T. J. HARDING, Bowmanville, Ont.

First Year's Success Cured by Four bottles of Constitutional Catarrh Remedy. Jan. 15, 1876. Read and Obey! In Catarrh Remedy.

Mr. T. J. HARDING.

Dear Sir—Being desirous that others may know some of the benefits of your Catarrh Remedy, I have the honor to inform you that I have been cured of my Catarrh by your medicine.

I had employed three or four different doctors, and tried various medicines, without effecting any permanent benefit.

I had continued to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time.

I had severe soreness and pain under the shoulder blades, and the stomach, with very little sleep, and a constant feeling of cold, and a general feeling of weakness.

I had been told that your Catarrh Remedy was a good medicine, and I decided to try it.

I took four bottles of your Catarrh Remedy, and after taking four bottles I was restored to health, so as to be able to do my work, and feel as well as ever.

I am now in good health, and feel as well as ever.
