The New York Tribune.
THE CONSOLIDATION OF ITALY
so long fragmentary and impotent, into one powerful State, with Rome as its capital, the humiliation of France through a series of crushing defeats, ending with the siege and capitulation of her proud and gay metropolis; the expulsion of the Bourbons from the Spanish throne, and the abstitution for them of a scion of the most liberal among royal houses; the virtual absorption of the kingdoms of Saxony, Wurtemburg, Bavaria, the Baden, Hesse, the Hanse Towns, &c., under the headship of Prussia, into the triumphant and powerful empire of Germany; and the forming of Russia to re-assert her preponderance in the councils of Europe, or to prosecute her often postponed but never relinquished designs on the great city founded by Constantine, and the vast but decaying and anarchical dominion of the Sultan, all combine to invest with profound interest the events making phases of our tidings from the Old World. The Tribune, through trusted correspondents stationed at all points in Europe where great movements are in progress or imminent, aims to present a complete and instructive panorama of events on that continent, and to mirror the prolonged struggle between middle age Feudalism and Ecclesiasticism on the one hand and Nineteenth-Century scepticism and secularism on the other. Recognising a Divine Providence in all that proceeds and is, it looks hopefully on the great conflict as destined (like our own recent convulsion) to evolve from strife, disaster, and seeming chaos, a fairer and happier future for the toiling masses of mankind.

In our own country, a war upon corruption and rascality in office has been inaugurated in our city, and a Reform Administration at Washington has been whereby the government of our State has been revolutionized through an initial triumph of Reform which surpasses the most sanguine anticipations. It is morally certain that the movement thus inaugurated cannot, in its progress, be circumscribed to any locality or any party, but that its purifying influence is destined to be felt in every part of the Union, rebuking venality, exposing robbery, wresting power from politicians by trade, and confiding it in those worthiest and fittest to wield it. To this beneficent and vitally needed reform, the Tribune will devote its best energies, regardless of personal interests or party predilections, esteeming the choice of honest and faithful men to office as of all New Departures the most essential and auspicious.

TERMS OF THE TRIBUNE.

DAILY TRIBUNE, Mail Subscribers, $10 per annum.

SEMI-WEEKLY TRIBUNE, Mail Subscribers, $4 per annum. Five copies or over, $3 each; an extra copy will be sent for every club of ten sent for at one time; or, if preferred, a copy of "Recollection of a Busy Life," by Mr Greeley.

DR. DE JONGH'S LIGHT BROWN COD LIVER OIL. The distinctive character (all which have gained for Dr. DE JONGH'S Oil so much celebrity, the entire confidence of the most eminent members of the Medical Profession, and notwithstanding the active and injurious opposition of many interested dealers, an unprecedented amount of public patronage may be thus briefly enumerated:—
I.—Its genuineness, purity, and uniform strength are ascertained and guaranteed.
II.—It contains all the active and essential principles that therapeutic experience has found to be the most effective in the operation of the remedy.
III.—It is palatable, easily taken, and creates no nausea.
IV.—It is borne with facility by the most delicate stomach and improves the functions of digestion and assimilation.
V.—Its medicinal properties and remedial action have been found to be immeasurably greater than those of any other kind of Cod Liver Oil.
VI.—From the unequalled purity of its curative effects, it is infinitely more economical than any which is offered, even at the lowest price.

CONSUMPTION AND DISEASES OF THE CHEST.
The extraordinary virtues of Dr. DE JONGH'S Light Brown Cod Liver Oil in Pulmonary Consumption may now be considered as fully established. No remedy so rapidly restores the exhausted strength, improves the nutritive functions or produces a more marked and favorable influence on the local malady.
The following high testimony to the efficacy of Dr. DE JONGH'S COD LIVER OIL in Consumption is admitted by ALLEN H. CHATTAWAY, Esq., M.R.C.S., L.S.A., of Leominster:—
"Having for some years extensively used Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL both in public and private practice, I have no hesitation in stating its effects are very far superior to those of any other Cod Liver Oil. Nearly all the cases that have come under my care, in which the Oil was administered, have been cured, and in no one case of confirmed Consumption were I have placed under my care. In both, the lungs were a mass of tubercular deposit, and every possible sound to be heard in pulmonary wear. The sole remedy employed was Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL; and now the patients are strong and fat; the diseased consolidation has nearly disappeared; and in the one case (male), hunting, fishing, and shooting, are freely indulged in, the patient expressing himself quite capable of undergoing as much fatigue as any of his fellow sportsmen."

GENERAL DEBILITY AND EMACIATION.
In cases of prostration and emaciation, where the vital forces are reduced, and where life appears to be even at its lowest ebb, the restorative powers of Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL are remarkably manifested. By its administration the natural appetite is revived, and the functions of digestion and assimilation are improved, reanimated, and regulated; and, when its use has been steadily preserved in, the recuperative and nutritive properties have entirely restored health and strength to the most feeble and deteriorated constitutions.
The actual benefit derived is thus described by HOWARD DALTON, ESQ., M.R.C.S., L.S.A., District Medical Officer at Bury St. Edmunds:—
"In giving my opinion of Dr. DE JONGH'S LIGHT BROWN COD LIVER OIL, I have no hesitation in saying that I have not the slightest confidence in any other kind. The effects of Dr. DE JONGH'S Oil are sure and most remarkable, especially in that broken down state of health and strength which usually precedes and favors tubercular deposit, and I never recommend any other sort. The Oil I have had from you for my own use, and it has certainly been the only means of saving my life on two occasions, and even now, when I feel out of condition, I take it, and like it, unmixed with anything, as being the most agreeable way. I could wish that Dr. DE JONGH'S Oil would come into general use, and entirely supersede the Pale and other worthless preparations."

SELECT MEDICAL OPINIONS.
From innumerable medical and scientific opinions of the highest character in commendation of Dr DE JONGH'S LIGHT BROWN COD LIVER OIL, the following are selected:—
Sir Henry Marsh, Bart., M.D., Physician in Ordinary to the Queen in Ireland.
"I consider Dr. De Jongh's Light Brown Cod Liver Oil to be a very pure Oil, not likely to create disgust, and a therapeutic agent of great value."
Dr. Dawis Smith, F.R.S., Medical Officer to the Poor Law Board of Great Britain.
"We think it a great advantage that there is one kind of Cod Liver Oil which is universally admitted to be genuine—the Light Brown Oil supplied by Dr. De Jongh. It has long been our practice, when prescribing the Oil, to recommend this kind, since, amidst so much variety and uncertainty, we have confidence in its genuineness." (Extract from "Consumption: its early and Remediable Stages.")
Dr. Barlow, F.R.S., Sen. Physician to Guy's Hospital.
"I have frequently recommended persons consulting me to make use of Dr. De Jongh's Cod Liver Oil. I have been well satisfied with its effects, and believe it be a very pure Oil, well fitted for those cases in in which the use that substance is indicated."
Dr. Laurence, Physician to H.R.H. the Duke of Sussex-Coburg and Gotha.
"I invariably prescribe Dr. De Jongh's Cod Liver Oil in preference to any other, feeling assured that I am recommending a genuine article and not a manufactured compound in which the efficacy of this invaluable medicine is destroyed."
Sir Joseph Olliffe, M.D., Physician to the British Embassy at Paris.
"I have frequently prescribed Dr. De Jongh's Light Brown Cod Liver Oil, and I have every reason to be satisfied with its beneficial and salutary effects."
Lankester, F.R.S., Coroner for Central Middlesex.
"I consider that the purity of this Oil is secured in its preparation by the personal attention of so good a Chemist and intelligent a Physician as Dr. De Jongh, who has also written the best medical Treatise on the Oil with which I am acquainted. Hence, I deem the Cod Liver Oil sold under his guarantee to be preferrable to any other Brand as regards genuineness and medical efficacy."

THE ROYAL READERS.
A NEW SERIES OF ILLUSTRATED ENGLISH READING-BOOKS.
From Mr. M. Patterson, Rector of the Free Church Training School, Moray House, Edinburgh.
"Thanks for the Specimen of your new Reading Books and Sheets. They are admirable in every particular. Nothing, in my opinion, would more contribute to the improvement of Education than the wide circulation of these books, and the intelligent building of them."
From A. Monypenny, LL.D., Principal of Ladies' College Glasgow.
"I have examined very carefully the 'Printing,' and Nos. 1 and 2 of the Royal Readers, and have no hesitation in saying that they are, in my opinion, incomparably the best English Reading-Books that have ever been published. The adaptation of the means to the end in view is perfect."
From T. Morrison, M.A., Rector of the Free Church Normal School, Glasgow.
"I have very carefully examined the *Royal Readers*. The plan is excellent, and the execution, if I may say so, even better. They are out of sight the best series of Reading-books published and should very speedily be widely used. The Illustrations constitutes an admirable feature and add much to the value of the *Readers*."
Sold by the Manufacturers, Savory & Moore, 143 New Bond-st. London; and all Chemists, Druggists, and Storekeepers throughout Canada and the States.

Notice to Contractors.
BAIE VERTE CANAL.
INTENDING Contractors are hereby informed that about January next, Tenders will be received for the work connected with the construction of that is called the BAIE VERTE CANAL, to connect the Bay of Fundy and the Gulfof St. Lawrence.
Connecting near the outlet of the River Au Lac, the line follows in a South Easterly direction to a point between Tonge's Island and Fort Cumberland, thence in a North Easterly direction along the valley of the Misaguash to a place between Hachimatsch Lake, and Minerva Point; thence continue still North Easterly, to a point East to the Main Line of the Tidnish River, near Chapell's Farm, where it takes a North Easterly direction to Port Elgin, at the mouth of the river, and then crosses Tidnish Harbor in an Easterly course to deep water in Baie Verte.
The works will be divided into Sections suited to intending Contractors.
The outline of the route above indicated will enable Contractors to examine the dry portions of the line before winter sets in, and the marsh crossings through bogs after the ground is sufficiently frozen.
To facilitate this examination, a Lithographic map of the locality will be furnished on application by letter, or otherwise to this office.
When plans, specifications, and other documents are prepared, due notice will be given; Contractors will then have an opportunity of examining them, and be furnished with Blank Forms of Tender at this office, or at such places as may be designated.
