The New York Tribune.

THE CONSOLIDATION OF ITALY!

so long fragmentary and impotent, into one powerful State, with Rome as its capital the humiliation of France through a series of crushing defeats, ending with the siege and capitulation of her proud and gay metropolis; the expulsion of the Bourbons from the Spanish throne, and the substitution for them of a scion of the most liberal among royal houses; the virtual absorption of the kingdoms of Saxony, Wurtemburg, Bavaria, Baden, Hesse, the Hanse Towns, &c., under the leadership of Prussia, into the triumphant and powerful empire of Germany; and the raising of Russia to re-assert her preponderance in the councils of Europe, or to prosecute her often postponed but never relinquished designs on the great city founded by Constantine, and the vast but decaying and anarchical dominion of the Sultan, all combine to invest with profound interest the events now passing or our tidings from the Old World. The Tribune, through trusted correspondents stationed at all points in Europe where great movements are in progress or imminent, aims to present a complete and intelligible panorama of events on that continent, and to mirror the prolonged struggle between middle age Feudalism and Ecclesiasticism on the one hand and Nineteenth-Century scepticism and Secularism on the other. Recognising a Divine Providence in all that proceeds and is, it looks hopefully on the great conflict as destined (like our own recent conflict) to evolve from strife, disaster, and seeming chaos, a fairer and happier future for the toiling masses of mankind.

In our own country, a war upon corruption and rascality in office has been inaugurated in our city, whereby the government of our State has been revolutionized through an initial triumph of Reform which surpasses the most sanguine anticipations. It is morally certain that the movement thus inaugurated cannot, in its progress, be circumscribed to any locality or any party, but that its purifying influence is destined to be felt in every part of the Union, rebuking venality, exposing robbery, wresting power from politicians by trickery, and confiding it in those worthiest and fittest to wield it. To this beneficent and vitally needed reform, the Tribune will devote its best energies, regardless of personal interests or party predilections, esteeming the choice of honest and faithful men to office as of all New Departures the most essential and auspicious.

TERMS OF THE TRIBUNE.

DAILY TRIBUNE, Mail Subscribers, $10 per annum.

SEMI-WEEKLY TRIBUNE, Mail Subscribers, $4 per annum. Five copies or over, $3 each; an extra copy will be sent for every club of ten sent for at one time; or, if preferred, a copy of "Recollections of a Busy Life," by Mr Greeley.

DR. DE JONGH'S LIGHT BROWN COD LIVER OIL. The distinctive character of this which have gained for Dr. DE JONGH'S Oil so much celebrity, the entire confidence of the most eminent members of the Medical Profession, and notwithstanding the active and unscrupulous opposition of many interested dealers, an unprecedented majority of public patronage may be thus briefly enumerated:—

I.—It contains all the active and essential principles that therapeutic experience has found to be the most effective in the operation of the remedy.

II.—It is palatable, easily taken, and creates no nausea.

III.—It is borne with facility by the most delicate stomach and improves the functions of digestion and assimilation.

IV.—Its medicinal properties in a remedial action have been found to be immeasurably greater than those of any other kind of Cod Liver Oil.

V.—From the unequalled rapidity of its curative effects, it is infinitely more economical than any which is offered, even at the lowest price.

CONSUMPTION AND DISEASES OF THE CHEST.

The extraordinary virtues of Dr. DE JONGH'S Light Brown Cod Liver Oil in Pulmonary Consumption may now be considered as fully established. No remedy so rapidly restores the exhausted strength, improves the nutritive functions or produces a more marked and favorable influence on the local malady.

The following high testimony to the efficacy of Dr. DE JONGH'S COD LIVER OIL in Consumption is afforded by ALLEN G. CHATTAWAY, Esq., M.R.C.S., L.S.A., of Leominster:—

"Having for some years extensively used Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL, both in public and private practice, I have no hesitation in stating its effects are very highly beneficial. Of any other Cod Liver Oil. Nearly four years since, two cases of confirmed Consumption were placed under my care. In both, the lungs were a mass of tubercular deposit, and every possible sound to be heard in phthisis was present. The sole remedy employed was Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL; now both patients are strong and fat; the diseased (abnormal) sounds nearly inaudible; and in the one case (male), hunting, hailing, and shooting, are freely indulged in, the patient expressing himself quite capable of undergoing as much fatigue as any of his fellow sportsmen."

GENERAL DEBILITY AND EMACIATION.

In cases of prostration and emaciation, where the vital forces are reduced, and where life appears to be ovet at its lowest ebb, the restorative powers of Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL are remarkably manifested. By its administration the natural appetite is revived, the functions of digestion and assimilation are improved, reanimated and regulated; and, when its use has been steadily preserved in, its recuperative and nutritive properties have enriched the stored health and strength to the most perfect and deteriorated constitutions.

The actual benefit derived is thus described by ROWLAND DALTON, Esq., M.R.C.S., L.S.A., District Medical Officer at Bury St. Edmunds:—

"In giving my opinion of Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL, I have no hesitation in saying that I have not the slightest evidence in any other kind. The effects of Dr. DE JONGH'S OIL are sure and most remarkable, especially in that broken down state of health and strength which usually precedes and favors tubercular deposit. I never recommend any other sort. The Oil I have had from you was for my own use, and it has certainly been the only means of saving my life on two occasions, and even now, when I feel 'out of condition,' I take it, and like it, unmixed with anything, as being the most agreeable way. I could wish that Dr. DE JONGH'S OIL would come into general use, and entirely supersede the Pale and other worthless preparations."

SELECT MEDICAL OPINIONS.

From innumerable medical and scientific opinions of the highest character in commendation of Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL, the following are selected:—

Sir Henry Marsh, Bart., M.D., Physician in Ordinary to the Queen in Ireland.

"I consider Dr. De Jongh's Light Brown Cod Liver Oil to be a very pure Oil, not likely to create disgust, and a therapeutic agent of great value."

Dr. David Smith, F.R.S., Medical Officer to the Poor Law Board of Great Britain.

"We think it a great advantage that there is one kind of Cod Liver Oil which is universally admitted to be genuine—the Light Brown Oil supplied by Dr. De Jongh. It has long been original practice, when prescribing the Oil, to recommend this kind, since, amidst so much variety and uncertainty, we have confidence in its genuineness."

(Extract from "Consumption: its Early and Remediable Stages.")

Dr. Barlow, F.R.S., Son Physician to Guy's Hospital.

"I have frequently recommended persons consult me, to make use of Dr. De Jongh's Cod Liver Oil. I have been well satisfied with its effects, and believe it to be a very pure Oil, well suited for those cases in which the use that substance is indicated."

Dr. Lanerenc, Physician to H.R.H. the Duke of Saxe-Coburg and Gotha.

"I invariably prescribe Dr. De Jongh's Cod Liver Oil in preference to any other, feeling assured that I am recommending a genuine article and not a manufactured compound in which the efficacy of this invaluable medicine is destroyed."

Sir Joseph Olliffe, M.D., Physician to the British Embassy at Paris.

"I have frequently prescribed Dr. De Jongh's Light Brown Cod Liver Oil, and I have every reason to be satisfied with its beneficial and salutary effects."

Lambetter, F.R.S., Coroner for Central Middlesex.

"I consider that the purity of this Oil is secured in its preparation by the personal attention of so good a Chemist and intelligent a Physician as Dr. De Jongh, who has also written the best Medical Treatise on the Oil with which I am acquainted. Hence, I deem the Cod Liver Oil sold under his guarantee to be preferable to any other kind as regards genuineness and medical efficacy."

THE ROYAL READERS.

A NEW SERIES OF ILLUSTRATED ENGLISH READING-BOOKS.

From Mr. M. Patterson, Rector of the Free Church Training School; Moray House, Edinburgh.

"Thanks for the Specimen of your new Reading Books and Sheets. They are admirable in every particular. Nothing, in my opinion, would more contribute to the improvement of Education than the wide circulation of these books, and the intelligent handling of them."

From A. Monigomerie, LL.D., Principal of Ladies' College Glasgow.

"I have examined very carefully the 'Printing,' and Nos. I., II., and III. of the *Royal Readers*, and have no hesitation in saying that they are, in my opinion, incomparably the best English Reading-Books that have ever been published, and that the adoption of the means to the end in view is perfect."

From T. Morrison, M.A., Rector of the Free Church Normal School, Glasgow.

"I have very carefully examined the *Royal Readers*. The plan is excellent, and the execution, if I may say so, even better. They are out of sight the best series of Reading-books published, and should very speedily be widely used. The illustrations constitute an admirable feature and add much to the value of the *Readers*."

VINEGAR BITTERS

DR. WALKER'S

TUREK

VINEGAR BITTERS

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorator that ever sustained the sinking system.

Nor can you take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
