Where Do You Keep Your Valuable Papers?

THE whereabouts of your valuables is nobodys business but your own, and for that very reason they should be placed beyond the reach of meddling persons, thieves or elements which compromise their securtiy. Use a safety deposit box in your nearest branch of the Canadian Bank of Commerce. It is the most convenient method of safe keeping for documents, jewels and other small articles of value.

Artemesia S. Fair Best Ever Held

The school fair on Friday last, held on the agricultural grounds here, was a very successful event. Notwithstanding the fact that the day was uncomfortably cool, a bumper crowd was present. Secretary Tommy Cooper and his assistant were very busy that afternoon. The former informed the Advance that only a couple of fairs in the country could compare with the one held here—which must be very satisfactory in view of several things, and changes of date, that might have worked against the interests of the children,s fair, but did not. Eight schools paraded, and it was an inspiring sight to see the care with which they all had prepared for this great day in the annals of their youthful lives, and the march of the little feet as they plodded along, symbolical of the plodding progress in the direction of an education and a higher education. Every flag should have carried a sub-motto: Excelsior.

The schools which paraded were as follows: No. 2, Orange Valley; No. 3, Springhill; No. 8, Portlaw; No. 10, Ceylon; No. 12, Priceville; No. 13, Eugenia; No. 15, Proton; and No. 17, Rock Mills.

No. 3 school won first prize, No. eleven 2nd, No. 5 third, No. thirteen 4th, and No. 12 fifth. The judges said No. 3, Springhill, was the best school they had judged this fall.

High School Field Day Was Successful

Quite a number attended the high school field day held on September 26th, at the agricultural grounds. Bert Morton won the senior boys' championship with 20 points and Bob Phillips and Harold Thompson were tied for second place, while Wm. Patton was junior champion with 20½ points, Jim Haw coming next with 18 and Ed. Patton with 7 points. In the girls' events Florence Welton won the senior championship with 13 points, Muriel Cameron came next with 11 points and Hattie McRae was third with 6 points. Doris Bannon came first in the junior events with 11½ points, Ita Pedlar second with 9 points and Jeanette MacLeod third with 4½ points.

Fourth form won the inter-form relay race for boys with second form and third form in that order. In the inter-form relay for the girls third form was first, second form second and first form third.

All the contestants are to be congratulated on the excellent spirit maintained throughout the meet.

The teachers and pupils of the high school wish to thank the judges and school board, also the spectators, for the interest shown by them in attending the field day.
