnished by private individuals or societies. The building is well planned for the purpose for which it is used. Apparently everything is provided to make the lot of the little inmates as happy and comfortable as possible. We talked with the children, both in the presence of the supervisors and themselves. There is no doubt in our minds that they were enjoying their meal. They were happy and smiling. They told us that they liked their home. We commend the Matron and others in charge for the manner in which they are carrying out their duties, and the Society in charge for the excellent supervision they must be giving.

### HOSPITALS

We have visited both hospitals and inspected the public wards, the kitchens, the operating rooms and the nurseries in each institution. At both places we were impressed with the fact that the County is most fortunate in being served by two such modern, well equipped and well managed institutions. Those in charge are to be commended for the high state of efficiency to which the hospitals have been brought and this Grand Jury, on behalf of the people of the County whom we represent, does extend hearty commendations.

We have passed on all criminal cases which have been presented to us, and have previously reported to you the results of our findings.

We wish to thank and commend your Honour and the Crown Attorney for the clearness with which the various cases were outlined to us, and the Crown Attorney for the dispatch and straightforwardness with which he presented the evidence to us in each case.

During the Session of Court a situation has arisen which, if possible, should be avoided. A large panel of Petit Jurors has been kept waiting for the greater part of two days, doing nothing, at great expense to the County and, no doubt, at great personal inconvenience. This apparently, has not been the fault of any official. Plans had been laid out which would have avoided this, but which unavoidably miscarried.

We therefore, recommend:

That at Sessions of the Court at which there are no civil jury cases listed, the Grand Jurors should be called one day previous to the Petit Jurors. Should changes in legislation be necessary in order that this can be done, we suggest that the proper authorities be approached with this object in view.

All of which we submit to Your Honour for your consideration.

Foreman.

Chatham, Ont., January 15, 1934.

To the Warden and Council,  
County of Kent.

Gentlemen:

On behalf of the Chatham Suburban Road Commission I beg to submit the following report in reference to the year 1933.

During the year the total amount expended on the roads under the jurisdiction of the Commission was \$1157.66, all being expended for maintenance. Of this total \$318.00 was expended on Road 10 Suburban (Raleigh and Harwich Townline), \$307.15 on Road 14 Suburban (Creek Road Harwich), \$280.14 on Road 30 Suburban (Chatham and Dover Townline) and \$252.37 on Road 34 Suburban (River Road Dover). This represents a very substantial reduction as compared with the year 1932 when the total expenditure was \$3,105.55, and the expenditure for 1933 has also been substantially less than estimated. One reason for the expenditure being less than expected was that the Commission found it possible to carry over until 1934 the rebuilding of the bridge over the Brown Drain on Road 30 Suburban for which work \$900.00 was included in the estimates for 1933.

The Commission has carefully considered the work necessary for 1934 and has approved the following estimates.

|   |               |
|---|---------------|
| Road 10 Suburban, ordinary maintenance                                      | \$ 350.00     |
| Road 14 Suburban, ordinary maintenance<br>including resurfacing with gravel | 900.00        |
| Road 30 Suburban, ordinary maintenance                                      | \$250.00      |
| Rebuilding and widening Brown Drain<br>Bridge .....                         | 900.00        |
|   | <hr/> 1150.00 |

|  |           |
|--|-----------|
| Road 34 Suburban, ordinary maintenance<br>including repairs to shoulders | 600.00    |
| Total .....  | \$3000.00 |

In connection with the above estimates it might be pointed out that there is every expectation that the Province will take over as a provincial highway Road No. 30 (Chatham and Dover Townline) and that if this is done the Commission will be relieved of responsibility in regard to that road and the above estimates could be then substantially reduced. Even if this road should not be taken over by the Government it is possible that the rebuilding of the Brown Drain Bridge could be further delayed and if this can be done the expenditure will be correspondingly reduced.

A detailed statement of the expenditures for 1933 has been submitted with this report.

All of which is respectfully submitted.

W. G. McGEORGE,  
Chairman.

Harrison Hall, January 26, 1934.

To the Warden and Members,  
Kent County Council.

Gentlemen:

We, your Special Committee, appointed to consult the County Solicitor as to the advisability of the County of Kent guaranteeing the mortgage on the Children's Shelter, beg leave to report as follows:

Our Solicitor informs us that the County would be quite within their rights by by-law to guarantee the payment of the mortgage on the Children's Shelter. If this guarantee is given, however, there should be an agreement with the City of Chatham with an understanding from them that they would go jointly on this guarantee with the County. This agreement should also provide that the responsibility should be borne in respect to the portion which each contributed to the maintenance of the Shelter at the time of the enforcement of the guarantee.

Your Committee recommends that in view of the fact that the County do not own the Shelter and that the guarantee of the mortgage by the County and City would be somewhat of a complicated agreement that the County do not guarantee the mortgage.

All of which is respectfully submitted.

C. W. SPRINGSTEEN,  
Chairman.

Harrison Hall, January 24, 1934.

To the Warden and Members,  
Kent County Council.

Gentlemen:

We, your Old Age Pensions Board, beg leave to report as follows:

Since the December session we have held two meetings dealing with 15 new applications.

Number of deaths reported since December session—6.

Kent County's share of Old Age Pensions, that is 10% of pensions paid for the month of November, 1933 was \$788.67; and for the month of December, 1933 was \$842.02.

The total amount received by pensioners in Kent County in 1933 was \$94,889.51 and in 1932 the total amount received was \$80,314.79.

We have verified by investigation the changes of address of the following pensioners:

Charles E. Shaw, Windsor to Dresden.

Elizabeth Marshbank, Bothwell to Toronto.

Lucy Broadbent, Blenheim to Chatham.

Joseph Gillier, Harwich to Chatham.

Robert Porterfield, Ridgetown to London.

Mr. and Mrs. Robert Hare, Peel Co. to Harwich.

Myron Merrifield, Wheatley to Bonfield, Ont.

Washington Winter, Dresden to Windsor.

Martha Wood, Blenheim to Port Dover.

The following is a list of the applicants and the pensioners who for some reason have had their respective cases reconsidered with our recommendations to the Central Board and their disposition of the cases, of which we have received notice, from each of the respective municipalities since the December session.

## DRESDEN

Walter Lucas, allowed \$15.00 increase asked in his behalf. Referred to Inspector.

Elizabeth Lapointe, allowed \$10.00; increase asked on her behalf. Recommended increase.

Henry Van Allen, allowed \$20. Received a complaint that he was earning a living. Found complaint unwarranted.

Louisa Joyce, allowed \$10. Increase asked on her behalf. After investigation recommended no action by Commission.

The attention of the Board was drawn to Mr. and Mrs. Sandy McDonald, with a view to having them make application for a pension. These people say they do not need assistance nor do they want a pension. Laid over—waiting further development.

## WHEATLEY

Joseph Seili, recommended for a pension.

## RALEIGH TOWNSHIP

Melvina Enos, allowed \$10. Referred to Inspector with a view to increase. Commission asked recommendation, also local board to name a trustee. We recommended \$20.00 with Robert Enos, trustee.

Rebecca Chase, recommended for a pension.

Wm. Henry Chase, recommended.

Laura Eliza Springett, recommended.

### WALLACEBURG

Robt. M. Southgate, allowed \$10. Asked increase by a petition. Forwarded to Commission.

William Carswell, allowed \$10. Asked reconsideration. Referred to Inspector with view to increase of pension.

Henry Booth, allowed \$10. Asked reconsideration. Referred to Inspector with view to increase of pension.

Peter Alexander, recommended for a pension.

### TILBURY TOWN

Julien Dupius, rejected. Reconsideration asked. Being investigated.

### TILBURY EAST

James Bott, allowed \$10. Increased to \$15 by Commission.

### CHATHAM TOWNSHIP

Elizabeth Ann Burrell, recommended rejected.

### BLENHEIM

Agnes Haines, allowed \$15. Increased to \$20. by Commission.

## ORFORD

Solomon Wardell, recommended for pension.

Abigail Davidson, recommended for pension.

## HOWARD

Laura Scane, recommended for pension.

## RIDGETOWN

Levina Beaton, recommended for pension.

## BOTHWELL

Archie Murphy, recommended for pension.

Mary Jane Hanlon, rejected. Appealed to Commission.  
Referred to our Board. We still recommend no action.

## CAMDEN

Henry William Mizen, recommended for a pension.

Elizabeth Boosey, recommended for a pension.

## DOVER

Rose Lozon, allowed \$10. Increase asked on her behalf.  
Commission advised her condition much different now  
than when Inspector called. Increase to \$15.00 asked.

Felice Reaume, allowed \$10. Increased to \$15.00.

Thomas Reaume, recommended for pension.

## HARWICH

Nathan H. Roe, recommended for pension.

## HOUSE OF REFUGE

Annie Mattimore, pension cancelled.

All of which is respectfully submitted.

JOHN VANCE, Thamesville.  
CHAS. H. EDWARDS, Romney.  
J. H. LAWRENCE, Highgate.  
W. M. ABRAHAM, Secretary.  
R. J. WILSON, Chairman.

Harrison Hall, January 24, 1934.

To the Warden and Members,  
Kent County Council.

Gentlemen:

As Inspector of the House of Refuge and Industrial Farm I beg leave to make my annual report.

As I pointed out in my report of January, 1933, there is need of considerable repairs to the buildings. The House should be painted on the outside, eave troughs repaired or replaced. The heating system is very poor, there are also a number of rooms which are not provided with radiators. Some time the whole system should be renovated to give the desired results. The south side of the barn roof and the hog-pen roof are in need of shingling with minor repairs

to the floor and foundation, or possibly a new floor. The barn-yard in my opinion is much too large and should be reduced in size and rearranged.

The Superintendent and Matron have their work well in hand and are careful and painstaking. The Hospital Department, in charge of Miss Wilson, the nurse, is proving, I believe, beneficial and economical. In this connection the nurse's work quite frequently becomes very strenuous.

The following is the Superintendent's report to me, which I am pleased to say shows a further weekly reduction per inmate over 1932. In 1932 the average cost per week (not taking credit for Old Age Pension receipts nor charging the House with the amounts allowed the pensioners out of the pensions) was \$3.08 3-5. This year figuring on the same basis the cost is \$2.69 1-9 per week. The method however which is used in this report is to charge the House with 10% of the pension receipts as well as the amounts allowed the Old Age Pensioners, but taking credit for all of the Old Age Pension receipts, thus lowering the cost per week to \$2.03 2-11. In arriving at the cost per week of maintenance all repairs or improvements are of course figured in but it has never been the practice to include a depreciation percentage on the buildings, so the cost of maintenance would vary from year to year according to the amount of repairs, etc., done.

HARRY N. FRENCH,  
Supt. House of Refuge.

All of which is respectfully submitted.

W. M. ABRAHAM,  
Inspector, House of Refuge.

Harrison Hall, January 25, 1934.

To the Warden and Members,  
Kent County Council.

Gentlemen:

As Inspector of Harrison Hall, I beg leave to make my annual report.

During 1933 the interior of the building has been painted, two coats throughout (except the County Council Chambers which had three coats) and all wood work varnished. The City also have had their offices and Council Chambers painted in conformity with the rest of the building.

Referring to the Grand Jury's report and particularly that part dealing with the condition of the basement in Harrison Hall, may I refer you to my report dated January 24, 1933 and printed in the 1933 January minutes which deals with some of the complained of conditions in their report. The first item referred to in their comments on the basement is the deplorable condition of the toilets. After reading this report I had our plumber check over the toilets and his report to me was that they were all in good working order, but there was some odor from the floor of the urinal due to the careless manner in which it is used by those having access to it. In this connection I do not refer to the occupants of Harrison Hall but to the general public who get access to the basement.

The next item referred to is the basement floor which they recommend resurfacing, and which in my opinion would not be at all permanent or a first class job, but if desirable or necessary should have the old floor torn up and a new concrete floor laid, the same as was done in the furnace room.

Dealing then with the old books and records stored in the vacant rooms, for some years I have endeavoured to bring some kind of order out of the chaos, but so far have not been able to make much progress in view of the fact that the basement is the place that catches the accumulation of discarded furniture, old records, law books, etc. from all of the County, City and Judicial offices in Harrison Hall, and is also a temporary store room for the County Engineer and to some extent the City Engineer. The chief reason for the accumulation of the books and records is because the County's vault in the basement, owing to a damp condition is not a fit place to store these documents as the ones now stored there are in a very bad state of decay. I believe then the first step to overcome this condition would be if possible to have the vault sealed up and made damp proof, remove all decayed and valueless documents, then sort out and store in the vault all valuable papers, etc. which are stored in the vacant rooms. May I say, however, that unless furniture, fixtures, etc. which are removed from the various offices from time to time are immediately disposed of, the basement cannot be kept in an ideal condition.

The Judge is requesting a new typewriter desk and stenographer's chair for his stenographer, which is needed quite badly. There are also some necessary repairs needed to the chairs or possibly some new ones.

In the County Court Clerk's vault there is need of some new filing sections to replace some old and cumbersome tin boxes in order to properly take care of documents and conserve space. The County Court Clerk is asking for a Linatime for his stenographer.

In the Sheriff's office the old linoleum is in very bad condition, having in the first place been only pieces taken from other offices.

The urinal at the head of the stairs on the second floor for some reason is constantly out of repair and owing to this at times becomes very disagreeable, and the matter of its removal I believe might be advisable.

There is a situation which quite frequently arises in connection with the purchasing of supplies and repairs etc. at the County Court House and Jail. While it is the duty of the Sheriff to see that the necessary supplies, etc., are provided the accounts, however, for them are passed and paid quarterly by the Board of Criminal Audit, thus if the Sheriff purchases supplies, etc., the person the goods are purchased from wants his money, the Sheriff must pay it out of his own pocket or present the account to the County for payment, which payment we have really no authority to make. It has been the custom when cases such as this arise for the Governor or Sheriff to consult me on the matter and arrange with the Treasurer for the payment of the account, which strictly speaking, neither the Treasurer nor myself have any right to make. While the by-law setting out my duties as Inspector of Harrison Hall provides that I shall issue all orders for supplies etc. for county offices this is somewhat of a different nature, and I feel that some more definite arrangement should be made.

All of which is respectfully submitted.

W. M. ABRAHAM,  
Inspector of Harrison Hall.

## BY-LAW NO. 1384

A By-law to authorize the Warden and Treasurer of the Corporation of the County of Kent to enter into an agreement for temporary advances and to borrow money under the Highway Improvement Act to meet the costs of road work in progress during the year 1934 in said County.

WHEREAS the County of Kent has adopted a scheme of highway improvements in the said County, under the provisions of the Highway Improvement Act;

AND WHEREAS the Council of the County of Kent is still continuing the work of highway improvement, under the provisions of said Act;

AND WHEREAS the amount to be provided by the Corporation of the said County for such work during the year 1934 is \$210,000.00 and the amount of aid which will be received from the Government of the Province of Ontario for the work to be carried out during the year 1934 is \$60,000.00 and the amount to be received from the City of Chatham, as contribution from suburban roads to be constructed during the year and from other sources, is \$1,000.00.

AND WHEREAS the amount (if any) heretofore borrowed for the purpose aforesaid and outstanding and the amount hereby authorized to be borrowed do not exceed the said sum of \$210,000.00.

AND WHEREAS the amount hereby authorized to be borrowed does not exceed the amount to be so provided by the Corporation of the County during the year 1934, together with the proportion of aid to be so received from the said Province, during the said year and the amount re-

ceivable from the City of Chatham and from other sources as aforesaid;

BE IT THEREFORE ENACTED by the Municipal Corporation of the County of Kent as follows:

1. That the Corporation do agree to borrow and to borrow on terms and subject to the conditions herein mentioned from the Canadian Bank of Commerce, such sums as may be required, but not exceeding in all a total sum of \$210,000.00 to meet the costs of the said work now in progress.
2. That within the limit of aforesaid and as monies are from time to time required for the said purpose, the head and Treasurer, on behalf of the Corporation, may obtain advances from the said bank to be credited to the Special Account to be known as the Highway Improvement (Temporary Advance) Account, and may sign, seal, execute and deliver to the said bank such note or notes, as may be necessary, providing for payment of the advances at such time or times and at such rate of interest or discount as may be agreed between them and the bank, such rate, however, not to exceed  $5\frac{1}{2}\%$  per annum, payable monthly, and the bank upon crediting such advances to the said account shall not be bound to inquire as to the application thereof or as to the necessity for the advance.
3. The amount so advanced and interest shall be paid by the Corporation to the bank on or before the 31st day of December, 1934, and the monies receivable from the Government of the Province of Ontario, from the City of Chatham and from the ratepayers or on the sale of debentures in respect of the highway improvement work done during the year 1934, shall, when received, be applied on the payment of the advance made by the bank and the bank shall

have a charge on the said monies for the advances made and interest thereon.

## BY-LAW NO. 1391

A By-law to provide for expenditure on the system of County Highways in the County of Kent, as approved by Order-in-Council during the year 1934.

WHEREAS the regulations of the Department of Public Highways of Ontario require the expenditure on County

Highways, under the Highways Improvement Act, Chapter 40, R.S.O., 1914 and the Ontario Highways Act, 5, George V., Chapter 17, and amendments thereto, shall be provided for annually by County By-law;

THEREFORE the Council of the Municipal Corporation of the County of Kent enacts as follows:

1. The sum of \$90,000.00 is hereby appropriated from monies raised by loan, levy or debenture for expenditures upon construction on the said system during the year 1934.

2. The sum of \$90,000.00 is hereby appropriated from monies paid by levy for expenditure upon maintenance and repair of the roads in the said system during the year 1934.

3. The said monies shall be expended under the direction of the duly appointed County Road Superintendent.

4. All work on which the said monies shall be expended shall be performed in accordance with the last revised regulations respecting highways, issued by the Department of Public Highways of Ontario.

5. The Clerk shall transmit two certified copies of this By-law to the Deputy Minister, Department of Public Highways of Ontario, within thirty days after the passing thereof.

FINALLY PASSED in open Council this 26th day of January, A. D. 1934.

W. M. ABRAHAM,  
Clerk.

MATHEW RANKIN,  
Warden.

## BY-LAW NO. 1392

## AUDITOR'S REPORT, 1933

Harrison Hall, Chatham, Ont., January 25, 1934.

To the Warden and Members,  
Kent County Council.

Gentlemen,—

I have made an audit of the books, accounts and records of the County of Kent for the year ending December 30, 1933.

The receipts for the year 1933 on General Accounts were \$314,668.39, and on Highway Improvement Account \$165,372.12.

All monies borrowed during the year for General Account have been repaid.

All County Rates were received by the Treasurer in the current year.

There is a surplus in the General Account on December 30, 1933, of \$10,690.95 and a deferred liability to the Province of Ontario of \$56,438.99, being the County portion of Provincial Highway Account for 1933, payable in 1934.

There is a deficit in the Highway Account on December 30, 1933, of \$25,462.13, of which \$8,295.03 is a balance due from the Province of Ontario on 1932 subsidy deferred, and a sum of \$14,294.24, being the County of Kent proportion for Dresden bridge paid during 1933 to be raised in 1934. The balance of the deficit \$2,872.86 will be taken care of in 1934.

All cash and bank balances have been verified.

I have examined the treasurer's bonds and securities and find them in order.

The books and records of the Corporation are being kept in their usual excellent condition.

Respectfully submitted.

OLIVER DRURY,  
Chartered Accountant.
