MATHUSHEK PIANOS.

EXCEL in volume of tone.
EXCEL in the like quality of tone.
EXCEL in firmness and purity of tone.
EXCEL in durability and keeping in tune.
EXCEL for the concert room.
EXCEL for teaching schools and seminaries.
EXCEL for the drawing-room.

These are broad assertions, but capable of proof, they are unlike any other in construction; all their peculiarities are points of excellence. Their illustrated and descriptive catalogue which we send FREE to any address, explains in harmony with acoustics and mechanics all that is claimed for the Mathushek.

There are thousands of happy owners of Mathushek's willing to certify to their superior excellence. We have room here for but a few brief extracts;—

NEW YORK, Oct 28, 1867.

We, the undersigned, Judges of Pianos at the Fair of the American Institute, after a careful examination of the Concert Grands do award to FREDERICK MATHUSHEK, the honor of making the best of this class of Instruments here and there exhibited, or known to us elsewhere.

[Signed] EDWARD MOLLENHAUER, A. D. W. BESEMANN, M. J. GIANNETTI, CHARLES FRADEL.

MUSICAL CONSERVATORY, 62 Broadway, N.Y.

These Pianos must take the lead of all known instruments, and their peculiar construction renders them by far the most durable, and the least liable to get out of tune.

EUGENE J. MERRIAM.

Since the date of this Concert the Mathushek has been my favourite.

J. JAY WATSON.

Watson's Conservatory of Music, New York.

No money would tempt me to banish it from my home.

D. SCHUYLER, Buffalo.

Mathushek's superior to all others.

H. MOLLENHAUER, New York.

Mathushek has in reality taken a step in advance of all makers of Pianos in the world.

J. G. SHAW, Musical Critic, Saratoga.

I have heard nothing to equal it in sweetness of tone. Its notes are more like those of our sweetest singing birds, or those of the finest human voice, than any instrument notes I ever heard. We are delighted with our instrument. May you be blessed with great and deserved success.

Yours truly, SPENCER L. FINNEY, Pastor Second Presb. Church, Princeton, N.J.

The Mathushek Orchestra Square Grand Piano is brilliant, of wonderful power and melodious in tone.

ALFRED H. PEASE, Rochester.

I was fully convinced that the Mathushek was the crown of all.

H. BELLAIN.

My old tuner, who has taken care of my piano for the past ten years, says that the No. 10 Orchestral just received from you, is the best made and finest instrument in this city.

Yours, &c.,

D. M. SOMERVILLE, Cleveland, O.

Em St. W. M. S. School. Toronto.

We have great pleasure in stating that as an instrument to lead the singing in a S. School nothing can exceed it. The tone is soft and full. The bass is grand, and when 600 voices are singing it can be distinctly heard. Every note rings out clear as a bell.

WARING KENNEDY, Superintendent.
S. J. SUNTER, Pastor.
SAMUEL FRISBY, Musical Conductor.

It has given my family the very highest satisfaction.

Rev. JOHN BREDIN, Barrie.

It has given entire satisfaction, and delighted all who have seen it.

THOMAS BEST, Toronto.

It gives the most complete satisfaction. For sweetness, smoothness and richness of tone we have never heard its equal.

J. O. EMMETT, M.D., Fonthill.

This is to certify that I purchased two of your Mathushek Pianos and find them all I represented a first-class instrument. I consider them second to none.

GEO. TAYLOR, Don Mills.

The Mathushek I purchased from you three years ago has given the most perfect satisfaction. Everything you said in regard to them has been fully borne out. Quite a number are in use here, and all say they would not exchange their piano for any they have ever heard.

The superiority of these Extracts consists in their perfect purity and great strength. They are not only true to their names, but are prepared from fruits of the best quality, and are so highly concentrated that a comparatively small quantity only need be used.

Their Excellencies the Earl and Countess of Dufferin.

These Paperhangings are imported direct from the best Manufacturing Establishments in England, France and United States. Great care has been taken in their selection with regard to colour. The ground tones are soft and pleasing to the eye, especially those toned with silver mica; but above all, they are free from the mineral poisons that many of the tawdry-coloured Paperhangings of the day are surcharged with. The Subscriber's long experience as a colourist, and being thoroughly acquainted with the chemical compound of the pigments used in Painting, enables him to reject, in his selection of Paperhangings, those coloured with poisonous pigments, so deleterious to health. The Public are respectfully invited to examine his STOCK of WALL PAPER before purchasing elsewhere.
