BUSINESS NOTICES.

FALSE MODESTY.—For people to allow diseases to become seated upon them rather than consult a physician, or to suffer as many do for years with the different kinds of piles, without going at once to the druggist for Fowle's Pile and Humor Cure, which is an infallible cure. 3729

ALL SKIN DISEASES, of whatever nature, are completely eradicated by the use of Fowle's Pile and Humor Cure; its effect is marvellous on Scrofula, Salt Rheum, Ringworm, and even Leprosy; it has proved a most almost never failing cure. (See special notice.) 3733

HOUSE KEEPERS desirous to get a palatable tea should try Baskerville & Bros. and have themselves served for you. If the tea is not pleasing to your taste they will refund the money for what you return. Their wines, liquors and general groceries are of the best brand.

People's Tea Store,

HEMORRHOIDS (or PILES) are permanently cured by Mathieu's Pile Ointment, or money refunded. Price $1 per pot, or six pots for $5. Sold wholesale and retail by the Wingate Chemical Company, Montreal, and retail by all druggists, or will be forwarded to any address on receipt of price, by Dr. E. Mathieu, 198 Notre Dame street, Montreal. 3762

HORSES SAVED.—The lives of thousands of horses have been saved during the past year, and the credit is due to "Darley's Condition Powders and Arabian Heave Remedy." This preparation is being extensively used, and exacts from all the highest praise. Nothing of the kind has ever before been half as successful, or given such universal satisfaction; it cannot be equalled. We can confidently recommend it, and would advise all who own horses to keep a supply of it on hand—it may be the means of saving your horse's life. Remember the name, and see that the signature of Hurd & Co., is on each package. Northrup & Lyman, Toronto, Ont., proprietors for Canada. Sold by all medical dealers. 3796

WHAT THEY SAY OF IT! A FEW FACTS FOR THE PEOPLE.—There are but few preparations of medicines which have withstood the impartial judgment of the people for any great length of time. One of these is Dr. Thomas' Electric Oil. Read the following and be convinced:—Thos. Robinson, Farnham Centre, P.Q., writes, "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief, until I tried Dr. Thomas' Electric Oil, and since then had no attack of it. I would recommend it to all."—J. R. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years, and have tried different medicines with little or no benefit until I tried Dr. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horses in cases of cuts, wounds, etc., and think it is equally as good for horses as for man."—A. Maybee, Merchant, Warkworth, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public, 'one of the best medicines they have ever used;' it has done wonders in healing and relieving pain, sore throat, &c., and is worthy of the greatest confidence."—Joseph Rusan, Township Percy, writes: "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit." A. Mr. Hamilton, Warkworth, writes: "For weeks I was troubled with a swelled ankle, which annoyed me very much. Mr. Maybee, of this place, induced me to try Electric Oil, and before one bottle was used I was cured. It is a most remarkable medicine.

Sold by all medicine dealers, price 25 cents.

Brain Exhaustion.

MR. JAMES I. FELLOWS, ST. JOHN, N. B.

SIR: Having, while at your establishment, carefully examined your prescriptions, and the method of preparing your Compound Syrup, I feel anxious to give it a fair trial in my practice. For the last twelve months I have done so, and I find that in incipient consumption and other diseases of the Throat and Lungs, it has done wonders. In restoring persons suffering from the effect of Diptheria, and the cough following typhoid fever, prevalent in this region, it is the best remedical agent I have ever used. But for persons suffering from exhaustion of the powers of the brain and nervous system, from long continued study or teaching, or in those cases of exhaustion from which so many young men suffer, I know of no better restorative to health than your Compound Syrup.

If you think this letter of any service, you are at liberty to use it as you see fit.

I remain your, &c.,
EDWARD CLAY, M. D.

This remedy has been faithfully tested, and found to be an almost infallible cure for the above named diseases. Its success has been so universal that the proprietor guarantees a cure to those who use his medicine, or in case of failure to refund the money paid. Since it was first introduced he has received many thousands of testimonials, proving its efficacy for the cure of the awful diseases it is recommended for. The Pile and Humor cure is entirely vegetable in its composition, and can be used with perfect safety in all cases. There is no danger of it driving the humor in, as it cures on the surface, and the patient's bodily health continually improves while under this treatment.

BERKELEY, Sept., 1869—Gentlemen, I feel it a duty I owe to you to express my gratitude for the great benefit I have derived by taking "Norton's Camomile Pills." I applied to your agent, Mr. Peal, Berkeley, for the above Pills, for wind in the stomach, from which I suffered excruciating pain for a length of time, having tried nearly every remedy prescribed, but without any benefit at all. After taking two bottles of your valuable pills, I was quite restored to my usual state of health. Please give this publicity—for the benefit of those who may think be afflicted I am, Sir, yours truly, HENRY ALLBANS. To the proprietors of "Norton's Camomile Pills."

A MAN OF A THOUSAND.

A CONSUMPTIVE CURED.—When death was hourly expected from Consumption, all remedies having failed, accident led to a discovery whereby Dr. H. James cured his only child with a preparation of Cannabis Indica. He now gives receipts free on receipt of two stamps to pay expenses. There is not a single symptom of consumption that it does not dissipate—Night Sweat, Irritation of the Nerves, Difficult Expectoration, Sharp Pain in the Lungs, Nausea at the Stomach, Emaciation of the Bowels, and wasting of the Muscles. WALL PAPER.

INCLUDING THOSE DEDICATED BY THE MANUFACTURER

TO

Their Excellencies the Earl and Countess of Dufferin.

These Paperhangings are imported direct from the best Manufacturing Establishments in England, France and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those toned with silver mica; but above all, they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in Painting, enables him to reject, in his selection of Paperhangings, those coloured with poisonous pigments, so deleterious to health. The Public are respectfully invited to examine his STOCK of WALL PAPER before purchasing elsewhere.

As the undersigned is going out of the Room Paper Business as soon as his present Stock is disposed of, the Goods will be Sold at the Lowest Remunerating Prices.

The course of instruction, however, will not be exclusively classical, and boys will be specially prepared either for the University and Professions or for Commercial Life

Most eligible premises have been purchased for the School in McTavish street, one of the most healthful localities of the city, and immediately adjoining the grounds of the McGill University.

The course of instruction will include Latin, Greek, Mathematics, French, German, Arithmetic, Writing, English Grammar, Literature and Composition, History and Geography, both Ancient and Modern, Natural Philosophy, Vocal and Instrumental Music, Drawing, Gymnastics and Drilling.

A limited number of boys will be received by the Principal as Boarders or Weekly Boarders and, with the view of keeping the pupils from improper influences, it is strongly recommended that all be entered as Day Boarders, who will dine in the house of the Principal.

Further particulars can be obtained from the Secretary, J. W. Holmes, Esq., 78 Victoria street, to whom all applications for admission must be made.

The School will open on MONDAY, the 12th of April, and will be carried on for a few days at 78 Victoria street, the new premises not being quite completed. 3815
