THE
FLESHERTON ADVANCE

Published on Collingwood street, Flesherton, Wednesday of each week. Ciculation over 1100, Price in Canada, $2.00 per year when paid in advance $1.50. In U.S.A., $2.50 per year, when paid in advance $2.00.

W. H. THURSTON - Editor
F. J. THURSTON - Asst. Editor.

Flesherton has this week paid its last respects to a man who has of recent years meant so much to our village. For years, so far as building was concerned, it appeared to be stagnating with many afraid to invest money in residential properties of the better class. He, with his sagacity, held up the banner of progress and hewed the way towards a better and more prosperous condition of affairs. He has been known as Flesherton's most progressive citizen, and well he deserved the title. This village mourns the loss of Will Armstrong, as everybody affectionately knew him.

AN IMPROVED ROAD

The Advance wishes to pay tribute to the county road officials for the very fine piece of road building and repairing which they have done this summer on the Valley Road, between the Collingwood Gravel cart of Flesherton, and Thornbury. The highway has been completed from Thornbury to Heathcote, a distance of five miles, and from there to Kimberley it has been gravelled and all the way through has been smoothed down until it is now an ideal road, though narrow. We went over this road on Monday of this week and were simply amazed at the transformation. It is no longer necessary to go to Owen Sound or Collingwood in order to reach Thornbury or Meaford. This newly-improved road can be negotiated at the legal rate of speed without danger or damage to a car. We made the 25 miles on Monday in one hour and five minutes, from door to door. Thornbury and Clarksburg should celebrate this important accomplishment. Heretofore a 58-mile drive was common and preferable in order to escape the valley road. Now all this is reversed, and Clarksburg and Thornbury should derive a distinct benefit therefrom.

High School Field Day

Flesherton high school field day is to be held on Thursday afternoon of this week. Following are events:

Boys' standing broad jump, jr and sr; Girls' high jump, Jr. and Sr.,; Jr. Boys' 75 yard dash; Sr. Boys' 100 yds. dash.... Girls' 360 yds. race; Boys' shot put, Jr. ad Sr.; Jr. Girls' 50 yard dash; Sr. Girls' 75 yard dash; Sr. and Jr. Boys' broad jump; Sr. and Jr. Girls throwing baseball; Sr. and Jr. Boys' hop, step and jump: Sr. and Jr. Girls' catching softball; Jr. Boys' 150 yard dash; Sr. Boys', 220 yard dash; Jr. and Sr. Girls', running broad jump; Sr. and Jr. Boys' running broad jump; Girls' relay race; Boys' form relay; Girls' novelyt race; Sr. and Jr. Boys' pole vault; bicycle race, Ja. and Sr. boys; Girls' hop, step and jump Jr. and Senior.

Everybody invited to attend.

An ant can lift four times its weight in raw meat or cake. And a wasp can lift a man three feet in the air without the least trouble.—Exchange.

Had Good Weather For East Grey Fair

Flesherton fall fair was greeted with ideal weather and a very fair crowd came out to take in the sports at the grounds, see the excellent exhibits and enjoy an afternoon.

The hall was one of the best in the history of the society and all classes were well filled, the roots and vegetables especially, as a tent was secured to house them, otherwise there would have been a more than full hall. The ladies' work section was better filled than usual, domestic science was not as well filled as last year, and there was a larger exhibit of fruit than for some time. An excellent display of flowers filled one corner of the hall in a riot of bloom.

The arrival of the school children marching from the market square was the official opening of the fair. Only three schools besides Flesherton were in the parade, these being Rock Mills, Proton and Ceylon, the prizes being awarded in above order.

Allanford and Creemore played a game of baseball and resulted, we are informed, the decision being given to Allenford by the umpire, the score being close. The game was a real pitcher's battle from start to finish and was an excellent exhibition of good baseball.

The Bounding Jays gave a two hour program of gymnastic performances, etc., that amused a large crowd.

F. R. Oliver, M.L.A., U.F.O. candidate and Mr. Perdue, Conservative were on the grounds most of the afternoon renewing acquaintances.

The outside exhibits were all up to the average, the horses being exceptionally well filled. Competition was keen in cattle classes, the only section below in numbers being the grades. Otto Foy of Markdale had an excellent herd of Hereford cattle, and Fred Boland of Vandeleur shared the prizes in this class. Harry Baker had Holsteins, Percy Sims of Markdale his Polled Angus cattle and in the Shorthorn classes the prizes were divided between John Flynn, Frank Taylor, McLoughry Bros., and H. L. Cassie.

The poultry house was only about half filled with chickens this year, W. D. Connor of Durham being the chief exhibitor.

All classes of sheep were filled with the following exhibitors: Leicester, John and James McGirr and Robert Chard; Shropshire, W. C. Hutchinson and Robert Chard; Oxford Down — Russel Ellis, Fred Boland, Thos. Sleg. South Down— Darcy Armstrnog.

In Swine Classes H. L. Cassie took all prizes in Berkshire; Yorkshire, Geo. W. Ross, W. C. Hutchinson, J. Porteous and Edagr Betts; Tamworth, all prizes to Geo. W. Ross.

There was the largest midway on the grounds for some years and everybody had a chance to part with some hard earned cash.

In the evening the Kenny-Wilson troupe gave a splendid concert in the rink to only a medium crowd, the night being very cold. After the concert a dance was given, music being supplied by the Midnight Serenaders.

A bottle of beans was displayed by the Eastern Star Chapter of Flesherton at their booth and guesses were taken as to the number therein. Mrs. W. G. Kennedy was the lucky one her guess being 3800 and there were exactly 3814 beans in the bottle.

The following is the list of prize winners in Horse and Cattle classes:

HORSES

HEAVY DRAFT — Team, E. H. Boyle, 2nd August Kemp, 3rd W. C. Hutchinson; One year old, Samuel Batchelor; Brood Mare, 1st Ed. Davis 2nd Sam Batchelor; Spring Foal, 1st W. C. Hutchinson, 2nd Ed. Davies; best animal, August Kemp.

Bad Car Accident

Two deaths have resulted from the collision Friday night last on a hill near Duntroon, of an auto truck driven by Clifford Hewson of Singhampton and a hay-rack wagon driven by Edward York, farmer. York was instantly killed, while William Higgins, who was in the truck with Hewson,, and suffered a fractured skull, lived until Sunday at noon, when he died in the hospital at Collingwood. One of Yorke's horses was killed, while the wagon was smashed to pieces. Hewson, who is badly injured, left the scene and wandered to his home six miles away, arriving in a dazed condition about 4 o'clock in the morning.

The late William Higgins, whose real name was Hazen, was well known in this part, hving worked in this district for a considerable time.

No Paper Next Week

The Advance will not be issued next week, but the office will be open for business sa usual.

T. Stewart Cooper, Secretary

STORY OF A DIAMOND RING.

Fourteen years ogo in 1915, a Toronto man was visiting at a farmer's home near Dalston when he lost a valuable diamond ring. All efforts to locate it failed and the incident was more or less forgotten. A then owner of the farm was amusing his little child out in the yard when he saw something sparkle and picked up the diamond ring, as bright as ever. The young man did not at the time know just what he had found and brought the ring to a Barrie jeweller who placed its value at $500. The incident of the lost ring fourteen years ago was recalled and the young man made a special trip to the city to return the ring to its owner. It is understood that the man was delighted to get his diamond back and thanked the young farmer for his honesty.—Creemore Star.

Ninety-four residents of Perth County will receive old age pensions.
