BOWMANVILLE, FRIDAY, JANUARY 2

MUNICIPAL AFFAIRS.

The car idates are now in the field. For the office of Mayor we have Messrs. F. F. McArthur and Jas. McFeeters .-These gentlemen personally are quite worthy of the position; they have filled the chair creditably before, and, but for the manner in which they were brought out, we should have allowed them to stand on their own merits, unaided by influence from this quarter. But we must present a few facts to the electors which will enable them readily to decide which of these gentlemen is most entitled to their support.

As all are aware no person could be found who would come forward to oppose a citizen who has for weeks, yea, months, been in the field, but who is wanting in educational qualification as well as stability for such an important position, and consequently a very unfit person to be Mayor. Mr. McFeeters was waited on and urged to come out for Mayor or Reeve, but he positively declined to be a candidate for either seat; and we are told that as late as Saturday last he refused to be a candidate. Several of the leading citizens met on citizen referred to above, who has proved such a terror to the aspirants. Mr. Mc-Arthur was chosen and after considerable solicitation consented to stand for the position of Mayor. Be it understood by all that he is not brought out by any clique, political or otherwise, but was chosen at a meeting about equally represented by both political parties. No one thought of Mr. McFeeters accepting the on until Monday about 9 a.m., when it was noised about that the "citizen" who has been months in the field, after nine o'clock by a person that looked very much like Mr. F Cubits, the present Mayor, and had been persuaded to give East Ward-C Mallory, J J Smith, Thos way for Mr. McFreters or Mr. Cubitt. At 274 Tale in wave wayand Mr. McRoeters was nominated in his stead, and for no other purpose than to oppose Mr. Mc-Arthur. Under existing circumstances then every elector should support Mr. McArthur, and we feel assured that he will be elected by a very large majority. We might state in this connection that, as our town was controlled by an Assignee for a considerable time, and for the present year by a Division Court Clerk, that we do not want it to be placed in the hands of an Assignee again until another chance be given to wipe out the present indebtedness. Then, ye clectors, vote early and often on Monday next for Mc-

THE LATE CAPT. CHRISTIE.

We have to announce the death of an old and respected citizen of Bowmanville, who has passed away from our midst. Thomas Christie, Esq., died on the morning of the 30th instant at the age of sixty four years. Mr. Christie was born in Scotland, and, after coming to Canada resided for a number of years in the now Province of LowerCanada, from whence he removed, about twenty years ago, to this town, where he has remained till death put a period to his existence. Well known to every one as Coroner, Insurance Agent, and Agent for Steam Boat, Railway and Loan Companies, his business brought him in daily contact with his fellows, and for all he had a kind word and a pleasant manner. Many will miss the genial and kind heartedThomasChristie, who leaves a widow and large family to mourn an irreparable loss, and who have the warm sympathy of the whole community, among whom the departed, had none but friends.

POLITICAL NOTES. Mr. Nicholas Awrey, Liberal, has been declared elected for South Wentworth by nine votes, over Mr. Carpenter, who has enjoyed the honors of the seat since the 5th

Mr. Alex. Robertson, Conservative, has been unseated for corrupt acts of agents in West Hastings.

Mr. Joseph Jameson has been chosen Conservative standard bearer in North Lanark.

Good Reading. The Youth's Companion, with 140,000 regular subscribers, and having a list of contributors subscribers, and having a list of contributors embracing the best known and most popular writers in America and England; having also the endorsement of the press, the pulpit, and of the best scholarship hardly needs a good word from us, It is the oldest paper devoted especially to youth in the country, and we may safely say it is the best. An idea of its variety and excellence may be given by the statement that in a single year it publishes more than two hundred stories by the most brilliant writers, and more than one thousand short articles of history, biography, science, wit and humor, gathered from the choicest sources by the most skilful pens. All this matter is so judiciously edited that, while entertaining, it is always elevating and pure. The Companion is published at Boston, by Perry Mason & Co., who will be glal to send specimen copies to any one writing for them,
