Extract from an Analytical Report upon Foreign Specimen of a so-called Pepsine of Pancreatine.

"This compound resembled in Odour nt or Pomade in appearance and consistency, and was flavored with Essence of mond or Prussic Acid. It was strongly kaline, indicating free alkali, which, acting upon the fat, produced the usual soaping result; the whole forming a great moist mass of fat, soap, glycerine and ter. This ointment was physically and emically different from the true Pancratic Emulsion which I have also examined, and which, besides being not a pancreatic juice, has the delicate smooth pearance and consistency of fresh eam, is palatable and readily taken."

VINEGAR BITTERS

VEGETABLE PURELY FREE FROM ALCOHOL

DR. WALKER'S CALIFORNIA VINEGAR BITTERS

EUREKA

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the
