Large Attendance at Local High School

The attendance at the Flesherton high school is exceeding that of all years in the history of the school. Up until Tuesday evening 96 pupils had registered, and several more are expected at once, and when they arrive the attendance will be well over the hundred mark. Principal Thibaudeau has succeeded in organizing an excellent staff of teachers—Miss Brydone, Miss Lightheart and Miss Acheson, the latter a graduate of the school, and another successful year is contemplated. First Form is fairly small, but Second and Third are well filled and Fourth Form has about 18 in attendance.

Several beginners have started in the public school and over eighty pupils are under the supervision of Principal R. G. Holland and Mrs. C. Bellamy, with several more expected to arrive. Both high and public schools are well filled, and if many more attend public school another teacher would be required.

BROUGHT TO HIS DOOR

As they say in the slang classics of the day this stuff about "Under the spreading chestnut tree the village smithy stands"is all applesauce It may park there but it won't stand. The Ontario rural blacksmith shop has got onto wheels and is running around like a circus. It started with a "smithy" in Erin, who put his shop into a truck and started out to the farms instead of having the farmers come to him. With rural mail delivery, general stores on trucks, cream trucks calling at the door, sermons by radio, and now the blacksmith bringing his shop right up to the stable door, the farmer won't have to set foot off his own broad acres for a year at a time.

Have you got your mind working on what you are going to exhibit at the fall fair, Sept. 19-20? Be a booster and help the fair along by fetching out your exhibit, even if it is only a few things.

The ceremony was performed by Rev. W. J. Scott of St. John's United Church, Flesherton. The bride looked charming in a gown of bright navy Canton, with hat and shoes to match, and was attended by Miss Allie Norris. The groom was supported by his brother, Mr. Gordon Wauchope.
