This is a large and splendidly stocked mercantile establishment doing an extensive trade and conducted in a capable and enterprising manner. Messrs. Colby & Co. rank among the leading merchants of the county. They have been established a number of years and the establishment has had a phenomenal successful record and through the advantages it offers to the people has always extended influence in bringing trade to the town and advancing our mercantile interests. M. B. Colby & Co. are merchants of large experience and ability and merit their reputation for fair and upright dealing.

F. C. SMITH & SON.

Inseparably connected with the progress and welfare of the mercantile trade of our town for a number of years back is the flourishing and popular establishment of Messrs. Smith & Son. This enterprising firm have built up an extensive trade and rank among the prosperous merchants of the county. To the people this store offers every advantage which capable management can secure and it exerts a marked influence in drawing trade to the town from the surrounding country. The proprietors buy to advantage from the leading markets and the store is abundantly stocked.

Mr. Smith gives special attention to insurance, both fire and life.

W. WALROND.

In referring to our meat market we would make pertinent mention of the popular and excellent market carried on by Mr. Walrond, who is one of our energetic business men. Since establishing here about three years ago Mr. Walrond has built up a splendid patronage which is steadily increasing. He is a gentleman well and favorably known to the people and spares no pains to give satisfaction. He makes a specialty of fruits, vegetables, canned goods, etc.

ISAAC HEATH & SON.

In the purchase of household furniture our citizens and people of the surrounding country have superior advantages at the well stocked establishment we herein describe. This store we have no hesitancy in saying is one of the best and cheapest places to buy furniture in the county. In the first place the proprietors are versed in and understand the business. They buy from the leading manufacturers and carry an excellent stock. A visit to the store and an inspection of the stock and place sells the bargains that are offered. The store leads the furniture trade. The proprietors call special attention to Undertaking.

C. R. SHERMAN.

The jewelry branch of mercantile trade is well represented in our town by the popular and flourishing business carried on by the C. R. Sherman who is one of our most energetic business men. He buys from the leading jewelers and manufacturers and his handsome show cases are filled with fine gold and silver watches, clocks, jewelry, spectacles, silverware, etc. He is an expert workman and gives special attention to repairing which is done in the best manner. His jewelry trade has been largely he having sold during the last year more bicycles than any other man in Lake county. Bicycle repairing is a specialty.

JAS. TRIGGS.

Next on our record of our business establishments we come to the popular and successful meat market carried on by the enterprising gentleman mentioned above. Triggs who is one of our enterprising business men. Mr. Triggs occupies a fine new brick store, his own property, which he erected after the late fire. Mr. Triggs buys from the leading manufacturers and carries a good stock of fine, heavy and medium footwear. It saves money to deal here.

MISS C. HARDEN.

We wish to call the attention of the public in an especial manner to the popular restaurant and ice cream parlors presided over by Miss C. Harden. Miss Harden is building up a splendid patronage and conducts her parlors in a faultless manner. Excellent meals can be secured and lunches at all hours are served here. A specialty is made of the very best ice cream which is furnished at reasonable prices.

One of the indispensable business concerns in this section of the county is that operated by Wright, Parkhurst & Co., under the name of Lake County Bank. They do a general banking business and their conservative methods and careful consideration of their customer's interests have inspired confidence and their business is consequently an extensive one. Mr. Frank Wright, the cashier has a large acquaintance throughout the county, and counts his friends by the score. The bank building is a modern structure, especially adapted to the business conducted.
