BERKELEY, Sept. 1869.—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking "Norton's Camomile Pills." I applied to your agent, Mr. Bell, Berkeley, for the above pills for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried nearly every remedy prescribed, but without any benefit at all. After taking two bottles of your valuable pills, I was quite restored to my usual state of health. Please give this publicity—for the benefit of those who may thus be affected.—I am, Sir, yours truly, HENRY ALLWELL. To the Proprietors of NORTON'S CAMOMILE PILLS. 1995

The Company is formed to take up and develope Lands in Manitoba or North-West Territory, extending to

250,000 ACRES,

Obtained in free grant on condition of settlement from the Dominion Government.

First—By selling upon the lands so obtained in grants from Great Britain or other countries, to whom free grants of alternate lots for moderate sized farms will be given by the Company along with advances for passage money, implements, seed, &c., and

Second—To hold for increased value the alternate reserved farms, and also suitable for towns, or lying in the line of projected railway routes to the west or of mineral value. Two millions of emigrants leave Britain in the course of every twelve years, and from the knowledge acquired of the business and the facilities possessed by the Company for obtaining the proper class of emigrants, it is expected that the number settled upon by the Government to be settled in ten years, viz., one thousand families, may be accomplished in about half that time. Several townships were selected last summer situated on both banks of the Little Saskatchewan River and admitted by all who have been in that part of the country to be of the most fertile and beautiful character to be found in the North-West.

Prospectuses, with full details, can be obtained, and applications for stock made at the office of

LEA & PERRINS'

Celebrated

Worcestershire Sauce!

Declared by connoisseurs to be

THE ONLY GOOD SAUCE.

CAUTION AGAINST FRAUD

The success of this most delicious and unrivalled condiment having caused certain dealers to apply the name of "Worcestershire Sauce" to their own inferior compounds, the public is hereby informed that the only way to secure the genuine is to

ASK FOR LEA & PERRINS' SAUCE,

and to see that their names are upon the wrapper, labels, stopper and bottle.

Some of the foreign markets having been supplied with a spurious Worcestershire Sauce, upon the wrapper and labels of which the names of Lea and Perrins have been forged, Lea and Perrins give notice that they have furnished their correspondents with power of attorney to take legal proceedings against manufacturers and vendors of such, or any other imitations which their right may be infringed.

Ask for LEA & PERRINS' Sauce, and see Name on Wrapper, Label, Bottle, and Stopper.

Charges Against Jovellar.

LONDON, April 1.—A Madrid despatch say that among the specifications in Concha's charges against Jovellar is, 1st, that when Concha was Captain General of Cuba, he had occasion to send General Liquelme home for insubordination. When the latter returned to Spain Jovellar, who had become Minister of War, approved his conduct and subsequently promoted him. The Government finds it difficult to defend Jovellar from these accusations. It was understood that in General Jovellar's case no such inquiry has taken place since his return from Cuba, and this circumstance may be used as a protest for requiring his withdrawal from the Ministry.

The six thousand dollar swindle on the Halifax Bank is the talk of the town. The gentleman who introduced Lilling at the Bank was Mr. William Pryor, formerly President, and who had been deceived with forged letters of introduction. The forger first tried to secure the money at the Branch of the Bank of British North America, but the Manager telling him he would first telegraph to the agents at New York, Lilling withdrew, saying he was in no hurry and would call next day.
