The Late Geo. Lepard

The sudden death of George Lepard of Osprey, on Monday of last week was a distinct shock to friends and neighbors. He had been with his sister, Mrs. David McMillen, Proton, during the winter and lately was away visiting friends, returning the week previous to his passing. He was a victim of heart disease and died at the age of 74 years.

The deceased was a son of the late Mr. and Mrs. Hiram Lepard, pioneer settlers of Egremont, but had lived on concessions 14 and 16, Proton, and about 13 years ago moved to Osprey, near Wareham. Mr. Lepard was twice married, his second wife passing away in 1927. Three daughters and one son survive namely: Mrs. Howard Watson, Swinton Park; Mrs. H. Young Boy Killed By Land Roller

Death came suddenly to Burton Smith on Saturday afternoon last when he was run over by a land roller and instantly killed. He had been assisting a neighbor, Mr. Geo. Cooper, who was absent at the time of the accident. It is not known just what caused the accident, but a couple of ladies, some distance away, saw the runaway and gave the alarm. After going a short distance they ran over a pile of stones and threw the lad off directly in front and the heavy steel passed over his body, crushing the victim's head terribly. Coroner Dr. Bibby of town was called and decided that an inquest was not necessary.

The lad was a son of the late Harold Smith. his mother having since married James McKenzie, who resides about two miles north of Feversham on the 2th line. The fatally cast a decided gloom over the community as the litle lad was exceptionally liked.

PRICEVILLE

Your correspondent made an incorrect statement in last week's paper. It read that Miss Jean McCannell had resigned and Miss Emma Oliver was engaged for the coming year. They both are staying in the same school.

Mr. and Mrs. Will McMeekin, Mr. Pudley and Miss Pudley of Toronto spent the week end at Mr. Jno. McMeekin's.

Mr. Angus Clark returned home from the city, after spending two months there.

Mr. and Mrs. George McLellan and Miss Brown of Niagara Falls spent the week end at Mr. Dan Campbell's

Misses Katie and Belle Campbell of Montreal are spending their vacation at their home. We are sorry Belle hasn't been in very good health since Christmas.

Mr. and Mrs. Wm. Brown, Misses Mary and Lizzie McCuaig motored to Owen Sound on Saturday.

Rev. Mr. McDonald and daughter, of Fergus, and Miss Catherine McMillan motored up on Wednesday and visited at Mr. Hector McLean's.

What might have been a serious accident Sunday night, the minister who preached in the United Church here was driving home after church in the evening to his home on the other side of Shelburne and while crossing the bridge on the Saugeen in Priceville, the car swerved sideways. There is a lot of sand on the bridge and he couldn't stop it until it crashed into the steel railing of the bridge. The two front wheels went through the railing and broke part of it. The car wasn't damaged very much and the preacher wasn't hurt. If the railing hadn't been good and solid, he would have been into the river.

The W. M. S. and W. H. had their monthly meeting on Friday p.m. with 20 ladies present. The meeting was opened by Psalm 26, after which the President, Miss May Stewart, led in prayer. Minutes were read and adopted. A good reading was given by Mrs. Wm. Brown. A splendid paper on mission work was read by Miss Jessie Nichol; another splendid paper was read by Miss Mary Stewart. Mrs. Herb McInnis read the scripture lesson and another hymn was sung and all repeated the Lord's Prayer in unison. Mrs. John Nichol presided over the W. H. meeting, after the devotional exercises. The Secretary read a letter from Rev. Sinclair Jones of Cochrane, in reply to the one sent from the society, expressing sympathy to them in the death of their daughter. Bessie. The main topic was discussing the garden party to be held on July 9th. The meeting closed with prayer.

We had a Scotch preacher on Sunday and I forget his name, but he preached a splendid sermon, and mentioned how delighted he was to see so many in Sunday School and so many of the young people taking part. It is a fine thing for all the children to be in Sabbath School each Sunday.

Ball games and outdoor sports for everyone in afternoon and high class concert, also dancing in the evening to select music by Blue Bell orchestra.

Rev. Douglas G. Kendall, who was lately ordained to the ministery, preached his farewell sermon in Mount Zion church last Sunday. Th good wishes of all go with him to his new field of labor.

Miss Lillian McKenzie is spending a week with cousins in Toronto.

Mr, and Mrs. A. Bolton, Jack and Irene, and Mr. and Mrs. W. Sargent and daughter, Marion of Owen Sound were week end visitors at the home of Mr. and Mrs. L. H. Sheardown.

The Ladies' Aid Society of Mount Zion church have good reason to feel elated over the success of their garden party, which took place last Friday evening at the spacious and shady grounds of Mr. and Mrs. Thos. Taylor. The weather was with a full moon shining and the situation ideal for such an occasion. After the sumptuous supper games such as pitching horse shoe and baseball were indulged in and as the shades of night drew near the pastor took the chair and introduced a diversified and appreciative program; the main item of which was the rendering of the popular play by the young people of Providence entitled "The Path Across the Hill." Between acts music was supplied by the Fourth Line orchestra and Rock Mills juvenile band, with their teacher, Mrs. Seeley, as director. Miss Macphail, who was present, was called to the platform and responded with a short address. The play was splendidly rendered and reflected credit on all who took part. All three acts of Providence were accepted with much pleasure.
